PRESIDENT'S CORNER

When I stand before God at
the end of my life...

Pres. Mike Pearson

Rotary greetings to all my fellow members and guests who have graced our meeting by coming today!

We have just submitted our Governor's Monthly Report for August—when your nose is stuck in the day-to-day routine of trying to accomplish the voluntary work that is "Rotary", summing up what happened the previous month sometimes amazes me.

We had Director Raffy Chan doing his second Toast (a District program this year) and collecting his first Paul Harris Sustaining members through the efforts of PP Alfred (Sec. Gerard Audineau came in as first contributor). PP Veeh, PP Linda and VP Flo helped the International Service goals by attending the Asia Pacific Regional Rotaract Conference in Taipei.

Directors Allan Branzuela and Bert Talco organized a successful medical-dental mission at the Poyopoy Elementary School in Tuba. They had our Rotary Community Corps of Luding do the legwork by coordinating the two local communities and the school officials. I inducted our first Rotaract Club of Saint Louis University-Medicine before the medical mission (thanks to Dir. Allan and PP Chris Peralta). We had the other two proposed Rotaract clubs' officers attend to see what it is we do on these medical-dental missions (University of Baguio dentistry students and the Baguio Central University medical students).

Seven Rotary Anns supported us with their Feeding Program for the children and helped manage the "pharmacy" for the day. We had eleven (!) Rota-Kids attend as well—and they too helped in the pharmacy.

We had twelve Rotarians who managed to find the time to join us: PP Diony Claridad, PP Benny Sunga, PP Chris Peralta (President Maya), Sec. Gerard, Rtn. Joey Bugayong, PE Chris Faelnar (with Yolly and his three kids), Director Raffy Chan (and RAPP Josie, as well as two of their children), Dir. Bert, Pres. Mike (with two of my kids and a friend of theirs); PP Rene brought RAPP Belay, his father-in-law and sister-in-law; Dir. Allan came with Tinty and their son; VP Flo came with Joseph; RAPP Cynch Meadows with her security guard and Joy Sommereux made the trek as well. Our former member Josie Balderas was there along with Christine Olarte to help make the day complete.

Dir. John Santos finalized the Memorandum of Agreement with the University of the Philippines (Baguio) for our support of eight scholars this year—some of this monetary support is from our friends in the Rotary Club of Mougins in France. Further, Dir. John has three women from Luding going back to school doing vocational courses for sewing, which will hopefully help with the livelihood projects we are implementing in Luding.

For Club Service, VP Flo Bayquen got six members to join the President in Urdaneta for the Membership Development seminar. She has PP Rene Ronquillo finalizing the next club fellowship (this month), which should be something to look forward to. The club had four good speakers for August as well. VP Flo is also supporting our Youth Service program while Dir. Pam Perkins is in the States. We hope to induct our Interact club(s) this month after working out the details last month.

A lot of these programs have hours of behind-the-scenes time and effort spent and there are other projects and programs that need work before they come to fruition for the month of September. August accomplishments were reasonable, and I think September will be an even better month from all the planning, email and texts we seem to be doing to support our Directors' efforts!

We are having fun—so hopefully other members in the Club will see this and come join us in our efforts to fulfill the *Service Above Self* motto.

My thought for the day: "When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left, and could say, 'I used everything you gave me.'"—Erma Bombeck (1927-1996) American Journalist, Author, Humorist.

INVOCATION

From RCB Meeting of
03 September 2005

PP Doming Valencia

GHS'S PROFILE

EVANGELINE OZAETA-MARANAN

Dear Lord,
You are our ultimate source of wisdom and truth.
Be with us today in our meeting.
We pray, O Lord, for your ever-loving presence, that we may strive towards the morally best actuations.
Watch over us, O Lord, and lead us all to the right and fruitful decisions.
Watch over us, O Lord, and make us one in our plans and course of actions.
Watch over us, O Lord, and guide us to promote our personal integrity as Rotarians.
Watch over us, O Lord, and move us to work together, in the spirit of peace and mutual trust.
As we begin our meeting, we humbly ask of you, O Lord: May we understand each other and remove from each one of us the spirit of indifference;
May we accept the opinion of others and erase from our minds rush judgments and prejudices;
May we respect the decisions of the majority and eliminate our criticisms and biases;
May we put into action the visions of our club and stop indecisiveness and petty squabbings.
Today, O Lord, we pray to You, to sit down with us in our fellowship and discussions.
Touch our hearts so that we may speak kind words towards one another;
Think wisely and constructively for the good of others;
Address positively our problems and to always test the solutions we offer, if these are not in conflict with Rotary's Four-Way Test.
So, Dear Lord, as we open our meeting, We beg you to stay,
To stand by us, And sit with us.
All of this we pray in your name. Amen.

Better known as Gigi, she has been married to Napoleon B. Maranan for 23 years. They have 3 children: one girl—now 22, and two boys—now 19 and 16 years of age. She finished her High School in 1973 at the College of the Holy Spirit. She graduated in B.S. Secretarial at St. Paul's College, Quezon City in 1975; B.S. Management at UST in 1977; and BS Biology at UE in 1979. She moved to Baguio soon after and graduated in SLU in 1983 with a Medical Degree. She did not take her internship and the medical board but decided to raise family instead.

After 9 years of staying home and raising a family, she decided to venture into business. In 1992 she opened a music studio offering piano, guitar, and voice lessons. In 1995 Gigi opened the first angel shop in Baguio, *Wings 'N Things* at the Nevada Square. The business thrived for five years but she eventually decided to call it quits.

After being idle for a year, she was ready for work again. She accepted the offer of her friend, Cynthia Tabora-Tuason, to put up *Heaven's Touch Planners & Coordinators* in 2002. She has been coordinating events, specializing in weddings, since then.

Feeling the need for a string quartet in her line of business, she put together the *Las Cuerdas Strings*, a group of four talented boys who play the violin, cello and classical guitar. To this day, aside from managing this group, she also manages the *Baguio Music Ensemble*, the *On-Q Semi-Acoustic Band*, and several other musical talents in Baguio.

Gigi has discovered a talent for hosting, a service her company offers to their clients. She has also developed the knack for scriptwriting, a much needed tool for their events. Her gift for essay writing is also put to good use in her line of work whenever the need for printed materials arises. At the age of 49, Gigi has finally found her passion... events planning and coordination.

FEATURE

NOAH'S ARK

Everything I need to know about life, I learned from Noah's Ark... One: Don't miss the boat. Two: Remember that we are all in the same boat. Three: Plan ahead. It wasn't raining when Noah built the Ark. Four: Stay fit. When you're 600 years old, someone may ask you to do something really big. Five: Don't listen to critics; just get on with the job that needs to be done. Six: Build your future on high ground. Seven: For safety's sake, travel in pairs. Eight: Speed isn't always an advantage. The snails were on board with the cheetahs. Nine: When you're stressed, float a while. Ten: Remember, the Ark was built by amateurs; the Titanic by professionals. Eleven: No matter the storm, when you are with God, there's always a rainbow waiting.

NOW, wasn't that nice? Pass this along and make someone else smile, too.

IN RETROSPECT

The Meeting That Was 03 September 2005

Rtn. Ike Dulnoan

It is not the one-night show-off on pomposity that gives prestige to a club but the constant adherence to protocol in its regular activities. Proper protocol was displayed last meeting by Director Raffy Chan who filled-in for Rotarian Joe Ramos as Program Coordinator by (as he termed it) Divine Providence. It has been a long while since this was followed. Although he almost commanded the President to call the meeting to order, he was able to twist his grammar such that one can say he was still within the province of proper protocol, being the articulate Editor-in-Chief that he is.

The meeting of 03 September 2005 was called to order by Pres. Mike Pearson at exactly 12:30 in the afternoon. Past President Doming Valencia invoked the Lord to watch over us and lead us to work towards the morally best conclusions. The invocation so overwhelmed and moved Rtn. Jody Alabanza that he requested, during the Members' Time, that it be printed in this issue (*and so it is! See page 3- Ed.*). Everyone sang the Pambansang Awit, and the Rotary Hymn led by PP Doming.

To entertain the members and guests, Dir. John Santos cracked some jokes and solicited the help of Raymond Condes (an RCB scholar) to sing "Home". PP Lito Pangilinan also sang "Maalaala Mo Kaya".

Secretary Gerard Adineau introduced those at the head table and the visiting Rotarians and guests. Among those introduced were the five RCB scholars from U.P.: Raymond Condes, Nasser Dugasan, Felix Janil Jr., Angely Lubo, and Jeffrey Soriano.

Ably handled by PP Diony Claridad, the "Finest Moments" was so entertaining with PP Diony's puns and ad libs that the members never felt the pinch as cash flowed from their pockets accumulating to a sum of ₱1,310.00.

During "Member's Time" Rtn. Andre Sommereux thanked those who visited him and made him forget his illness when he was hospitalized; among whom were PP Caloy Mendoza, PE Chris Faelnar, PP Teop Rondez, Dir. Alan Branzuela, Rtn. Uwe Koeller, PP Alfred Laygo, PP Lito, Pres. Mike, Sec. Gerard, and Dir. John.

Pres. Mike during "President's Time", acknowledged and thanked the Sunshine Committee for doing their job cheering up Rtn. Andre during his illness. He also took the opportunity to make a few announcements.

PP Benny Sunga introduced PDG Jesse Cano Chua, the Guest of Honor and Speaker. He proved his photographic memory by recalling what PDG Jesse once said in one of his speeches that "the importance of the Induction of Officers as an activity cannot be over-emphasized, unfortunately some clubs have this as their only activity." This boosts the earlier statement about club prestige. PP Benny also recalled PDG Jesse's battle cry "Minsan lang ito."

The Guest of Honor and Speaker talked about how to make Rotary attractive to the youth through the Student and Youth Programs. He emphasized this by saying that no success in business can compensate for failure at home. Stated otherwise, no amount of Rotary success can compensate for the failure to serve specially the youth.

Open forum ensued and PP Lito responded by thanking the Guest of Honor and Speaker for taking time to spend the afternoon with and speak before us. A plaque was then handed by Pres. Mike.

The "Pilipinas Kong Mahal" was sung by the body, and the meeting was adjourned by Pres. Mike.

Join me in reminiscing the fellowship we had with some Rotary friends who are no longer with us—either having moved on unto the next life or otherwise left the club.

What good times we shared...

Tatay Ding's birthday bashes were always Rotary fellowships. Here with Roger, the Chans and Peraltas.

We start our trek back to civilization from a Dalupirip sortie with Helen Panglao (former Raffle Queen).

Remember former Rotarians Libby Fernandez and Ernie Orduña? Both are now based in the U.S.

Our PMA Tree Planting sortie was preceded by fellowship with Jurgen Meyer and others.

ROTARY INFORMATION

NEW GENERATIONS MONTH

September is New Generations Month in the annual calendar of programs of the Rotary International.

The Rotary International District 3820, our officers, Directors, chairpersons, club presidents, club officers and members of Rotary Clubs would like to remind everyone in the know of the workings of Rotary in general that the month of September is always dedicated to the concerns of our youth not only in our respective clubs and district but also in our community, our country and the entire world. Our activities inculcate in us the responsibility of caring for the physical and mental health and opening the minds of our children into the cognition and concern of the community they are living and of which they are a part.

During this month almost all activities of Rotary international through its rotary clubs are centered on projects and activities that enhance the importance of development of our future leaders, their minds and their health. Because of this RI through its organizational leaders and think tanks came up with activities like the Youth exchange program YEP, the Rotaract, the Interact, Rotary Youth Leadership Awards (RYLA) and the Rotary Foundation programs Polio-plus and the educational programs in the form of Ambassadorial and Peace Scholarships. Our youth can consider these Rotary activities as indispensable opportunities to discover wisdom and education where they can channel their excess energies and transform their acts into meaningful projects that will serve themselves and their respective communities.

The Rotary International, however, reassures everyone that these organizations and activities of young high school and college students, including the out-of-school youth are not better substitute for the better role of the parents, teachers, the family and the classroom in the learning process of their children. These organizations are rotary vehicles and utilities to serve as tools and implements in the playing field where the young individual discover themselves, their potentials to do good and open themselves up to the realities of the world. These Rotary programs on the youth are organized activities fully endorsed and supported by Rotary International. It involves activities where the young could apply and Serve under strict supervision of the Rotarians: the values and traits that their parents, their mentors in their respective school have imparted to them in their learning process for their own personal growth and the improvement of the communities they live in, the care of the environment they live in and for the development and preparation of each one of them for the challenges that lay ahead of them.

Rotary is their laboratory of fun and service. This is Rotary International's commitment to the youth of the world and one of its thrusts is to address problems that continuously hound our young children: drug abuse, alcohol, vices, pornography, etc. The concern also include the enhancement of their personalities and training them early to be leaders, wary of the concerns of their parents, their government and its leaders, environment and the community as we urge them to dwell in fellowship and camaraderie among one another.

This basically is Rotary International New Generations concerns for the month of September. From the Rotary World July 2005 Issue what better encouragement can we get than what RI President Carl Wilhelm Stennhammar has to say and I quote: "We must try to enhance all our youth programs because our future is in the hands of the next generation."
