IPP Arnel Cabanisas
Immediate Past President

We, the DYNAMIC MEMBERS of the Rotary Club of Baguio started our new year 2023 with a BLAST.

Good afternoon fellow members, family, friends and guests of RC Baguio. We welcome our Host for today's meeting, our Dynamic Team Baguio Rotarians Empowered (TeamBre) led by our smiling Balladeer, PP Diony. Let us also welcome our Guest of Honor and Speaker,

On January 04, 2023 Past District Gov Linda led the cleaning of our adopted park at M Roxas that includes nurturing the plants and ornaments; checking on our planted trees during the kick-off project. This is our "Alay sa Kalikasan", the most important to start the year with, caring for the environment.

On January 06, we had our 1st fire side chat for the RY 2023 and the 4th for RY 2022-2023. It was held at the very homey and pleasant residence of our very generous Past President Chris and Rotary Ann Past President Maya Peralta, our permanent fire side chat's venue for this rotary year as offered by PP Chris to my term as president. It was well attended by our members and the high tech presentation was done by our fire side chat guru, Past President Raffy Chan. We encourage everyone to join us in our upcoming fireside chats.

Our first regular meeting was held on January 7, with a very educational classification talk by our very own Rotarian Ailyn Klindipan, encouraging us to learn how to read and appreciate art. She also offered her skills for an art seminar for senior citizens. So for the "young once and young ones" members of our club, grab this opportunity to make us all younger.

We also inducted and welcomed our club 2 new members, Rotarians Eduardo "Edward" Ramos and Anecita "Annie" Viernes, sponsored by Dir Ton and yours truly, respectively. They were charged by the Virtuoso, the energetic Past President Lito Pangilinan.

Everyone was delighted to welcome and see Rotarians Manong Dwight and our "youngest member", Manong Jody whom we have not seen in our meetings for quite some time

We were also treated with unlimited ice cream by our birthday celebrants, Past President Libby and Rotarian Lily who celebrated their respective birthdays on Jan 3 and 5.

After the gathering was adjourned, our club's anniversary committee members joined us, from the leaders of our dynamic teams, PP Diony (TeamBre) and Rtn Vanjie, PP Libby and PDG Linda (Team Pasikat) PP Raffy represented by Dirs Ton and Reymund (TeamBria) and Dir/PN Susan (Team V-XI squad). After which, several team meetings were held on different dates discussing about their respective participation in our upcoming weeklong anniversary activities.

Our membership committee, with its chairman at the helm, Dir Glen have been very busy with their meetings/ discussions and deliberations which started on the 2nd week of Jan for the membership concerns as the Chair and its committee was tasked by the board on its December 2022 meeting to come up with our membership guidelines. Further on discussed was how to deal with protests and objections that will come along the way.

Let us also welcome this year's Ethics Committee Chair, Past President Mia

PRESIDENT'S MESSAGE

Cawed. We wish you and your team good luck on your deliberations/ discussion in the future, but we hope not to have one.

Our 2nd regular meeting Jan 14, 2023 was cancelled as several of us members attended D3790 Mid year review held at the Vigan Convention Center, Vigan, Ilocos Sur treating the participants with a safari themed atmosphere with live friendly animals for a memorable photo shoot, our excited and not so excited members posted their pics with snakes, exotic birds (parrots), leopard and a palawan cat.

The Rotary Club of Baguio was recognized top 5 in the district for its contributions to the Rotary Foundation's Annual and End Polio Fund for the RY's first semester which produced 2 new major donors with special mention to PP Chris F and PP Bert. We once again knock on your generous hearts for your additional contributions to the TRF. PP Chris F received his award on stage. Other awards received in relation to the TRF was the Paul Harris Society for PDG Linda. We also received the Imagine Rotary Award from the District.

Another highlight, is the election/ confirmation of our nominated member to the DNC for the RY 2026-2027. Congratulations PP Chris Faelnar, a representative for Cluster 1C, Area 1. We are proud of you, my adviser, PP Chris.

And of course, PE Cora started the mood for the entertainment portion singing solo and duet with much gusto together with the guest singer, Richard Villanueva and a renowned world class orchestra.

On January 18, our Global Grant Committee led by PP Gerard had another round of meeting at Abong to discuss and polish the needed additional requirements.

And on Jan 19, Dir and Chair for Peace and Conflict Resolution Committee, together with one of its members, Rtn. Jeff visited the Benguet Provincial Jail for a proposed project and visit to the inmates as the signature project for the said area of focus.

- The 3rd week activities were several team meetings and practice (Meron na ba? } for a very exciting anniversary presentation. And mind boggling membership committee meetings also described our 3rd week.

AS for the quote on my corner on the Jan 5 Canao issue "Thank you is the best prayer that anyone could say." I wish to THANK YOU –

Gov Linda for your initiative in taking care of our Adopted Park, its maintenance, cleaning, nurturing the plants and seeing to it that our trees are healthily growing.

PP Chris and RAPP Maya for your usual warmth hospitality in hosting our club's 4th fire side chat. PP Raffy for conducting the state of the art presentation. Past Presidents Alfred, Chris F, Marlyn, and Veeh, PN

Susan, Directors Vell and Lorena, Rotarians Lily and Jeff for your support and attendance.

Past Presidents Anet, Atom,,Baby, Libby Marilyn,, Chris and Ann RAPP Oyee, PAG Gigi, IPP Arnel, PE Cora, PN Susan, Directors, Vell, Reymund, Ton and Ann Tante, Lorena and Rotakid Josh and Rotarian Jeff for your attendance in the Midyear review.

Past Presidents Diony, Libby, PN Susan, Dir Ton, Reymund, PDG Linda and Rotarian Vanjie for attending the first meeting for our club anniversary, and for your inputs. Indeed all the dynamic teams were well represented by their leaders and or members.

Dir and Membership Committee Chair Glen and its members, Past Presidents Raffy, Libby, Diony and Mia and PDG Linda for deliberating on the membership guidelines and other pertinent issues.

Past Presidents Gerard, Chris F. and Bert for your continuous support to our Global Grant application

Director Vell and Rotarian Jeff for taking the initiative for the preparation of the Peace and Conflict resolution area of focus signature project.

Rotarian Ailyn for a very educational informative Classification Talk;

Birthday Celebrants PP Libby and Rtn Lily for the unlimited ice cream.

Rotarians Edward and Annie, Thank you and welcome to RC Baguio. Enjoy your rotary journey.

PP Libby and our Club Bulletin's lay out artist Youichi, for the very informative weekly Canao.

To my RCBaguio family, and to all whom I was not able to mention, who had your preparations/ meetings for our upcoming projects/ anniversary. Maraming Salamat.

Let us greet our Birthday celebrants PP Mia (Jan 12) Rtn Annie (Jan 14) and Rtn Toni (Jan 20), a very happy birthday. Wishing you all the best. Cheers to a more wonderful years to share your blessings.

Next Saturday, January 28, 2022 we will be having our Vocational Awards with PE Cora at the helm. Let us all support this annual worthwhile project.

It is but fitting that January is busy with meetings and plannings so we can improve how our vocation in life [being humanitarian among other things], alleviate suffering and bring hope to everyone including us.

January is vocational service month. I leave this quote from Aristotle for a thought to ponder on "Where your talents and the needs of the world cross, there lies your vocation."

Have a GREAT weekend everyone.

IN RETROSPECT

PP Gigi Maranan

Past President
Rotary Club of Baguio

7 December 2022

Members started to trickle in as early as 11:30am. First to arrive was PP Libby Fernandez, who came early to avoid the traffic. At exactly 12:30pm, Pres. Ali Morales called the meeting to order but declared the fellowship to continue to wait for other members to arrive. At 1pm, the meeting proceeded starting with the invocation lead by yours truly who was also Program Coordinator for the day.

The Pambansang Awit, Rotary Hymn and 4 Way Test followed. PP Mia Cawed was then called to do the introduction of visiting Rotarians and guests, followed by the entertainment of VP Joe who showed some of his tik tok video clips for which he is quite popular.

The raffle then followed which was done by Rtn. Nancy who gave out Alabanza longanisa as raffle prizes. Members Time then followed. Treas./PP Marilyn announced that statements of account were sent via email to members who have outstanding balances for the second semester. PDG Linda suggested that raffle prizes won have to be given out regardless of whether the winner was present or not. The body said that this was well and good for the weekly raffle but it should not be the case for the big raffles such as those held during the induction or charter anniversary.

Then came the President's Time. First on Pres. Ali's agenda was greeting the birthday celebrants PP Libby and Rtn. Lily who gave ice cream to all as tradition dictated. Also greeted was PN Susan who had her birthday on Christmas day. Pres Ali then announced that the meeting on Jan 14 was cancelled because 20 members were attending the Mid Year Convention on that day in Vigan. He also announced that the Vocational Awards was going to be held during the Jan. 28 meeting. The club declined the hosting of the RYLA on Feb 18 to allow for the preparations for the charter anniversary where 70 Rotarians will be coming from District 3730 to attend the anniversary.

Then came the induction of new Rotarians Annie Viernes and Eduard Ramos, who came with their spouses Wilfredo and Vanessa respectively. PP Lito was tasked to do the charging which he did very well. Pres. Ali then inducted them into the club and PDG Linda did the pinning.

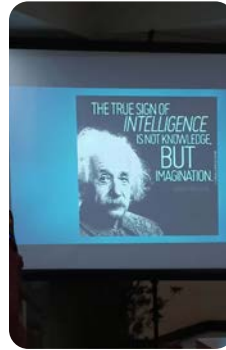

PP Diony then introduced the guest of honor and speaker who was baby Rotarian Ailyn Kindipan who gave her classification talk. Rtn Ailyn described her early years growing up in Angono, Rizal, the artist's capital of the Philippines. She grew up in a strict Catholic community and a very artistic environment. She was surrounded and influenced by adventurous nature lovers. Early on, she learned to appreciate art which she shared with her students during her teaching days. She became a lawyer later in life after marrying a lawyer and raising 3 girls. But, despite her being a lawyer, she is still holding on to her first love, art appreciation. During the open forum, PP Raffy, Member Classification chair then offered to change her classification from law to Education – Art Education.

The singing of the RCB Hymn and the Pilipinas Kong Mahal then followed after which, the meeting was adjourned at 3pm.

R. Gordon R. McNally wants Rotary members to create hope in the world

By Etelka Lehoczky

Rotary International President-elect R. Gordon R. McNally called for members to capture the world's attention and lead the way toward possibilities far beyond our current expectations.

McNally, a member of the Rotary Club of South Queensferry, West Lothian, Scotland, revealed the 2023-24 presidential theme, Create Hope in the World, during the Rotary International Assembly in Orlando, Florida, USA, on 9 January. He urged members to promote peace in troubled nations, help those affected by conflict, and maintain the momentum of initiatives begun by past leaders.

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves," McNally said at Rotary's annual training event for incoming district governors.

McNally spoke about a woman he met in Ban Taling Chan, Thailand, where Rotary members helped build houses, a meeting hall, and childcare and health care facilities following the tsunami that devastated South Asia in late 2004. The woman had lost her husband, her daughter, and her son in the tsunami, as well as her livelihood. But she still had a gift to offer McNally: a beautiful seashell.

"She went on to tell me that Rotary... had restored her optimism. We gave her hope," McNally said.

"This is how Rotary brings lasting change to the world," he added, "one restored or newly created hope at a time."

Promoting peace

A significant way to bring hope to the world is to put a greater emphasis on peace, McNally said. He cited the action Rotary members have taken in the past year to support the people of Ukraine after the invasion by Russia. Rotary has made humanitarian relief a priority, attracting more Ukrainian members in the process. But McNally noted that true relief won't come without peace — not just in Ukraine, but in Yemen, Afghanistan, Syria, and dozens of

other places around the globe.

"Peace is the soil where hope takes root," McNally said.

McNally also emphasized the power of continuity, calling for Rotary members to continue the work of some past leaders. He pledged to maintain the Empowering Girls initiative launched by 2020-21 President Shekhar Mehta and uphold the emphasis on diversity, equity, and inclusion throughout Rotary. He also noted recent events that underscore the importance of Rotary's continuing focus on polio. In the past year, polio cases have emerged in many areas around the world, making it more crucial than ever for Rotary members to lead the fight against the disease.

To do that, McNally said, Rotary must continue to raise at least US\$50 million each year to receive the full 2-to-1 funding match from the Bill & Melinda Gates Foundation. Only about 1 in 12 members currently gives to the polio eradication campaign, with fewer than 1 in 5 clubs donating each year.

McNally asked the district governors-elect for support creating a new sense of urgency in their clubs to help realize Rotary's vision of a polio-free world. "This is the time for us to go beyond what's necessary year to year and make sure we provide every resource necessary to succeed as quickly as possible," he added.

Focusing on mental health

In addition, McNally said, Rotary members should offer hope to those affected by mental health challenges — a crisis exacerbated by the COVID-19 pandemic. Many people have lost family members, many more have found their social networks uprooted, and young people especially have had their educational and developmental paths interrupted. As a result, more people around the world are facing mental health issues. And yet, seeking assistance is often perceived as a sign of weakness.

"Nothing could be further from the truth," McNally said. "Reaching out for help is courageous — and continuing on a path toward wellness is even more so."

He added that Rotary will work to improve mental health services in the next year and beyond. Rotary should be known as an organization that takes care of its members as well as the people it serves, McNally said. "Any mental health professional will tell you that by helping others, we essentially help ourselves."

McNally ended his speech by describing his ideal balance of continuity and innovation. "Rotary helps create the conditions for peace, opportunity, and a future worth living," he said. "By continuing what we do best, by remaining open and willing to change, and by keeping our focus on building peace in the world and within ourselves, Rotary helps create a more peaceful world — a more hopeful world."

Rotary delegates attend Climate Change conference

EIC/PP Libby Fernandez

Editor-in-Chief / Past President
Rotary Club of Baguio

By Judith Diment, Dean, Rotary Representatives Network to the UN and International Agencies

I was delighted to have the chance to lead the Rotary delegation to the United Nations [Convention on Climate Change](#), COP27, in Egypt in November. It's a privilege that came my way as dean of the [Rotary Representative Network](#) to the United Nations and International Agencies. The worldwide climate change conference is held every year by the UN, this year attended by more than 100 country delegations and 1,600 IGOs and NGOs. After 13 days of intense negotiations, the attendees reached some truly consequential agreements. It was a real thrill to see.

Rotary's delegation to the convention also consisted of [President Jennifer Jones](#); Dr. Chris Puttock, co-founder of the [Environmental Sustainability Rotary Action Group](#) (ESRAG); Mohamed Delawar, Rotary's representative to the Arab League; and Keith Madden, the Rotary staff manager for environment. Rotary has had Observer status in the UN since its formation in 1947.

The conference was hosted by the Egyptian Government in Sharm el Sheikh, a city on the southern tip of the Sinai Peninsula. I last visited Sharm el Sheikh in 2006, and I didn't recognize the new conference center, expanded airport, and five-star resort hotels that have sprung up all along the edge of the Red Sea. The town has also been revamped, with a huge new mosque at its center.

Opening ceremony

President Jones attended the opening ceremony on 7 November, one of 30 NGO delegates invited to do so out of 10,000 at the conference. I attended the keynote address by U.S. President Joe Biden on 13 November. Rotary also hosted three gatherings and participated in events for delegates and the public.

The conference concluded with a breakthrough accord on 19 November. Every party present – representing almost 200 nations – signed on to an agreement to provide “loss and damage” funding for vulnerable countries hit hard by climate disasters.

The conference's achievements didn't end there. Against a difficult geopolitical backdrop, the participants reaffirmed their commitment to limiting global temperature rise to 1.5 degrees Celsius above pre-industrial levels. The participants also agreed to ramp up their efforts to cut greenhouse gas emissions and increase their support for

efforts of developing countries to adapt to the inevitable impacts of climate change.

But the creation of the specific “loss and damage” fund was a particularly important achievement, since it was the first time such a measure had been adopted.

As inspiring as those results were, I was almost as excited about what we managed to achieve on behalf of Rotary.

Protecting mangroves and other measures

Working with the Rotarians from Egypt, we highlighted Rotary's mangrove forest restoration projects at two events. The first event, Nature-Based Solutions: Mangroves and Beyond, built on the round-table discussions Rotary held on mangroves at last year's climate conference. This meeting gave us new connections for the mangrove projects as well as ideas for next year's conference, which will be held in the United Arab Emirates.

The second event, Nature-Based Solutions: Egypt included high-level government officials and delegates from NGOs and academia. The Egyptian delegation showed a video outlining a dozen nature-based solutions from clubs around Egypt. Our Rotary delegation presented the mangrove projects, ESRAG and the need to collect data. Reem Abdel Meguid and Jones announced a new Sharm el-Sheikh global grant of more than \$100,000 for a Nabq mangroves project. It really showed how Rotary's “People of Action” can get things done in hours and days!

The evening presidential reception, with Jones as host, was attended by more than 60 delegates, including the governor of South Sinai, representatives from many federal governments, and local dignitaries, along with three Egyptian government ministers: Minister of Culture Nivine Youssef Mohamed Al-Kilany, Minister of Youth Ashraf Sobhy, and Minister for Social Solidarity Nivine El-Kabbag. El-Kabbag announced in her speech that she would have her agency donate \$50,000 to the Nabq mangrove project.

I also attended many other side events and had one-on-one meetings with many civil society leaders and government representatives. I was impressed by the progress since last year's conference, especially with the amount of new research, innovation, and investments made to try and find solutions for climate change.

Learn more about how [Rotary is protecting our environment](#). Is your club involved in a project to protect the environment? Tell us about it in the comments section below.

THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

Rotary Club of Baguio

THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

Service Above Self.
