As I look back, my prayer is thank you for all your support for the past 6-months and for all the goodness we have done to humanity that had made a difference in the communities that we served. I also pray, as we journey to 2023, let peace give a chance to each and everyone of us especially to those who have "bad blood" towards each other stemming from long and or new mis understandings.

I also wish that for the remaining half of our rotary year, with God's grace, we will have the strength to finish the dreams we had imagined to attain this rotary year. A Blessed New Year.

December 2022 was indeed a tiring, yet fulfilling month with all the merry making, the generosity and the kindness of not only the members and (our) families, of the Rotary Club of Baguio, but also with our partners in service.

December 03, 2022, we congratulated our President Nominee, the Venus, head of the Team VX Squad and incumbent Director Susan Villanueva, and to the Directors who will be working with President Elect Cora Ocampo, - Incoming RY 2023-2024 Directors, Lou De Guzman, Eric De Guzman, Lorena Cachola, Levy Orcales, Reymund Barrios, Ailyn Kindipan, Joe Ursua, Tonton Tan (but begged off because of his busy schedule) and was replaced by Dir Glen Flores.. Still on the same date, we witnessed the birthday bash hosted by the team Dynamic VX squad, the unbeatable as described by one of its energetic and bubbly members, one of my advisers - PP Chris Faelnar.

December 10, 2022 was the Christmas Gift giving with more or less 500 learner - recipients of gifts and 1000 recipients of lunch packs; with 1 volunteer teacher of one of our adopted day care center, with 30 years of volunteering, who had wished to have a laptop, was finally granted by RC Baguio's Project 1, chaired by Dir Lou.

December 17 was RC Baguio's Christmas party held at the beautiful and warm home of our very own the, very generous, indefatigable host - director Lou. As Past president Lito Pangilinan says in his chat, this is one of the best Christmas party of the Rotary Club of Baguio, and I say yes it is. Not because I am the incumbent president, but this was evidenced by our good attendance with anns and family members. With just a few days or hours or minutes to practice, all the members have shown their

PRESIDENT'S MESSAGE

zealous performances with much gusto, with Team Pasikat as the winner. This is just a teaser for the group's anniversary performance(s) with no exceptions from among the members including the monitoring team who were assigned to their groups this 85th anniversary- the president to Team Bria and the president elect to Teambre, the secretary, remains to be with team Bria.

The Christmas party started at 2pm registration and ended Cinderella time. Thank you very much Dir Lou for having us with your warm welcome. For treating us, the members, participants to a free band (courtesy of Dir Lou). Everyone enjoyed the party and the program hosted by "the unbeatable Team VX squad." (payag kayo dun), assisted by the Dynamic Team Pasikat – Dir Lou (as the host for the event), joined by mas pasikat dynamic teams (Team Bre and Team Bria) and pasikat din Team VX squad.

Thank you for making our Christmas Party a very memorable one.

We did not end the year with the Christmas party.

December 20, was a leadership and swot training led by PE Cora and conducted by our leadership training guru, PP Chris and attended by Directors Tonton and Reymund held at the SLU SVP Barangay Hall with our Rotary Community Corp – Women's Touch in Action. It was well attended by the RCC members and by some of the Barangay officials and members. Kudos to PP Chris, PE Cora, Directors Tonton and Reymund.

December 26, a simple Christmas celebration after the clean-up and watering of plants at our adopted barangay park was done by the volunteer senior citizens of Barangay M. Roxas led by our Past District Governor Linda, an ecological way to end our RY 2022.

Once again many thanks for a very memorable- RY 22-23 's first semester that was.

Today, as we welcome our Dynamic Team Bre, our host for this Vocational Service Month, may we also welcome our very own incoming Director Ailyn, who will give us her classification talk.

Our Birthday greetings to PN Susan, Rtn. Saud, PP Libby and Rtn Lily who celebrated their birthdays on December 25, 30, January 03, and 05 respectively. We wish you all the best and may you have more years to celebrate life and more blessings to share.

On January 14, 2023, 19 of us from our club will be attending the Mid-year review in Vigan, hence our meeting for that day is cancelled. We shall resume on Jan 21.

On January 28, we shall be having our annual vocational awards, and February, the most awaiting month for RCBaguio, chartered on February 21, 1938. Our anniversary celebration will be on the same date Feb 21, 2023 at the 19th Tee, 2F The Forest Lodge, Camp John Hay. 5PM will be the mass, 6 PM registration and 7pm program proper featuring Amazing Philippines, our pride, our destination. Watch out for the Dynamic and Vibrant presentation of each team, with their respective fabulous Filipiniana costumes.

May we grace 2023 with hearts of gratefulness. May we strive to be better humans not only thinking of our own happiness but happiness of others that can be affected by consequences of our being "Maritesses" and "Marisols..." May we practice the 4-way test of the things we say or do, not only because we are Rotarians but because these are part of our personal values, that defines who we are- confidently kind people.

To a kinder new year everyone, or if this year will be more challenging, to a stronger us, and always with grateful hearts. Have a Blessed New Year!!!

A Christmas Party to Remember

17 December 2022

The Christmas Party was scheduled to begin at 3:00 PM, but as early as 11:00 AM, members of Team BRE (Baguio Rotarians Engaged), Team BRIA (Baguio Rotarians in Action) & Team Pasikat were already at our gracious generous host Dir. Lou's home, anxiously, seriously and excitingly practicing, for their respective presentations for the program

When we (the VX Squad, the host team for the occasion), arrived, the venue was already perfectly arranged to seat about 60 pax, donned lavishly with Christmassy decors, with pica-pica prepared per table (slices of bread, nuts, chocolate bites, candies ad libitum), all in all contributing to the festive family Christmas ambience.

At exactly 3:00 PM, our ever-enterprising, energetic, entertaining Program Coordinator, **PP Chris Faelnar (the Valiant)** hinted our Santa-Claus-donned Pres. Ali to call the RCB Christmas celebration to order, & after a 5-min. break (to wait for some more members & guests to arrive & settle down) PP Atom (the Vintage Vixen) led us in a Christmas Invocation, "Christmas Prayer before a Christmas Party". This was followed by the singing of the Lupang Hinirang, Rotary Hymn and the Four-Way Test.

Our VX Squad team leader, **PN/IVP Susan Villanueva (the Venus)** delivered the Opening Remarks, inviting everyone to relax and enjoy the Christmas program which was meticulously planned & prepared by VX Squad, and to expect lots of prizes and surprises hopefully to the satisfaction of everyone

The presentations of each team followed, with a game played in between:

Team BRIA caroled us with some famous Christmas songs, then entertained us with a lively "maski-paps" dance to the tune of a Christmas medley.

Game 1 consisted of "Bursting the Balloons", with the different teams competing by hilariously popping each balloon with his/her butt.. Team BRIA won this game.

Team PASIKAT entertained us with the "Christmas Elves Show" followed by a dance number, all to the delight of everyone, young and seasoned RCB member as well as guest, alike.

Game 2 consisted of the "Egg Relay", with the (hard-boiled) egg being pushed forward to the finish line & back by an eggplant hanging from the waistline (or something like that, ha ha ha!!!) **Team BRE** won this game.

Team BRE was the last to present- a solemn one, I may say - with the rendition of nostalgic Christmas songs, with matching Christmas light effects, and a beautiful narration of the story behind "Payapang Daigdig" (by PP Mia) as the members hummed the tune. So touching, so heartwarming indeed!

Game 3 consisted of husband-wife teams playing the "Calamansi Relay". With all the cajoles & laughter from the audience, **Dir. Reymond-RA Cecile team** finished the game in 2 min. or less.

IN RETROSPECT

The Barrios couple was thus declared the winner.

Not to be outdone, the **RCB Board** surprised us with a dance number, in spite of the absence of some directors, noticeably our PE Cora.

Game 4 followed, this time participated by the Rotary Anns, playing the "Eggplant Massage." To the surprise and delight of everyone, especially PP Raffy, **RAPP Josie Chan** was the first to "soften" the whole eggplant, and was declared the winner.

The team which won the respective game was given a P500 gift check.

In **Game 5**, **PP Gerard, the Valorous**, played some Christmas music with his harmonica. The first one to guess the country of origin of the song will be the winner. "Silent Night", from Austria, was guessed right by **RAPP Oyee Faelnar**.

"O Christmas Tree", from Germany, was guessed right by **PP Benny Sunga**.

"Jingle Bells" from USA, was guessed right by **VP Joe Ursua**.

No one guessed the origin of "O Holy Night" from France though.. Each winner was given a yummy chocolate almond bar, courtesy of PP Gerard.

Then followed the Awarding Ceremonies :

BEST IN CHRISTMAS COSTUME : Pres. Ali & Dir. Lou were awarded a sash & P300 each

STARS OF THE DAY : Dir. Vell, PDG Linda, PP Mia - sash, token. & P100 each

SANTA OF THE YEAR : PP Gerard - sash & P100

MOST COLORFUL ATTIRE : PP Marilyn & PP Anet - sash & P100 each

POKER FACE OF THE NIGHT : PP Raffy & PP Alfred - sash plus P100 each

As for the Team Presentations (ja ja ja jan !!!)

Second Runner-Up received P500 - **Team BRIA**.

First Runner-Up received P700 - **Team BRE**.

Grand Winner received P1000, with the greatest audience impact - **Team PASIKAT**.

The best was yet to come, because the Exchange Gifts followed. All those who brought gifts formed a big circle, and as the "Christmas Story" was read by **Sandra (Dir. Lou's staff)**, the gift each one held was passed either to the left or to the right many times over. Excitement was intensifying! At the end of the "Christmas Story", the gift that each one held was supposed to be his/her exchange gift. (Did you know where your gift come from at the end of the "Christmas Story"? I did!!!)

To end the first part of the RCB Christmas celebration, which was the Christmas program, **Pres. Ali** delivered his Christmas Message and Closing Remarks, followed by the singing of the RCB Hymn and Pilipinas Kong Mahal.

Before adjourning the program, Pres. Ali enjoined everyone to go around and say "**I FORGIVE YOU! PLEASE FORGIVE ME! MERRY CHRISTMAS!**", as a final healing touch hopefully to mend broken relationships, for a brighter tomorrow, especially in the Rotary Club of Baguio. I hope Pres. Ali's message was understood by everyone present.

The much awaited Christmas dinner-buffet followed, catered by Le Chef. We feasted in the sumptuous scrumptious meal of red & white meat, Japanese cuisine, traditional lechon donated by our **PN Susan, the Venus**, desserts, drinks. Booze, courtesy of RCB member-donors, was overflowing too. Music was provided by a live band, again courtesy of our ever-generous host, Dir. Lou.

The night was still young. While everyone was savoring the dinner and each other's company, **PN Susan**, very ably aided by **PP Atom**, called the attention of everyone for the start of the Christmas Raffle. Raffle prizes consisted of items

IN RETROSPECT

representing Rotary's Seven Areas of Focus. (Did you win? How many times? What area/s of focus did your prize/s represent?). More or less 30 raffle prizes were prepared by PN Susan, all within the budget allotted for this purpose. Lucky ones won 1 - 3 prizes.

As though the true spirit of Christmas, which is giving, crept secretly & silently around, additional raffle prizes for those physically present, were volunteered by magnanimous members :

Dir. Lou committed a Breakfast Buffet for 3 at Le Chef, a Breakfast Buffet for 2 at Le Chef, & a Breakfast Buffet for 2 at Forest Lodge.

PP Gigi committed a free Breakfast or Dinner for 5 at Cocina del Sol.

Dir. Lorena committed a P1500 worth of beauty services at Le Chic Salon.

PP Atom committed 3 gift checks worth P1000 each.

Pres. Ali gave away a new crispy P1000.00 bill.

Lucky happy winners indeed!!!

“The band, the booze,
enjoying each other's company ..
The singing, dancing, laughing,
adding life to the party..
Yet with heavy hearts,
the time has come for our parting,
Even though we wanted to
continue frolicking..
Rest assured we'll cherish
this memorable evening
Of sincere fellowship
and friendship so abounding..”

Our eternal gratitude to the following :

Dir. Lou, for allowing us to “invade” her cozy home turned into a “magical Christmas abode”, and to peacefully “disturb” the quiet neighborhood of Green Valley Phase 3

Le Chef, for the sumptuous scrumptious Christmas dinner of both high caloric and healthy food

The “**Physical Arrangers**” for creating a homey Christmas ambience, adding to the festive magical atmosphere

The **Band**, for playing familiar tunes of the '80's onwards, bringing back bittersweet memories of our youthful years

The **RCB teams** for being sport, for your well-prepared and well-presented numbers, even as you were given only less than a week notice

PN Susan, for the annual traditional lechon donation by the President Nominee

Pres. Ali and the RCB Board, for the full trust rendered to the VX Squad in the planning and preparation of the RCB Family Christmas celebration

All **RCB members, RCB family and guests**, for your invaluable presence and cooperation, and for your gift of friendship and camaraderie

Our **Heavenly Father** up above for allowing us once more (after 2 years) to celebrate the **Birthday of His Son Jesus Christ, the real reason for this season**, in a memorable meaningful manner, without inhibition or restriction.

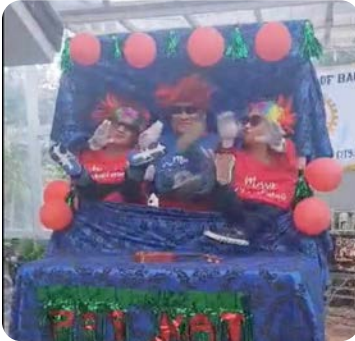

Here's the VX Squad now signing off for the first semester of this Rotary year. Let's welcome Team BRE in the first month of 2023!

Jennifer Jones

President 2022-23
Rotary International

Rotary recently surveyed our members and found something that should be unsurprising but still caused many of us in Rotary leadership to sit up and pay attention: The single most important factor in member satisfaction is the club experience. How at home you feel in your club, how rewarding club meetings are, and how engaged you feel in service projects.

I have seen this firsthand across the Rotary world this year. When members feel an emotional connection to their club, they cannot imagine leaving. And that connection is often forged in “Rotary moments,” when people feel that special connection to the people around them and the impact of their service. Our Imagine Impact Tour is all about shining a light on those Rotary moments and encouraging our members to tell their stories.

But there’s something else that makes an enormous difference in building and sustaining that connection. It’s the comfort and care of our members — both Rotarians and Rotaractors. As my Rotary friend Todd Jenkins says, “People can’t see how you think, but they sure can see your actions.”

We are in the relationship business, and if we take care of each other — genuinely show concern for each other — then we will make friends for life, and we will do anything to widen that circle of friendship.

The question is: How do we live with our eyes wide open and do the things that really matter? We do this by taking time for each other, actively listening to one another, and treating every Rotary member as equally valuable — no matter how long we have been a member or what position we hold.

People like me in Rotary leadership can offer all kinds of advice about how to make your club experience more valuable. But what’s most important is for everyone in every Rotary club to speak up and listen to one another. We should never be afraid to share with our fellow Rotary member what we expect to get out of our membership and have an open discussion about how to make that happen.

To lead a Rotary club is to invite such dialogue and to be willing to try new approaches. Good leadership is giving it away. Propping others up. Allowing others to feel the victory.

I have one last request for club leaders. We still need to do more worldwide to increase our female membership. It’s up a bit this year, but I know we can and must do better. Rotary is growing again. As I write this, we’re just a handful of members away from surpassing 1.2 million Rotarians again. So let’s redouble our efforts to bolster our clubs with great new members, then keep them for life by providing comfort and care.

Our Rotary club meets in the Metaverse

EIC/PP Libby Fernandez

**Editor-in-Chief / Past President
Rotary Club of Baguio**

A recent meeting of the Rotary Club of Metaverso

By Juana Maria Serrano Marin, president of the Rotary Club of Metaverso, District 2203, Spain

A few months ago, a guest speaker at my husband's Rotary club told the group about the vast possibilities of the Metaverse as a virtual meeting place. Not long after, a person on our district's membership committee suggested that my husband form a new club – in the Metaverse.

The Metaverse is a collection of online spaces where users can explore virtual and augmented reality. Users can create avatars to represent themselves, then interact virtually with objects and settings. Wikipedia defines the Metaverse as “a network of 3D virtual worlds focused on social connection.” Early components of Metaverse technology have been used in video game design for at least two decades. But increasingly, businesses and other entities are using the technology to reach people and create social connections online.

My husband and I are both familiar with the Metaverse. We don't have any specific interest in virtual reality, but we're intrigued by the possibilities for using the Metaverse as a meeting point and a place for easily accessible digital information.

A platform in Spatial

Not long after the club meeting, I began dabbling (with my husband's help) on a 3D metaverse platform called Spatial. I started building a virtual space for our proposed club. As the idea rolled forward, we attracted more and more interest and gathered enough prospective members to propose a Metaverse-centered club to our

district officials.

After an in-person training session in Alicante on 12 November, along with other necessary procedural steps, we were ready to announce ourselves as one of the first Rotary clubs in the Metaverse. We were admitted into Rotary on 28 November, with 15 women and six men. Our club's average age is 42, with two members who are 20 years old, one having transferred from a Rotaract club.

This meeting format has real advantages. Flexible and innovative, it attracts a diverse membership base and helps us reach new demographics. That's in keeping with President-elect R. Gordon R. McNally's desire for new clubs that will allow Rotary to exist everywhere, in a style that suits everyone who wants to be part of the organization and help us do good.

The club isn't just another E-club. Meetings are held in our virtual space on the Spatial platform. There are virtual meeting spots, places to view greetings from other members, and areas where you can learn about Rotary and our local and international projects. Visitors can create their own avatars and move around the space, interacting with the environment and other visitors. They don't need headsets or any other dedicated equipment to join in. The controls can be manipulated with a keyboard or simple mobile device menus.

Avatars unite

What makes this platform so immersive is that, after just a few sessions, people identify with their avatars online and experiences become “personal.” It's quite different from just taking part in a Zoom meeting or videoconference.

Of course, while our regular meetings are held in our virtual space, we also plan to meet face-to-face. We all like to hug, talk, and share moments together in person. We had an in-person training session on 12 November, and everyone who came was very excited. It was so gratifying to see how much interest there was and how much people wanted to learn.

I'm sure our meetings and offerings will grow and adapt as the metaverse grows and adapts. Just like any other club, we plan to serve and seek out projects that better our communities in the real world. In the future, no doubt, we'll also find causes we can address in the virtual space. To explore this exciting new venture, come check us out.

THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

Rotary Club of Baguio

THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

Service Above Self.
