PRESIDENT'S CORNER

Service Above Self

Pres. Mike Pearson

Today is in a sense, a unique day that happens only once a year. We have both the sunset of one Rotary year and the sunrise of the next Rotary year. I will call our meeting to order today and IP Gerard will adjourn our meeting, signaling the beginning of a new year with a new Rotary Club of Baguio leadership team destined to *Lead the Way*. My last day as the "sitting President."

In 2005-06, we undertook to change some things, big and small, and I hope my Board, the officers of the Club and the rest of our membership feel a sense of accomplishment as we close the year. I was fortunate to have so many members willing to help achieve all our Club goals and objectives. Time flies faster when things are going well and the more hands that helped made the tasks and activities easier, the fellowship stronger between Club members.

There are several "benchmarks" for the success of each Rotary year. One would be the District Awards at the end of the year, where we can see what the other Rotary Clubs accomplished versus what we had been able to do. Another would be to understand whether what we agreed to do at the beginning of the year was indeed successful. The fellowship within the Club is also a benchmark – our meetings must be well planned, have interesting speakers and if every member learns something new each week, then we have the enthusiasm needed to spill over into our other Club activities.

Further to dissecting each Rotary year, one must also look at how many members of the Club chose to get involved with various facets of Club meetings, Club activities, or in some other way helped the Club's leadership to successfully carry out the agreed-to goals and objectives at the beginning of the year. We will get a perspective on this as PP Johnny Zarate and Rotarian John Cunanan review the past year from their points of view today.

However, the time for looking back has come and gone. From today onwards, all of us must now look ahead, inventory our Club resources and be ready to serve with the same vigor that had been a part of the 2005-06 term. We have new challenges to face and new leaders to follow. As I vacate my position, I have full confidence in those coming in to take over the management of our Club.

We have an incoming Board filled with new faces and they will bring with them an enthusiasm to fulfill their roles, perhaps even unique ways in which to accomplish our various Club goals and objectives. There is a commitment of time and effort; ours must be one of support and guidance. Change is an inevitable thing with every Club – and change is good – it brings in new ideas, new leaders and new expectations. This is the Rotary wheel, constantly moving forward.

As with every Rotary year, there will be the call to help them succeed with what it is our leaders set out to do. As with every year, we (the club membership) must recommit to *Service Above Self*. The maxim that "every Rotarian is busy" IS true, however, hopefully our desire to serve will find all of us with time to share in helping the less fortunate in our community. After all, this is why we joined Rotary in the first place.

IN RETROSPECT

The Meeting That Was 17 June 2006

PP Veeh Balajo

After realizing that the meeting for the day was NOT at the Benguet Room, but in the Training Center, I rushed upwards, but was taken aback by the domineering voice of the Program Coordinator, PP Benny Sunga, who has started calling on the program participants to occupy their seats at the head table, at 12:25 PM.

“Incoming PP” Mike Pearson “submissively” called the meeting to order at exactly 12:30 PM, then PP Benny called on BM / ID Emil Dayrit, who came just in time to lead us with a touching, humbling and “heart-penetrating” Invocation. The singing of the Pambansang Awit & Rotary Hymn followed, with some singing their heart out and the others lip-singing, while a few continued eating. We had a lively Entertainment, with the “Face of Entertainment” himself (according to PP Benny), PP Alfred Laygo. He gave us few “deep” jokes, comprehended only by a few. He summoned PP Diony forward, who obligingly shared a joke too, before singing “I’ve Got You Under my Skin”. PP Alfred surprised us all by rendering the all-time favorite song of outgoing Presidents, “My (Mike’s) Way.”

“Entertainment Part II” followed with Rtn. Joe “Joke” Ramos sharing a joke before introducing the “VIP’s” at the head table and the guests of Rtn. Faith Runas.

For the nth time, there was no Finest Moments (Pres. Mike seems very complacent with our financial status, thus no need for additional funds).

The Raffle Queen for the day was charming Rtn. Faith Runas, who gave away 3 minor prizes to Rtn. Joe Ramos, IT John Cunanan & PP Angeling Palma. The major prizes were garnered by Pres. Mike Pearson, Aud. Rolly de Guzman & IS / ID Ben Ladilad. Congratulations, guys !

Members’ Time was opportune time for IP Gerard Audineau to announce the induction dates of some clubs in the district, inviting interested members to join him in attending. He likewise announced the meeting of the RCB Induction Committee immediately after adjournment. Likewise, Treas./Dir. Allan Branzuela made his last plea for respective members to pay their “long-overdue” dues. PP Veeh Balajo proposed a toast for all the Fathers & Grandfathers in the club a “Happy Father’s Day.”

President’s time was spent giving awards to the following :

Most Outstanding Rotarian Award

IP Gerard Audineau

After the awarding ceremonies & picture-taking, Pres. Mike shared his inner thoughts, realizations, sentiments, concerns, appreciations, etc., the way he always did, in a “homily-like” manner.

The “Carlos 1” must have been a major factor in setting the mood and tone of today’s meeting.

After the chanting of “Pilipinas Kong Mahal”, Pres. Mike banged the gavel to adjourn the meeting, in his capacity as RCB President, for the last time.

To our President & Board of Directors, Congratulations for a job superbly done ! God bless the Rotary Club of Baguio !

YEAR-END RETROSPECT ONE

We Had a Good Year

PP Johnny Zarate

It's again another Rotary Club of Baguio year-end and as we look back into the 12 months just passed, we're in 'chin-up' mode because it has been another fruitful RCB year. To us, our club has always been "the Rotary Club" that one would be proud to be a member of. This is because of the composition of our membership and of the way our club has always been administered for many years now. This is quite obvious in the way we conduct our meetings and in the projects that we have accomplished year to year. Yes, comparisons are odious but we've attended other Rotary club meetings and affairs within Baguio, out of town in the district, in other districts, and even in different countries, and we've felt the difference—there's no way but to feel proud that we are members of our Rotary Club of Baguio.

Every Saturday noon, our RCB has always met on time. And our meetings had to be extended many a time because of interesting speakers, the open forum after the speeches, as well as our good fellowship—which is always. More often than not, members stay on "up to the *Pilipinas Kong Mahal*". Thank you to busy and efficient Club Service Director Flo Bayquen for our good and very interesting meetings every Saturday. And even when we met by ourselves in a club assembly, our meetings have always been lively.

Every week, our *Cañao* for the day is and has always been available with well thought of and written articles by our members as well as with good literary pieces chosen by our *Cañao* Editor-In-Chief, President-Elect Raffy Chan. Yes, special recognition and appreciation goes to him for his enthusiasm and commitment as our *Cañao* EIC—for a job well done, each and every week without fail. For this is no easy task. Setting aside work, he has to devote a lot of his time, effort, and "know how" to come out with an interesting, well-balanced, and an informative *Cañao* every Saturday, and for it to be there before the club meeting starts. One can access it 'colored' in one's computer. The *Cañao* articles are always meticulously prepared and well presented. This reflects the personality of Rotarian PE Raffy; he is obviously a perfectionist.

And our RCB Board of Directors, headed by President Mike, has done a good job of handling affairs of the club. We have always been well represented in out-of-town sorties in Rotary Clubs in our district. Indeed, we received several recognition awards from District Governor Gerpy Erguiza of our RI District 3790. In individual club assignments, when a member faltered, President Mike immediately took over or assigned someone, and he saw to it that all needed tasks are accomplished without most or all of the members even being aware of it. This is very, very seldom, however, because of our quality membership, each member always accomplishes his assigned task. On the whole, all members should be congratulated for a very good RCB 2005-06 year. Congratulations to President Mike Pearson, to our Board of Directors, and to our different committee chairmen, and to the RCB membership. Due recognition and appreciation of some club members for a job well done was made by President Mike in our regular meeting of last week.

Looking back, even before they took over, President Mike and our Board of Directors made plans to embark on a fruitful RCB 2005-06 Rotary Year. And this begs the question -how was I as an RCB member in the year just passed? Did I participate in club affairs? Was I assigned a task in any of the committees? Was I able to accomplish my assigned task? Do I now feel fulfilled? And when asked to do a part of the weekly program, did I say, 'sure' or next time *na lang ako*? As we all know, a Rotary Club is a conglomeration of busy men and women in different fields of endeavor. Our own RCB consists of the young, the not so young anymore, and a few senior citizens. As active members, each one did keep pace with the goals set by the President Mike and the members of the board. Both the young and the middle-aged as well as the elderly members did ask during the year where they could be of help to accomplish the goals set by the Board of Directors for the year. This is a thought we should ponder on for the coming year—we should aspire to be always involved in club affairs. We should sincerely feel that 'we belong' and be proud that we are Rotary Club Baguio members.

As RCB RY 2005-06 ends, there is the next Rotary Year with IP Gerard Audineau at the helm to look forward to. Many opportunities will come our way to be of service to the community as well as to each other. And to feel that 'we belong' we should volunteer to get involved in whatever way we can really get involved in club affairs! And if we sincerely think that we did, only then can we rightly feel that we belong- to the Rotary Club of Baguio.

YEAR-END RETROSPECT TWO

A Man of Two Seasons

Rtn. John Cunanan

“A man of two seasons” was a description given by Rtn. Joe Ramos to President Mike during our last week’s meeting, I hope Rtn. Joe would not mind if I borrow that phrase to encapsulate my perspective about President Mike’s term.

The *first season* represents the impact made for RY 2005-06.

I am turning one year old as a Rotarian this coming August. If you can recall, I started attending our club on the 2nd month of Pres. Mike’s Presidency and for the past eleven months, I can say that I have gained valuable experiences that broaden my perspective of life. President Mike was there when I started in Rotary. A simple handshake greeting with a sincere welcoming smile made a big difference.

The Luding Project was always the highlight of President Mike’s agenda, casting the vision to all members about this small Barangay composed of about 140 residents (from 30 families) and the role of our club in shaping the lives of these people. Through President Mike’s leadership and the participation of many of our members, the club organized Rotary Community Corps of Luding, accomplished medical missions, with the Rotary Anns the club renovated and inaugurated a Day Care Center for the children of Luding, trained Day Care Center Teachers, sewers and taught basic electrical maintenance skills to some of its residents. Other important projects include the RCC Luding Micro Credit Facility, Soil Testing, Composting Seminar, Road works, paintings and many more. Imagine the hard work and the impact it created. I was not able to participate in any of those projects, but there is no doubt in my mind that many lives have been changed for the better.

The term of President Mike with his Directors and Officers accomplished a lot. One cannot deny that their actions speak louder than a thousand words. They are the kind of leaders that understand the costs, they continue with the work even if their deeds weren’t noticed. Their commitment is solid and loyalty undoubted. The term of President Mike laid the solid foundation on which future leadership can build upon. They have sown many good seeds that future generations will reap bountiful harvests.

The *second season* represents the next generation of our club.

President Mike as always encourages all members to “get involved” and I quote from one of his favorite lines “*Now is the time to get more involved. We seem to be having fun, while getting the work done. Rotary is voluntary. Make the most of the experience by getting yourself ‘voluntarily’ involved.*” You see, a character of a good leader always leaves the door wide open for participation. I can still remember when after one of our Saturday meetings, Pres. Mike talked to me and Rtn. Christine Olarte and discussed with us two club projects: 1. The Book Drive Project. 2. The Rotary Scholars. I willingly took the Rotary Scholars and the rest is history.

I have grasped the heart and mind of President Mike for our club. I mean, he is our leader, our captain, our coach, he is our ground commander who led us in the battle field – he’s at the forefront not at the back of the infantry, how can you miss the trail? For a young Rotarian like me, his deeds created a very good impression.

President Mike raised the bar high on Rotary Leadership. He established a very good example for future leaders to follow. He made a difference. Lives were changed. Battles won. A legacy has been made. The next generation of our club will benefit from what this term had done. Truly, they have lived the principles of *Service Above Self*. The awards our club received from RI and from the District are fruits of diligent work done by President Mike, his Directors, Officers and our members. Now, as President Mike passes on the baton of leadership to Incoming President Gerard, let us show him our sincere appreciation for his contributions to our club, though many times he makes “*kulit*” to us...President Mike, thank you for the work you have done. You did a very good job and we salute you. You are *a man of two seasons* – you made a difference on your term and made an impact towards the next generation.

WHY I AM A ROTARIAN

Clifford L. Dochterman

*President
Rotary International, 1992-93
Member of the Rotary Club of
Moraga, California, U.S.A.*

In a single word, Rotary means “opportunities.” Through Rotary membership, you can discover dozens of opportunities to enhance your life and enrich the lives of family and friends. There may be opportunities to establish close friendships with individuals around the world whom you would never have met, except through the magic of Rotary. There are opportunities to share with many others a common belief and philosophy of service, without any thought of personal return.

There are opportunities to work side-by-side with other community leaders whom we highly respect. There are opportunities to stretch your horizons by listening to interesting programs and enjoying the good times at the weekly meetings. There are opportunities to represent your profession and demonstrate how high ethical standards are a vital part of your day-to-day occupation.

There are opportunities to travel into virtually every land and find an open door and a cordial welcome to a totally new world of Rotary fellowship. There are opportunities to make your small part in the world really count through the achievements of the great and noble activities of Rotary’s programs of service. There are opportunities to touch the lives of thousands of people whom you will never know, except through the rewarding glow of satisfaction which comes from knowing that some-where, someone needed your help, and you took the time to do something. There are opportunities to join in the search for world peace and goodwill through the dynamic work of The Rotary Foundation.

And finally, all of these opportunities add up to one conclusion: Rotary helps you become a better person and makes the quality of your own life just a little richer and more meaningful. What a wonderful experience it is to have all of these opportunities knocking at your door—just because you are a Rotarian.

THE RCB CAÑO & LOGO

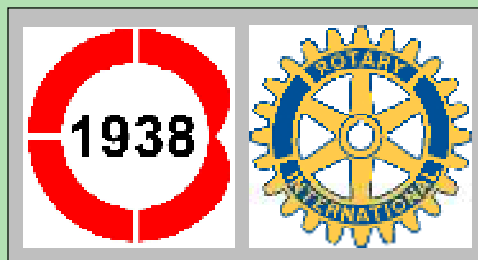

THE CAÑO A Celebration of Service

Our Official Club Bulletin has been called The Caño. “Caño” (*pronounced as kan-yau*) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Caño emblem (above) which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club’s members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of “A Celebration of Service.”

ROTARY CLUB OF BAGUIO

**Club No. 16863 District 3790
Republic of the Philippines**

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B. This is symbolic of the club’s straightforwardness. Over-all cardioid/heart shape connotes that our members serve from the heart. The four basic elements (four quadrants) are symbolic of Rotary’s Four-Way Test and the members’ commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing Service.
