IPP Arnel Cabanisas
Immediate Past President

We just concluded Rotary's TRF Month. (The Rotary Foundation), this November 2022. However, it does not mean to say that we end our contributions to the Annual and Polio Fund. On 29 November 2022, was Rotary International's Tuesday giving wherein this year's rotary leaders received a letter from RI requesting us for assistance in supporting the said date's Tuesday giving, which we did. We just remitted Annual and Polio Fund in the amounts of PhP 46,650.00 and PhP 14,290.00 respectively.

We did not only support the Annual and Polio Plus Funds, but for the very first time, we also successfully submitted our Global Grant application. It was all authorized by our rotary partners in service through their District's Designated Funds from Australia and Korea particularly Districts 9510 for USD 18,000.00; D3730 and D3750 amounting to USD 3,000.00 and USD 5,000.00 respectively.

This month's rotary theme is Disease Prevention and Treatment. As we thank our Dynamic Team Pasikat for their "Dastog" way of thanksgiving, let us welcome our Dynamic TeamBRE (Baguio Rotarians Empowered) led by the Venus, Director Susan. Let us also welcome our esteemed speaker this afternoon, Hon. Levy Lloyd Orcales.

This month, particularly this afternoon, we will all cast our votes to choose our new leaders for the rotary year 2023 - 2024, the board that will support our able President Elect, Corazon Ocampo and the President Nominee for the RY 2024 - 2025. Pls vote for our colleagues who can make a difference and are willing to serve. Good luck everyone.

Let us all appreciate the efforts of all who were instruments in our Global Grant proposal. Thank you Immediate Past President Arnel for your support in joining us in the initial meeting stage in Subic sometime in August.

Thank you our Global Grant Team, led by Past President Gerard Audineau, with his able members, Past Presidents Chris Fernando Faelnar and Bert Talco, from its conceptualization to the finish line and beyond. We can now consider them the Global Grant Gurus of our club- RC Baguio.

Thank you to our D3790 Leaders, Governor Ana Maria "Ann" Lorenzana

Thank you to our other very supportive D9510 Past District Governor Rowe (RC Port Pirie) for readily acceding to our PP Gerard's initial request for you to become our international partner and for committing USD 18,000.00 from your District's DDF.

Thank you Past President Peter Paul Nang for your continuous support in guiding us fill up the global grant form from the start to this very day.

Let us all pray that this our application be approved by the Rotary International.

Join me in greeting Past Asst Governor and Past President a Very Happy Birthday, as she celebrated her special day last 30 November 2022. May you have more wonderful years to share and celebrate life in the coming years.

IN RETROSPECT

EIC/PP Libby Fernandez

Editor-in-Chief / Past President
Rotary Club of Baguio

26 November 2022

It's Thanksgiving celebration today- the Rotary Way, hosted by Team Pasikat! All things ready but had to leave home so early. Traffic leading to Baguio Country Club, our meeting venue, has been so unbearable since then... more so this holiday season! The atmosphere was "EXCITEMENT" at the Training Center. However, some members were caught in the traffic jam. President Ali called the meeting to order at 12:30 and declared recess to give time for the members to join the meeting. This was time for the members to feast on the super yummy cinnamon brought by Rtn Eric, baked by her beautiful Ann. Oh yes, do help yourselves guys! Thank you Rtn Eric that was just so sweet!

The meeting resumed and PP Marilyn gave a solemn prayer of praise and gratefulness. After the singing of the Pambansang Awit, the fervent singing of the Rotary Hymn and the 4-Way Test, Gov. Linda introduced the guests. Most were family, Rotakids and Rota apos. The Raffle conducted by Dir. Lorena and Rtn Saud was most fun especially when most enjoyed the foodies and 2023 calendar books.

Entertainment led by Dir Lou was quite dramatic! Everybody sang 'One Little Candle' while holding our cute candles giving tiny twinkles as the lights were turned off. Then came the gift giving. Team Pasikat members gave their token to everyone customized Rotary of Baguio mugs with a cordilleran inspired image and the word 'lyaman', meaning "Thank You", chocolates and intricate and deliciously made cupcakes!

On Member's Time, PP Chris Faelnar informed the club of the positive result of the global grant they are working on. Likewise, PP Raffy and Sec Baby informed the club of the forthcoming RCBaguio election and the mechanics thereof.

President Ali, on President's Time, gave a summary of the accomplishment of our projects, like the RCB Project 1, Literacy Committee and the release of the "Low-Cost Nutritious Meals for your children" of YAKAP, Maternal Care Committee. The good news about the global grant, the RCC, the election and Christmas plans.

Dir. Lou introduced our Guest of Honor and Speaker, Mr. Joselito Baluda, who spoke on the history of Baguio and of the cordilleran culture. Many interesting questions were asked during the open forum and surely the members were enlightened by his talk. Gov. Linda gave her response. The meeting was adjourned at 3:00 in the afternoon.

Happy Thanksgiving all!

Jennifer Jones

President 2022-23
Rotary International

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: “How many of you have ever had malaria?” Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son’s bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son’s legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. “I lost my son, I lost my son,” he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary’s first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

Colorado Rotary members show comfort and care

EIC/PP Libby Fernandez

Editor-in-Chief / Past President
Rotary Club of Baguio

Rotary club members (standing from left) Laurell Richey, Ashley Kasprzak, and Charlene Santala Gearing visit Kate Gordon (in bed) with Richey's pet alpaca.

By Ashley Kasprzak, president of the Rotary Club of Longmont Twin Peaks, Colorado, USA

Rotary members in Colorado showed what it means to create a welcoming club experience of comfort and care, one of Rotary International President Jennifer Jones' initiatives for this Rotary year.

I was a small part of an effort to help longtime Rotary member Dennis Gordon and his wife, Kate, this spring. Every spring and summer since they had married 46 years ago, Kate had planted and cultivated brightly-colored gardens. But this year, she was in bed with a terminal illness which prevented her from doing so.

Dennis (Denny as he prefers to be called) is amazingly positive and agile even though he is a triple amputee. As a Vietnam veteran, a successful accountant, and a competitive cyclist, not much stops Denny. But gardening is one of the rare things he doesn't do. He shared with his friend and fellow Rotary member Charlene Santala Gearing that it would be wonderful if the club could help brighten up Kate's view.

Charlene asked Denny if it would be ok for the club to get things looking nice for Mother's Day, when his children and grandchildren would be visiting. Charlene then contacted members to help. Kirsten Pellicer donated flowers, and Beth Shipp a truck. Half a dozen members and friends cleaned up flower beds and planted.

Kate watched from her bed as we gardened. At the end of three hours, shrubs and trees were trimmed. Flowers were planted and everything was spiffed up. One member, Laurell Richey, even brought her pet alpaca, Dobby, who thanks to double doors, was able to come inside and say hello.

Everyone shared smiles, laughter, and a bit of joy. Rotary volunteers were able to bring some moments of distraction and levity to Kate and Denny during a sad time. Kate passed away on 18 May. Denny faithfully continues to attend Twin Peaks Rotary Club every Thursday at noon in Longmont, Colorado, USA.

Do you have a story of how your club is creating a welcoming club environment? We'd love to hear it. Share it with us here.

THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

Rotary Club of Baguio

THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

Service Above Self.
