Rotary Club of Baguio

"This is the day upon which we are reminded of what we are on the other three hundred sixty four." – Mark Twain

Good afternoon fellow members and guests.

Good afternoon fellow members of the Rotary Club of Baguio, family and guests of rotary.

Welcome to this 1st day of April, 2023, the start of the last quarter of our Rotary Year 2022 – 2023.

On RY 2022-2023 calendar, we celebrate Maternal and Child Care Month. However, per RY 2023-2024, it is written that this month is Environment month which we have celebrated in July 2022. Regardless of which theme is being celebrated, let us embrace both this month, as we also welcome our Guest of Honor and Speaker, Mr. Eugene Buyuccan, the head of our City's General Services Office.

As we say thank you to our Dynamic Team Pasikat, with the head turner PP Libby at the helm, for their last month's, last hosting for the RY 2022 – 2023, let us now welcome our Dynamic Team VX squad led by our club's "Venus", Director/ PN Susan, fresh from Malaysia who attended PETS 2023, being our Vice President for the next Rotary Year 2023-2024.

Let me take this opportunity to thank our secretary, Sec./ PP Baby for taking my place as I was preoccupied in our son Jan's attending the ADSI got talent in their school as a finalist. It was good that we still got the chance to attend this very memorable event hosted by our Dynamic Team Pasikat, the celebration of life of our 1st quarter birthday celebrants to include our newly inducted Rotarian, Elaine Lazo-Paredes.

Thank you too PDG Linda for inducting our new Rotarians, Elaine L. Paredes and Arlene Joy K. Sumalag. And to PP Mia for accepting my earlier request for her to do the charging, many thanks. We are so lucky and privileged to have very supportive past presidents in our club. We can readily find one whenever we need any assistance for that matter. That is one thing we can be proud of as a member of this prestigious mother club, our very own Rotary Club of Baguio, in its 85 years of serving our communities, service above self.

Let us all welcome and congratulate our baby Rotarians – Rtn. Elaine Lazo- Paredes and Arlene Kipas – Sumalag, our 50th and 51st member or the 10th and 11th newly inducted Rotarian for this year's term, joining our dynamic teams Pasikat and TeamBRE respectively. We trust you will enjoy your rotary journey as you started it right with us, the Rotary Club of Baguio. Thank you to the both of you for accepting our invitation. Good luck to a great rotary experience.

Allow us to also thank you all for giving our son Jan to perform once again his rendition of Michael Jackson's BEAT IT, and for passing the hat as he was very happy and thankful for your financial gift and appreciation for his performance.

Thank you too to PP Raffy, our Web developer for responding to our club members' request for assistance in accessing our club bulletin – CAÑAO, thru our website's link.

Thank you to our very generous baby Rotarian Ruth for donating the total of USD 1,100.00 to Annual and End Polio Fund amounting to USD 1,000.00 and USD 100.00 respectively.

Congratulations President Elect Cora and President Nominee and Incoming VP, Susan for completing the RY 2023-2024, President's Elect Training Seminar which was recently held and concluded in Malaysia.

Let us once again greet PP Anet, a belated Happy Birthday who celebrated her natal day last March 27, 2023.

We will not be having our regular meeting next week, April 08, 2023, Holy Saturday. Have a Blessed Lenten Season. Our meeting will resume on the 15th of April.

To finish my corner, allow me to quote Ban Ki Moon :

Saving our planet, lifting people out of poverty, advancing economic growth... these are one and the same fight. We must connect the dots between climate change, water scarcity, energy shortages, global health, food security and women's empowerment. Solutions to one problem must be solutions for all.

Have a great weekend ahead.

IN RETROSPECT

Rtn. Modz Bahul

Member
Rotary Club of Baguio

Before 12:00 noon on March 25, 2023, the Wolfson Room of Baguio Country Club saw members of Team Pasikat working together preparing for the Quarterly Celebration of RCB Members' Birthday for the first quarter of 2023. Fellowship began as members came in with their safari attires as it was the theme for the day!

Promptly at 12:30 p.m., PP Chris Peralta, as Program Coordinator, ushered in the start of the meeting. As Pres. Ali momentarily left BCC before the meeting started in order to attend to an important event of his son, somebody quipped: *"Wow ang ganda ni Ali!"* as it was PP/Sec. Baby Kaur, who called the meeting to order then called a brief recess while waiting for more members to arrive.

When the meeting resumed, PP Libby Fernandez, the indefatigable leader of Team Pasikat led the Club in a prayer. It was followed by the singing of Philippine national anthem, the Rotary Hymn – this was done in the traditional joined-hands-in-a-big-circle fashion, and the Four-Way Test!

Introduction of visiting Rotarians and guests was done by the very jolly baby Rtn. Ruth Rillera with some help from PDG Linda Winter. Among the guests present were RAPP Maya Peralta, RAPP Cely Ladilad, RAPP Oyee Faelnar, Gab - a guest of Rtn. Lily Landayan, and Sonny - a guest of PP Veeh Balajo.

Raffle was next with the able directions of Dir. Lorena Cachola, Rtn. Ruth, and PP Libby. Prizes for the day included a foldable plastic stool, sets of drinking glasses, soda and juices in plastic bottles, beers in can, and some food items. Raffle winners were a mix of occasional winners and "regulars"/frequent winners namely: PP Gerard, PP Bert, Pres. Ali, PP Ben, PDG Linda, PP Anet, PP Chris Faelnar, PP Veeh, PP Mia, RAPP Maya, Rtn. Lily, and her guest Gab. Rtn. Ruth and Dir. Lorena cheerfully waived their prizes.

At Members' Time, PP Chris Faelnar announced that he has the invitation letters for those going to South Korea and it will be distributed during the meeting.

For President's Time, PP/Sec. Baby thanked those who joined the fireside chat the day before for the two prospective Club members, who will be inducted later in the meeting. She also thanked PP Chris Peralta and RAPP Maya for always accommodating and hosting the Club's fireside chats. Further, she encouraged more members to join the District Conference on April 21-23, 2023 at Clark, Pampanga.

PP/Sec. Baby next introduced inductees Elaine Paredes and Arlene Joy Sumalag, who were sponsored to the Club by PP Libby and her (PP/Sec. Baby), respectively. PP Mia Cawed did their charging in which she said, among others, that:

"We go through life so focused on career and family, but today, you have come to point where you realize that you must give back to society, to our community."

Xxx

IN RETROSPECT

You have been chosen for membership in the Rotary Club of Baguio because its members believe you to be a leader in your vocation and community. Do not prove them wrong.

Xxx

The community will know and judge Rotary through your example in character and service; and we accept you as a member because we believe the principles and objects of Rotary will be safe in your keeping. Don't prove us wrong.

Xxx

On behalf of the Rotary Club of Baguio and the Rotary International, may I welcome you into our Rotary Wheel – which faces inward for friendship and fellowship and outward in service to our community and to the world.”

PDG Linda inducted baby Rotarians Elaine and Arlene in befitting ceremonies during which they both swore, among others, to “*faithfully discharge to the best of my ability the duties imposed upon me*” and to “*help advance the object and ideals of Rotary, ever putting into practice Rotary’s Motto: Service Above Self*”, before they were welcomed to the Club by the members present.

The quarterly birthday celebration followed during which the celebrants present - baby Rtn. Elaine (January 1), PP Libby (January 3), Rtn. Lily (January 5), Rtn. Ruth (January 8), PP Mia (January 12), Dir. Lorena (February 6), PP Chris Peralta (February 25), and PP Anet (March 27), were presented mini-cakes and some gifts from Team Pasikat. A message to the birthday celebrants was delivered before they made wishes, blew the candles on their fluffy and tasty mini chocolate cakes, and were greeted by everyone in the room. Oh, and yummy ube ice cream was served too!

As fellowship continued, an entertainment presentation was rendered by Team Pasikat playing bamboo musical instruments bought from Malaysia on which they played the songs “*Amazing Grace*” and “*Joyful , Joyful*” with the help of Darwin Policarpio.

There was a take two of President’s Time as Pres. Ali came back to the meeting during the entertainment presentation. He led a *masigabong palakpakan* for Team Pasikat and went on to thank: PP Chris Peralta and RAPP Maya for hosting the Club’s fireside chats; PP Chris Faelnar for a very comprehensive Rotarization during the previous day’s fireside chat; and Rtn. Ruth for her additional donation to the TRF making her a PHF+1. He also encouraged more donations to the TRF, gave some reminders on upcoming activities, and determined by drawing lots the teams that baby Rtns. Elaine and Arlene will join henceforth – Rtn. Elaine to Team Pasikat, and Rtn. Arlene to Team BRE.

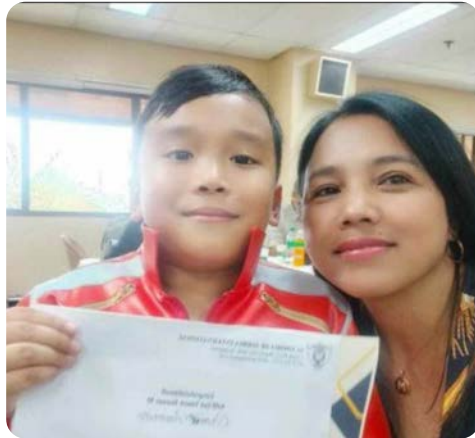

Prompted by popular demand, Pres. Ali’s son John performed his got talent presentation dancing to the tune of Michael Jackson’s “*Beat It*”, which added a lot more fun to the day’s celebration. Aside from cheers and claps of admiration, Rotakid John got an envelope of cash from the happy people in the room, who smiled, laughed, and/or danced with him during his presentation.

And fellowship continued... then the RCB Hymn and *Pilipinas Kong Mahal* were sung before the meeting was adjourned by Pres. Ali at 2:10 p.m. But still fellowship went on... It was another truly happy day in Rotary!

Cleaning RCBaguio adopted park

31 March 2023

RCBaguio Team Pasikat introduces new team members to the cleaning of the Club's adopted by barangay park joined by BRMSC.

Rotary Members in Turkey collect and transport emergency supplies for people impacted by the earthquake, including food and water, toys, heaters, hygienic supplies, and clothing.

By Vesna Baur, Rotary Club of Čačak, Serbia

There are times when events in the world leave you speechless. As I watched the news from Turkey and Syria following the devastating earthquakes there, I found myself in disbelief and despair as, day after day, the number of casualties and missing grew. I have friends who live very close to the epicenter, and I have not heard from them. I hold out hope that I will.

My friendships go back decades to when we were teenagers, living in Paris, and our parents were working in France as expatriates. After our parents decided to return to our countries of origin, we stayed in contact loosely through phone and mail.

Through these infrequent contacts, we discovered we still had a common interest in our business pursuits. In Serbia, we use leftover organic agricultural produce and convert it into energy. In their countries, they grow plantations of almonds and other nuts whose shells have a high caloric value. Their fruit factories represent potential organic waste for converting.

During business trips that also served as reunions, I had the opportunity to stay with families in Malatya, Adiyaman and Gaziantep. In 2018, I lived in their houses and learned about their traditions. My hosts held fruit from their plantations and proudly gave me more than I could carry. Those

same friendly hands prepared and shared food. We ate lunch on the floor, as is the custom in these remote areas, but we had a roof over our heads. I am filled with anxiety wondering if those roofs are still there. I want to believe that the generously sharing hands are still OK, even if the roofs are gone.

Nikola Božić, governor of District 2483 (Serbia & Montenegro), made an appeal to clubs in our district to give to The Rotary Foundation's Disaster Response Fund. Our club is also working with other clubs to create a mobile clinic, and many of us are planning cultural events in the upcoming year to raise money for those affected by the earthquakes.

The Serbian Government has chosen our city of Čačak to be the "First Capital of Culture in Serbia in 2023," and many cultural programs will be sponsored and held here. As an entrepreneur and president of the Association of Business Women, I am helping organize cultural activities for various special days. On one of these days, we will screen a film about Mileva Marić, Albert Einstein's wife and the mother of his two sons. Simultaneously, one of our female artists, Marina Bukvicki, will perform pantomime and paint three large pictures on stage. We will later auction her artworks to benefit earthquake survivors.

In addition, we will hold a symposium for women entrepreneurs on the topics of mental health and empowering girls and women, in collaboration with the Association of Business Women, the Committee for Mental Health, and the Committee for the Empowerment of Girls and Women in District 2483.

The natural disasters in Turkey and Syria leave us numb. I hope to hear from my friends soon. But we, as Rotary members, can all stand in solidarity with these communities as they seek to recover. Please consider how you can contribute to the many relief efforts being organized by Rotary members or clubs, and consider a gift to the Rotary Foundation Disaster Response Fund.

EDITOR-IN-CHIEF PAGE

Preventing drownings is goal of new Rotary club

EIC/PP Libby Fernandez

**Editor-in-Chief / Past President
Rotary Club of Baguio**

Instructors teach a swimming class funded through contributions from Rotary members.

By Eve Fraser, charter president of the Rotary Club of Global Water Safety & Drowning Prevention

Who would have thought a soccer team getting stuck in a cave in remote Thailand would lead to the chartering of a new Rotary club for water safety and drowning prevention? Yet here we are!

In April 2021, the United Nations declared drowning to be the number-one cause of preventable deaths around the world. Africa and Asia were identified as the most affected regions. I had observed over the years swimming teachers delivering lessons to communities in need, struggling with the sheer volume of people who needed to learn to swim and the funding to deliver those programs. I imagined a club where members with the knowledge, skills, and experience worked together to train swimming teachers and help communities deliver sustainable programs.

Charter President Eve Fraser with reused swimwear, caps, goggles, and equipment.

Last year on UN World Drowning Prevention Day, 25 July, we chartered a cause-based Rotary club with a group of passionate aquatic educators and industry leaders who were committed to advancing access to quality swimming lessons. We're focused on bringing minds together in a supportive, collaborative, and collective environment to save lives globally and attract people to Rotary through our results.

Our goal is to ensure that every child can swim before they finish primary school to create generational change. To achieve that, we launched our Swimming Gift project, where we ask Rotary clubs to give US\$650 a year to support swimming lessons for primary school children. If every club around the world supports one school a year, we can teach every child to swim before they finish primary school.

Our club is truly global, as we meet in 17 countries and represent multiple cultures and diverse backgrounds. But for all our differences, our members join for the same reason: to reduce the number of preventable deaths and near drowning events every year.

We build peace and tolerance by sharing our experiences and serving communities through our passion for water safety and drowning prevention. Since we're united by a cause instead of a location, our impact reaches way beyond the four walls of a meeting room. Our collective capacity for change is driven by technology, with more creative ways to raise funds and meet challenges wherever and whenever they present.

We've launched several projects in the six months since we chartered. We've completed two district grant projects, one in Uganda and the other in Thailand. We've formed relationships with Rotary in Australia, where our club chartered, and in every country where our members live.

As all our meetings are held on Zoom, we work with other Rotary clubs around the world so our members can discover the fellowship of Rotary, joining local meetings in their home district. [Learn more about our club on our website.](#)

Gratitude more than regrets

Rtn. Modz Bahul

Member
Rotary Club of Baguio

A message to RCB First Quarter 2023 Birthday Celebrants

Celebrating one's birthday is almost always with mixed emotions. We not only recall the happy years of our youth and our good times with family and friends, but we also remember how the years passed without us being able to fulfill some of our goals and dreams.

But as we celebrate today your birthdays, our dear RCB members – baby Rtn. Elaine (January 1), PP Libby (January 3), Rtn. Lily (January 5), Rtn. Ruth (January 8), PP Mia (January 12), Rtn. Toni (January 20), PP Lani (February 1), Dir. Lorena (February 6), PP Chris Peralta (February 25), VP Joe (March 19) and PP Anet (March 27), may your joys and gratitude to God for His many blessings from your birth to this day prevail over whatever regrets and unfulfilled desires you have over the years.

Everyone's birthday is special, for we are born to this world to experience life as a journey. There are ups and downs, but life is indeed beautiful. You are blessed to have been born, to have touched the lives of many people as a family member, as a friend, even as a mere passing acquaintance, and more so as a Rotarian. As we celebrate your special day, may your heart be filled with joy and thanksgiving for all the experience and memories you had. We wish you all the best in life, and many more happy, healthy, and peaceful years ahead that will allow you to be of more service in Rotary, to bring more joy and fond memories to people around you, to realize the dreams and desires of your hearts that you still want to achieve in your lifetime.

As **John Lennon** aptly said: **"Count your age by friends, not years. Count your smiles, not tears."** And **Wilfred Peterson** is right in saying that: **"Your birthday is the beginning of your personal new year. Your first birthday was a beginning, and each new birthday is a chance to begin again, to start over, to take a new grip on life."**

So thank you, dear fellow Rotarians, for sharing your day with us for this celebration. May God bless you enough... and more, today and always! Cheers to your new years and new beginnings!

THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

Rotary Club of Baguio

THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

Service Above Self.
