*"Give where the need is greatest, When you give to The Rotary Foundation, you fuel our service projects, projects that eradicate polio, promote peace and improve developing communities – **DONATE.**"*
The Rotary Foundation

Good afternoon Fellow members, Family, Friends and Guests of the Rotary Club of Baguio.

Last May 13, 2022 was an engaging educational meeting with 3 brave and smart, youth speakers- Ivan Gajo, Jorina Bohol and Julie Pindug, tagged as the Team Mcd, the team trained by PE Cora. They had a very good presentation on their researches, that were very interesting that almost made the meeting endless. Thank you PE Cora.

Today, may we welcome our Guest of Honor and Speaker, Ms Carmencita Lumiwan – Chaluyen, a Social Worker with the topic, Rehabilitation of Children in Conflict with the Law before Reintegration with their Family and Community.

On May 15 Monday, Gov Ann invited a rotarian, Rtn. Richard Laus from RC Tarlac who is an officer of the Securities and Exchange Commission (SEC) in Tarlac Extension office. During the zoom meeting at 7:00 PM, he explained the importance of the rotary clubs being incorporated. Further discussed the amnesty offered to the delinquent corporations for non filing and late filing of reports. He also presented the penalties imposed and its respective waivers on the amnesty period until the end of June 2023.

On May 17, Wednesday, our club had completed the Basic Education and Literacy's signature project – Project 1's - the giving of smart televisions to our adopted child development centers for them to be at par with the private primary schools as far as having the said facility is concerned and for the learners to be more competitive as well. Present in the said activity are the Barangay Officials of the concerned CDCs, the 11 volunteer teachers, some officers of the OCSWD and the City Library led by Mam Easter Pablo. Thank you PDG Linda, Past Presidents Libby, Lani, Director Lou and Rotarian Elaine for attending this worthwhile project.

The barangay officials and the volunteer teachers expressed on how grateful they are on the initiatives of the Rotary Club of Baguio for the Project 1 activities including their receipt of the Smart TVs wherein they thought that only 1 school will be entitled because Dir Lou committed to donate from her own funds. However, because of you our dear RC Baguio members' generosity and for acceding to my request to increase our TRF annual fund, we were able to get our share from Gov Ann's District Governor's Fund.

Many thanks to everyone for your magnanimity. My persistence of begging and bugging you dear members paid off as we were able to meet Gov Ann's deadline of May 2023 to have at least USD 18,000.00 donation to annual fund. As of May 26, 2023, our total annual fund giving is USD 18,067.00 and total contributions is USD 21,308.00 that includes polio and endowment fund.

PRESIDENT'S MESSAGE

For this past two-weeks annual contributions, many thanks Past Presidents Mia, Libby, Cris P, Director Glen, Rotarians Mods, Ailyn, Annie for annual fund and many thanks too to PP Cy and PP Jun or polio. All of their contributions are already recorded in RI and is now part of the club fundraising analysis.

Let us all pray for the approval of our Global Grant and the release of the funds the soonest so that our Kabayan water project will start, as we Thank and Congratulate our G3 (Global Grant Guru) Past Presidents Gerard, Bert and Chris F for their patience and perseverance.

And on May 20, 2023 was RY 2023 – 2024's District Training Assembly held at the Baguio Crown Legacy Hotel hosted by Cluster 1C, the reason why our own regular meeting was cancelled. Thank you for attending this very important start of the RY 's district assembly- PDG Linda, President Elect Cora, Vice Pres Joe, Director Lou, Incoming Directors Levy & Eric, Rotarian Ruth, and Past Presidents Atom, Libby, Marilyn & Mia.

On the same day, Rotarian Elaine together with the 11 volunteer teachers of our adopted child development centers visited Munting Tahanan ng Nazareth, home for the poor, abandoned, surrendered, handicapped and special children in Dau Pampanga. They made these- our less fortunate brothers and sisters smile, and feel the love as the former were instruments of hope, as they also distributed food items, toys and books donated by them and from some of our colleagues from our own club. Thank you dear teachers, Rtn Elaine, Sandra (Accountant of Le Chef) for your generosity and thoughtfulness.

Last Tuesday, May 23, I joined the meeting together with the Pres and Officers of Baguio Benguet Bankers Association, presided by its President – Monina Jao, The Run Event Coordinators - Ms. Melan Marquez and Atty. Marissa Dacayanan for the finalization of the "Rotary Bankers Run 2023 " which shall be held on June 18, 2023.

On June 24, 2023, our regular meeting will be cancelled, as we have 22 RC Baguio members who will be attending the year end review to be held in Tarlac. Our last Rotary meeting for the rotary year 2022 – 2023 will be on June 30, 2023 at 5:00 PM, a Thanksgiving Celebration for the RY that was. The venue will be announced later.

At this juncture, May we greet PP Alfred and Dir Reymund, a Very Happy Birthday. They celebrated their birthdays on May 16 and 26 respectively. Thank you PP Pareng Alfred for a 2-consecutive week ice cream treat.

Thank you Team Pasikat for inviting me on your breakfast meeting, another venue for me to thank and solicit for the annual and polio fund.

Thank you PDG Linda and other senior citizens for the continuous and almost weekly cleaning and maintenance of our Adopted Park.

Thank you too VP Joe for being our Presiding Officer today on our regular meeting.

Welcome back Rotarian Ruth.

Donating to Rotary means clean water and sanitation. Health and hope in areas that were once ravaged by diseases like polio. Economic development and new opportunities. Your financial help makes all this happen, and more.

The start and ending messages are from the RI's page on TRF, which I find it fitting in this week's my President's corner, as we just achieved our USD 18,000.00 annual goal and I also believe that there are still a lot of generous members who are willing to be Paul Harris Fellows and PHF plus plus plus.

Have a great weekend ahead.

IN RETROSPECT

PE Gigi Maranan

Member
Rotary Club of Baguio

Call to Order was made at precisely 12:30pm by Pres. Ali Morales. This was then followed by the Invocation which was led by PP Bert Talco. The Philippine National Anthem, Rotary Hymn and 4 Way Test was then sung by the members.

The introduction of visiting Rotarians and guests was done by the program coordinator, PP Alfred Laygo, taking the place of Rtn. Ailyn Kindipan who called in sick. Special guests were students of PE Cora Ocampo from the SLU School of Engineering and Architecture.

PP Diony Claridad did a unique Finest Moments by fining each member present on “who you are, who you were and who you will be”. Likewise, Rtn. Arlene Sumalag’s entertainment was just as unique. As it was Youth Service Month and all of the members were “elders”, she asked each member to a one or two-line advice to the youth. My advice was, “don’t strive to be recognized but, rather, strive to be worthy of recognition”. Rtn. Arlene’s advice was, “listen to your elders”.

Rtn. Eduard Ramos, raffle master for the day, presented food from Bulacan and cultured pearls from Palawan for the raffle. At members’ time, PP Chris Faelnar announced that he, together with RCC Chair Reymund Barrios and IPP Arnel Cabanisas was meeting with constituents from Tadiangan with the hopes of forming an RCC there.

During the president’s time, Pres. Ali thanked PP Alfred for the advanced ice cream celebration for his birthday. He also announced the coming activities for the month of June:

June 10 – club assembly; June 17 – club evaluation; June 24 – District Year End Review; June 30 – Club Year End Thanksgiving; July 1 – Rotary New Year Kick-off and Turnover. May 20, 2023 was going to be the turnover of television sets to the adopted day care centers of Project One. The president also thanked the recent PHF donors for contributing to the Foundation bringing us nearer to the club goal of \$18,000.

PE Cora then introduced 3 of her students: Julie Pindug, Jorina Bohol and Ivan Gajo, who presented their projects to the club. The first project was called SALAMINA. This technology boasts of producing glass for laminated glass panels from mine waste in the hopes of minimizing waste produced by small scale mining. The second project was the production of ergonomic 3-way hand carts for use in the transport of goods in the market. And the third project is the production of ergonomic helmet for emergency response. The students presented their project as if they were pitching their products to potential investors. They were knowledgeable of their project in that they were able to answer the questions of the Rotarians admirably.

After PP Mia Cawed gave the response, singing of the RCB Hymn and the Pilipinas Kong Mahal followed. The meeting was adjourned at 3:00pm.

FEATURED EVENTS

Project 1 - Outreach Activity

20 May 2023

RCBaguio Project 1, through leadership of Dir. Lou de Guzman, conducted an outreach activity at Munting Tahanan ng Nazareth, Mabalacat, Pampanga. This is a home for the poor, abandoned, surrendered, handicapped and special children. The group, our very own CDC teachers were accompanied by Rotarian Elaine Paredes. Gifts such as foodstuffs and cash were given to the beneficiaries.

The Rotary Club of Cubao Edsa distributed books, notebooks, and other learning materials as well as hygiene kits to children in Gabaldon, Nueva Ecija. Photo by Maurice Librea

By Maurice Librea, past president of the Rotary Club of Cubao Edsa, Quezon City, Philippines

As a public relations professional, my work involves building and maintaining relationships between organizations and their target audiences. On a personal level, working in public relations has opened my eyes to many beautiful moments. Life truly looks much richer through the lens of public relations.

Recently, I had the opportunity to witness the impact of our service project in the Municipality of Gabaldon, Nueva Ecija. The project provided help for 250 Katutubo (Indigenous) families, including 150 children. It was led by our club president, Shirley Dionisio, and members of the club implemented various aspects of the project in a single day.

The project included a talk on breastfeeding, life skills, and disaster preparedness, as well as basic literacy and education for children. The club distributed books, notebooks, and other learning materials as well as hygiene kits for children. To ensure access to clean water, water pipes were turned over to an Indigenous chieftain.

I was particularly moved by the distribution of food packs to the 250 families, containing four kilograms of rice, canned goods, noodles, and organic coffee. The club also set up a soup kitchen to feed more than 300 people and distributed clothing.

Beyond these tangible benefits, the club provided intangibles that were just as valuable: joy, hope, and inspiration. The smiles on the faces of the Katutubo families, especially the children who received the gifts, were priceless.

Witnessing this project was truly inspiring. It reminded me of the power of Rotary to create a positive impact in our communities. The Rotary Club of Cubao Edsa is using their skills, resources, and networks to create a brighter future for those in need. Behind every successful project, there are people who serve, inspire, and uplift others. I feel blessed to be surrounded by individuals who continually inspire me to do better, and be better, in every aspect of my life.

Find out how to use public relations to increase your community's awareness of your club service projects in [this Learning Center course](#).

EDITOR-IN-CHIEF PAGE

To change the world, start young

EIC/PP Libby Fernandez

Editor-in-Chief / Past President
Rotary Club of Baguio

Since 1962, generations of young people have discovered the power of Service Above Self and — judging from the pages of this magazine over the decades — had some serious fun along the way.

1962

December

An article in the magazine entitled “The blueprint’s ready for Interact” introduces Rotary’s “new youth group,” whose purpose, the article explains, is “to provide opportunity for young men [ages 15 to 18] to work together in a world fellowship dedicated to service and international understanding.” The article goes on to outline the program’s goals, which include developing constructive leadership and personal integrity, and encourage interested Rotary clubs to obtain an Interact Club Organizing Kit. As for the group’s name, Interact — an amalgam of “international” and “action” — was selected from more than 200 suggestions, and “linguists agree, [it] translates clearly in almost every language spoken by Rotarians.”

Encircled by members of their sponsoring club, the members of Rotary’s first Interact club stand in the shape of the letter “I.” The club was certified 5 November 1962. “Even then we knew this was a historic occasion,” recalled member Woody Bowden (front row, left, at the base of the I), the inaugural treasurer of the Interact Club of Melbourne High School in Florida. “We were proud of being the first club of its kind.”

1963

February

In a letter to the magazine, Mississippi Rotarian Frank E. Cotton Jr. writes: “If Interact is as good as it appears,

I wonder if there is any justification for our seriously limiting its potential value by restricting it to young men. The article indicated no principle of Interact which would not apply as well, perhaps better, to clubs of boys and girls.”

November

On its first anniversary, Interact numbers 177 clubs in 24 countries. That includes a club in Thanjavur, India, the first Interact club outside of the United States, with certification two months after the Melbourne club.

1964

September

With “deep satisfaction,” RI President Charles W. Pettengill announces the first Interact Week, a forerunner of World Interact Week. “It is my hope that every Rotary club in the world will take advantage of the unique opportunity,” he says, “... to focus attention on this dynamic youth program.” The same issue reports that, in its most recent meetings, Rotary’s Board of Directors requested district governors “to appoint district Interact advisory committees ... to assist the district governor in publicizing the Interact program, promoting the organization of new Interact clubs, and administering the program of Interact within the district.”

Members of the Interact Club of Ulverston, England’s first Interact club, demonstrate their drive by washing cars, a weekly project whose goal is to raise money for a public swimming pool.

1966

October

Ahead of Interact’s fourth anniversary, RI President Richard L. Evans declares it “a Rotary success.” With some 34,000 members in nearly 1,400 clubs and 51 countries, Interact, he says, “has enlisted the energy of youth in service and in international understanding.”

1968

Rotary’s Board of Directors expands Interact’s horizons.

EDITOR-IN-CHIEF PAGE

To change the world, start young

“Should local circumstances indicate to the sponsoring Rotary club that good cause would be served by the admission of girls, the sponsoring Rotary club is at liberty to use its discretion accordingly. Should the sponsoring club decide on a mixed membership, at least half should be boys.”

1982

October

After 20 years, Interact’s 90,000-plus members serve in 4,100 clubs situated in 78 countries. “Everyone is aware of problems in the world,” says Diane Mezzich, a member of the Interact club at St. Mary’s High School in Manhasset, New York. “It is a good feeling to know that we can do something positive through Interact.”

1987

A group of Interactors gathers in Brazil. As its silver anniversary approaches, Interact numbers about 5,000 clubs in 83 countries.

2002

A youthful 40 years old, Interact now has about 8,600 clubs in 107 countries. For this year’s World Interact Week, those clubs and their Rotary sponsors are asked to give an inspiring presentation about Interact to a Rotary club that does not sponsor an Interact club or conduct a joint Rotary-Interact project to increase awareness of Interact.

2009

The Interact Video Awards are introduced. The grand prize winner is the Interact Club of Communities-in-Schools at the South Carolina Department of Juvenile Justice with a video entitled Giving Back Through Interact. In a surprise, two videos each win first prize: What Interact Means to Us from the Interact Club of Shoumen in Bulgaria and The World We Live In from the Interact Club of Edmonton Centennial, Alberta. In 2020, the video prize becomes a component of the more broadly themed Interact Awards, which also honor photos and essays.

2010

The minimum age for participation in Interact changes

from 14 to 12.

2013

Four Interactors from the United States celebrate Interact’s golden anniversary at the Rotary International Convention in Lisbon, Portugal. They’re at a booth in the House of Friendship that tracks Interact’s history.

2020

Rotary International approves an Interact Advisory Council; it will merge in July 2023 with a reimagined Youth Advisory Council.

Anniela Carracedo, a member of the Rotary Club of Bay St. Louis, Mississippi, and an Interact alumna, exchanges high fives with RI President Jennifer Jones at the International Assembly in January 2023.

2022

For Interact’s 60th anniversary — when it has more than 437,000 members in about 19,000 clubs — RI President Jennifer Jones looks to the past and the future. “For 60 years,” she says, “Interactors have been changing the world. ... This year, I challenge you to Imagine Rotary. Imagine a Rotary where, in the next 60 years, youth voices and youth perspective lead the way.”

Anniela Carracedo, a member of the Rotary Club of Bay St. Louis, Mississippi, and an Interact alumna, exchanges high fives with RI President Jennifer Jones at the International Assembly in January 2023.

This article was adapted from the May 2023 issue of [Rotary](#) magazine.

THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

Rotary Club of Baguio

THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

Service Above Self.

Baguio City, Philippines
