NOVEMBER IS ROTARY FOUNDATION MONTH

PRESIDENT'S CORNER

**Crescit amor nummi,
quantum ipsa pecunia crevi.**

Pres. Raffy Chan

Sec. Uwe Koeller will preside our RCB meeting today. I trust that he will make a good OIC president as we reconcile with our Rotary initiative (under the CLP) to train our future club leaders.

Your president will be away today to join The Rotary Foundation Seminar in Balanga, Bataan. I have lost count as to how many times I have joined such a TRF District Seminar but remain hopeful that this trip will yield for us many happy returns—specifically in the interest of our RCB.

During this month of The Rotary Foundation, it is important for us to think as dedicated Rotarians and reconcile with our TRF givings. I am talking about each and everyone's participation to the Paul Harris Fellowship—as sustaining members onwards to full Fellowship. In the club, we can participate by supporting our club initiatives and buying two or three tickets to the PHF Raffle. My suggestion is for all our Rotarians to give/buy (as they say) “until it hurts.”

Thank you to Manong Doming. But your president's option is to “stay” on our Invocation-Reflection. This is because we deem it far better to listen to a prepared PowerPoint Presentation and song—full of intent and meaning; rather than (very often) contend with someone reciting a litany of intentions which always redound to one and the same/typical enumeration. Often it becomes agonizing to last until the end of the “religious incantation”—which is actually the most basic no-no on the matter of good and real invocations. I trust that everyone will respect the option made. Besides, we do have a respite from the Invocation-Reflection agenda every last Saturday of each month (Family Day) when a full Invocation is opted for; and when your president is away—as in the case of the meeting today. Let PN Bert reconsider his options when he assumes the presidency next year.

While we are at it, allow me to explain my “take” on the *Pilipinas Kong Mahal* and why the “supposedly correct” final lyric of “hirang” is not opted for. The MP3 we use is actually a recording from the Mabuhay Singers (given as Asin on the Internet-retrieved file, but this is probably incorrect) who sing the whole song three (3) times on the original recording we obtained. I have opted to digitally splice (hinting at how much work was put in) the very last sequence of the whole song; and noted that the idealized lyric of “hirang” was not really there. Not in the first, nor the second, nor the third singing by the Mabuhay Singers; each of the three repetitions of the song (in the version used) always ends with “mahal”.

But what is wrong if we end with “mahal” and not with “hirang”? Singers do exercise “poetic license” (because songs are actually sung poems...) and have been known to change song lyrics with great abandon! Why make an issue with the “hirang”? Isn't “mahal” as strong a word as “hirang”? It is unfair to constantly comment and claim that “my” version is wrong because words in songs are never sacrosanct.

As I reconcile with all these, I actually say “thank you” to my detractor/s. They expect me/us to be perfect in everything—up to the last words on the *Pilipinas Kong Mahal*. But I say: let us not be too exacting and find fault with what we have. Let us instead sing the song properly in tune and with feeling!

Our Latin quotation for this week—*Crescit amor nummi, quantum ipsa pecunia crevi*, is from Juvenalis. It literally means: The love of wealth grows as the wealth itself grew. There is unquestionable truth to this axiom. Because man is an insatiable being, his thirst for material wealth is often unquenchable. To me, there is nothing inherently bad with seeking wealth. But what one does with his wealth will be the final matter. Suggestion: if you are a super-wealthy Rotarian—why not donate some of your extra cash to the TRF?

RCB-TOYA GUIDELINES

Rotary Club of Baguio's - Ten Outstanding Young Athletes

RATIONALE

To serve as an inspiration to the city as a whole and the sports community in particular by way of giving recognition to outstanding young athletes in the City of Baguio who have excelled in their respective sports/discipline—by giving honor and pride to their families, city and community.

CRITERIA

Nominees must possess the following:

1. Baguio-based athletes, with residence in the city or studying in any school, private or public, located in the City of Baguio.
2. Duly recommended or nominated by the president or officer-in-charge of his/her respective sports club or association.
3. Accomplishments or records (i.e. results of competitions-local and international) shall be based on the current year only—with certifications, photos, and news clippings as proof of record.
4. At least 24 years old or below, studying or out-of-school.

The foremost criterion will be on who performed well during the current year; id est- a silver medalist in any international competition beats a gold medalist in a local event.

GUIDELINES

A special TOYA SubCommittee shall be formed by the Rotary Club of Baguio to review the qualifications of the awardees: composed of the RCB president and two other RCB Rotarians. Mr. Jogin Rey Tamayo, RCB ally and acknowledged Baguio sportswriter, will serve as the overall adviser of this RCB SubCommittee. Jogin is tasked to spearhead the solicitation and acceptance of nominee records, pre-qualification, and submittal of a semi-final list of awardees and alternates. The RCB TOYA SubCommittee has the final say as to who will become the final awardees as TOYA. From among the ten awardees, the TOYA SubCommittee shall also vote for the Most Outstanding Athlete of the Year.

The search for the RCB-TOYA shall be held from September to November of the current year. A total of ten (10) athletes shall be chosen as the awardees; each winner shall receive a special Plaque of Recognition. The Most Outstanding Athlete of the Year will receive another plaque plus cash component.

AWARDING

This is set on the second Saturday of December (each year); this being a special and formal recognition occasion for the outstanding athletes. The awards luncheon shall be co-sponsored by the Baguio Country Club and the Rotarians of the RCB.

IN RETROSPECT

The Meeting That Was 10 November 07

Rtn. Herb Hayes

The meeting of last 10 November 07 was loaded with plenty of excitement, surprises and invigoration for all!

President Raffy promptly called the meeting to order at 12:30 PM. The invocation was by way of PowerPoint and sung along by all. Then our very popular circle was formed and everyone sang the Rotary Hymn by holding hands together.

Entertainment this time consisted of joke telling by anyone who wanted to contribute—and so they did—one by one!

Rotarian Herb Hayes introduced all the personalities at the head table, plus a host of visitors for that day, and Rotarian Ladilad conducted the Finest Moment which was pleasant enough and satisfactory to all.

Then the Raffle Draw, which is always surprising and a big disappointing (mixed emotions), because some win and some don't—but still brought a lot of fun and laughs, while at the same time generating some extra cash for the club.

Members' Time yielded several important sections of information on current and future events to keep the club properly informed. A growing and worthy concern in our club now is to recruit "new" members. All were encouraged to work hard at bringing visitors to our meetings as often as we can. In this regard, a great highlight for the day was the induction of a brand new member, one Miss Maritess "Tess" Rueda, who was the recruit of PP Diony Claridad. She has been attending the meetings for several weeks now. The charging was conducted by PP Veeh Vallejo and the oath-taking ceremony was conducted by pres. Raffy Chan as the inducting officer. It was an exciting time of challenge for all the members.

The Guest of Honor and Speaker for the day was a highly educated profile leader for world leaders and high-ranking diplomat—a Mr. Michel Schwarz. His speech was a bit lengthy, but interesting, challenging and somewhat controversial.

President Raffy requested an extension of the meeting time—especially for the Open Forum. It was during this time when even some of our visiting Rotarians and guests, as well as a host of our members had a lot of questions and comments. Nevertheless, as I say, it was definitely informative, conducted in an orderly fashion, and an overall interesting meeting, I'm sure, for all who attended.

PN Bert Talco delivered a brief but thorough Response and expressed gratitude on behalf of the Club for a very informative talk.

Then we all stood and sang together the "Pilipinas Kong Mahal" before President Raffy banged the gavel and signalled the end of another lively and fruitful day of Rotary.

EVENT SYNOPSIS

Held immediately after our November Board Meeting, our First Fireside Chat for RY 2007-08 was with a dozen RCB members and four Rotary Anns in attendance. Two guests from RC Tomas Morato were also present.

The Chinese food for the evening went well with the predominantly red-colored slides of the PowerPoint Presentation used— as we Rotarized our incoming member Maritess “Tess” Rueda.

The Rotarization proper was given in five segments: Rotary History, RCB History, Guiding Principles, Club Leadership Plan, and International Programs. Rotary Education chair PP Mike alternated with Pres. Raffy to complete the said presentations.

IPP Gerard had the honor of saying the Thanksgiving Prayer in his native tongue; with English translation.

“PP Diony, in my capacity as Membership guide, I want you to recruit ten more members for our club.”

PP Mike (standing) alternated with Pres. Raffy for the Rotary Education segments of the evening.

Guests IPP Zeny and PP Josellie of RC Tomas Morato, new Rotarian Tess, and Pres. Raffy--listen to PP Mike.

With hands on chin and cheek, Rtn. Herb and PP Mike seem to be in fully engrossed with the Rotarisation.

In behalf of the RCB, Pres. Raffy expressed our sincere thanks to the Audineau’s for having us in their home.

ROTARY FOUNDATION MONTH

Chair's message: Foundation month a great time for EREY pledge

Dear family of Rotary,

In 2004, The Rotary Foundation embarked on a new venture to boost its ability to do good in the world. The goal was to encourage every Rotarian to support Foundation programs by giving at least US\$100 to the Annual Programs Fund every year.

We've come a long way since the Every Rotarian, Every Year (EREY) effort began. Contributions to the Annual Programs Fund have nearly doubled – from \$55.8 million in 2002-03 to a record \$102.5 million in 2006-07.

But reaching the 2007-08 Annual Programs Fund goal of \$120 million is not merely about every Rotarian donating \$100. It's about each of us generously giving to the best of our ability. For some Rotarians, that amount might be \$100, for others \$1,000, for still others \$10,000.

By raising the bar for support of our Foundation, we can guarantee that its educational and humanitarian

programs will be available to more people than ever before. More students will become Ambassadorial Scholars, and many more young professionals will take part in a Group Study Exchange. Increased donations will give greater access to safe drinking water, food supplies, and health care. Imagine once-malnourished children becoming doctors, newly literate people becoming teachers, and those in conflict areas becoming peacemakers.

Learn how Rotarians are turning EREY into high-energy fuel for the Foundation's programs by subscribing to the free *Every Rotarian, Every Year newsletter* . Let's open this promising pipeline of help even further to a hurting world, bringing with it greater hope for understanding and peace.
