R.I. President's Message

It is a joy to welcome you to your year in office and an honor for to serve as your president. Our Rotary history is one filled with accomplishment, and I come to this year filled with plans and ambitions for the great good we can do together. When our organization turns its considerable strength and talent toward a goal, we have shown the world what we can accomplish.

This year, the time has come to show the world what we can do to reduce child mortality. Rotary has an array of programs in place that can help achieve this goal by addressing the underlying problems in communities where children often do not live to reach five years of age. When passionate Rotarians harness their energies to provide food and the means to raise more, create access to clean water, provide the small loans parents need to start the business that will support their families, and immunize the world's children against diseases that cripple or rob them of their lives, then we bring the Rotary movement to its fullest expression. When we carry out the tasks that save children's lives, we *Make Dreams Real*.

This year's citation program serves as a guide your club can use to *Make Dreams Real*. Based on the four Avenues of Service and membership growth, it provides a framework for a healthy, vibrant club. I encourage your club to achieve the citation, not as a source of additional honor but as a way to ensure that your club is making a difference in the world. The program is also open to two of our partners in service, Rotaract and Interact, as a means of focusing and increasing the good that Rotary does in the world.

To qualify for a citation, your club should initiate a service project that will reduce mortality and complete the membership goal and one activity from each of the five categories listed in this brochure between 1 July 2008 and 31 March 2009. The scope of the activities should be in proportion to the number of Rotarians in your club and their abilities, interests, and skills. Once your club has met this challenge, complete the certification form and submit it to your district governor by 31 March 2009. Governors must submit a list of certified clubs to RI World Headquarters, and it must arrive by 15 April 2009.

At the end of this year, we will celebrate our accomplishments together at the RI Convention in Birmingham, England. It is an honor for me to invite you to that celebration, which will be an enjoyable end to our year together. Join me as we make Dreams Real.

Sincerely,

(SGD)Dong Kurn (D.K.) Lee
President, Rotary International,
2008-09

District Governor's Message

It is my distinct privilege and pleasure that I extend my greetings to the Officers and members of the Rotary Club of Baguio on the occasion of their 71st Charter Anniversary.

From the time it was chartered, your club has remained strong and consistently provided help and service to the unprivileged in your area.

Judging from the club's roster of members with proven track records and respectable experiences, it is almost certain that the objectives and goals you have established, will be achieved. Nevertheless, it is incumbent on the part of the Officers, Service Directors and Committee Chairpersons to provide the appropriate leadership in order to guarantee the success of every undertaking.

This year, RI President D.K. Lee asks us all to work together to reduce the rate of child mortality in the world, through focusing on our Rotary emphases of water, health and hunger, and literacy. It's a tall order; there's no question about that. But there's also no question that this is something that your club is very capable of doing.

We are all Rotarians. And we know that even though we cannot save every life, this does not for a moment diminish what we achieve by saving one. Because, as Past President Bill Boyd has said, "Even though we will never bring about a perfect world, we have no excuse not to try. And if we leave a better world than what was left to us, then we have not failed."

Let us all MAKE DREAMS REAL for the children of the world!

Yours in Rotary,

(SGD) JESUS Jess" S. NICDAO

District Governor

Assistant Governor's Message

It is my distinct honor and privilege to extend my warmest greetings to every member of the Rotary Club of Baguio on the occasion on its 71st Charter Anniversary Celebration.

For the past 71 years of existence, Rotary Club of Baguio heeded the aspirations of the people in the community more specially those who belong to the marginalized sector of society. This can be attributed to the dedication and commitment of the officers, members of the board of directors, and specially the active charter members to the cause of Rotary. This is also the reason why we are here now.

We dream of reducing child mortality in the community, and we dream of accomplishing this by coming up with a water for life project, program health and hunger and on literacy among others. With this, we have to hold on to our dreams and make these dreams real. Again, Congratulations and more power.

Sincerely,

(SGD) PP Agerico “ Eric” Rodriguez (RCBM)

Assistant Governor Cluster 1-C

RCB President's Message

Rotary greetings to everyone!

We celebrate the 71st Charter Anniversary of the Rotary Club of Baguio with a sense of pride, accomplishment and challenge. We are honored to be part of the community we have continuously served. We do take the challenge of continuing to pursue our goals and aspirations as dictated by the principles and goals of Rotary.

The 71 years has been kind to our Club. We have been privileged to render service to others, to fellowship with our fellowmen, to nurture good leaders and settle loyal followers. We have touched the lives of families and provided unique experiences to the young and old alike. We have been just-around-the-corner in the world where we were purposely assigned.

And we still are! It is our resolve to keep it growing that way.

It is for this reason too, that we celebrate: to honor the many great Rotarians who dedicated the best years of their lives to the cause of Rotary. They are the pillars of the Club whose commitment, passion and enthusiasm flow spontaneously to the heart of the membership. To them the essence of life is service.

The City of Baguio, likewise, celebrates its Centennial Year. The City's history is too, our story. We have walked hand in hand through the City's growth. Together we faced the deepest challenges, unimaginable successes and never ending dreams.

To our City, I take this opportunity to congratulate you. Thank you for allowing us to be of service to you!

We are determined to make dreams real. We have done it. We have brought Rotary in people lives. This torch we will hold on to now and in the years to come. I call on the Club membership and to all fellow Rotarians. Let us give wholeheartedly: our mind, spirit and soul. There is no stopping us - there is so much more to be done!

More power to all!

Rotary Club of Baguio In Motion

Rotary Club of Baguio in the City's History

Dir. Dwight Dulnoan

There was a time when Rotary frowned on publishing its achievements because it was not in good taste to congratulate oneself for worthwhile activities. Service to community and humanity is reward itself. In these times of advanced technology however, especially in information technology, it is imperative for Rotary to inform all and sundry the very reason for its existence which is "Service above self"

The Rotary Club of Baguio, in particular has always been a premier civic organization in the City of Baguio. It was founded on November 27, 1937, and the formal organization ceremony was witnessed by Manila Rotarians led by Justice George A. Malcolm, then president of the Rotary Club of Manila which sponsored the new Club. The charter members were 35 Baguio residents (15 Filipinos, 18 Americans and 2 Japanese). The Charter President was Col. Louis J. Van Schaick, Vice President was then City Mayor Sergio Bayan, Secretary was John Woodson, Treasurer was John Omalley, and the Sergeant at Arms was Ed B. Mullaney. Its Charter was approved by the Rotary International on February 21, 1938 and was presented to Pres. Louis J. Van Schaick by Dr. Carlos P. Romulo on April 18, 1938.

Rotary Club of Baguio (RCB), the 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th Rotary Club in the Philippines has produced 3 District Governors (PDG Nanding Manalo, PDG Ikong Reyes, & PDG Carling Santiago), 58 Paul Harris Fellows, and 5 daughter Rotary Clubs. It has hosted the District Conference 8 times.

The Rotary Club of Baguio has four avenues of service; club service, vocational service, community service and international service. Under community service it has been a staunch partner not only of the City but also of its suburbs. Projects which Rotary Club of Baguio Presidents regularly consider as standard and ordinary are **Medical, Dental, & Legal** outreach programs to different barangays in and outside the city. These include free circumcision, free operation for financially handicapped children with cleft lip and cleft palette, blood typing and bloodletting of donors, feeding programs, polio vaccination, vitamin "A" supplement.

Trees are routinely planted at the City's Busol watershed and other sites like the Philippine Military compound and other parks. Common projects are scholarships like: the defunct American Field Service Program; more lately and still existing, the Baguio Scholarship Foundation a WCS project funded by Japanese Rotary Clubs for deserving students to different schools in the City; and, donation of books to the Baguio City High School and other schools and libraries. The Rotary Club of Baguio usually conducts Career Guidance seminars for high school students.

The Rotary Club of Baguio is very proud to mention numerous notable programs that include:

- adoption of pre-school class at Irisan;
- establishment of pre-school class at the Department of Social Welfare;
- valuable assistance to the Diocesan Adult Center,
- assistance to out-of-school youth;
- aid to the Special Education Center, an educational institution for handicapped children;
- construction of toilets in Banangan Elementary School, Kennog Sablan, and Dalupirip elementary schools and other public parks.

Among its rare but very significant achievements were:

- a Goat Farm where the youth can work and earn enough to pay for their schooling (*unfortunately this did not last long for lack of a suitable pasture land*);
- playground equipments installed in Burnham Park;
- establishment of park and playground at Quezon Elementary School, at Dalupirip, and at other elementary schools in the city;
- 20 cement benches in Burnham Park;
- the construction of the imposing pylon and fountain near the Baguio General Hospital compound;
- donation of basketball court, equipment and all to the City of Baguio;
- donation of umbrella type street lights at the head of Session Road (*this has since been replaced*);
- construction of Police substation at Naguilian Road;
- renovation and expansion of Police substation at Pacdal Circle;
- donation of the kitchen annex of the Good Shepherd Convent;
- construction of tramline for farmers' use in transporting their products at Banengbeng, Sablan; and,
- donation of very expensive Braille embossers to St Louis University.

The Rotary Club of Baguio also launched the following ambitious but worthwhile projects

- the setting up of a Rotary Village Corps in Sablan;
- assistance to the community of Luding, Tuba:
 - where micro-financing was introduced,
 - roads were concreted; and
 - sewing machines and other equipments were donated to help the underprivileged in their means of livelihood.

The Rotary Club of Baguio can be depended upon during times of disaster and other critical times. The club raised funds to help its members who were concentrated by the Japanese in Camp Holmes during World War II; for the flood victims of the City Camp Lagoon before the clearing of the drainage was perfected; and for the victims of the eruption of Mt. Pinatubo where relief goods were distributed.

Even if no mention was made under whose presidency these projects were undertaken, all 66 presidents past and present can stand proud of these achievements, and because every Rotary activity is a team effort, every president in one way or another has contributed to the success of the Rotary brotherhood. Add the ingredient of fellowship to the service rendered and life in Rotary becomes almost happily perfect. The joy of service is the lifeblood of Rotary's existence.

Rotary Awardees

PAST PRESIDENT JOHNNY ZARATE

Rotary Club of Baguio is lucky for having a member like PP Johnny Zarate. PP Johnny is the oldest member of the Club. He came after his father, who, was likewise, an active member of the Rotary Club of Baguio. PP Johnny joined Rotary in 5 November 1960. He was described to be a systematic worker making it a point to perform his assigned tasks to his best. During the early times, he was fondly called the “Lion Fine Master” because he was always able to fine the members in the most interesting way. He became President for the Rotary Year 1973-1974. It was during his term where many deserving students were granted scholarship grants. Furthermore, it was during his incumbency where the club extended valuable assistance for the Diocesan Adult Center. Pp Johnny has gifted half of his life to service and still gives a lot more. PP Johnny has, as a after of fact, been in Rotary service for forty nine (49) great years.

PP JACK GESNER

PP Jack Gesner entered Rotary Club of Baguio in September 8, 1966. PP. Jack Gesner was known during the early days as the “Best Tagalog Singer” in the club. He was the Vice President of PP Teop Rondez and become President in the year 1972-1973. He was called the “crisis president” because it was during his term where a big flood hit the country and worse, the declaration of Martial Law. Despite these challenges, he stood as a true Rotarian and pursued his adopted projects which included the reclamation of the City Camp Lagoon and the establishment of the Pre-School class at the Department of Social Welfare. He made sure of the continuation of the Pre-School class in Irisan. During his term, RCB sponsored Miss Jeannie Hamad as a Rotary exchange student to Naugatuck Conn USA. The Club then hosted an exchange student here, Miss Eve Ruttle from Ontario Canada. Past President Jack Gesner has been in Rotary for forty three (43) challenging years.

PAST PRESIDENT TEOPISTO RONDEZ

Inducted as a Rotarian in January 13, 1968, PP Teops Rondez has become Club Secretary for Rotary Year 1969-1970. He was cited for efficiency by DG David “Dave” Sycip. He served as President for the Club for Rotary Year 1971-1972. Known today as the “Rotary Historian” of the Club, PP Teops continuously devotes his time to Rotary. He never fails to travel the extra mile enlightening the membership of the by-laws of the club whenever controversial issues are raised. In so doing, he always resolved matters the Rotary Way.

As a real trooper, PP Teops in one who can be relied on to accept any club assignment whether it be program participation, speakers’ bureau or the tough job of drafting the amendments of the Rotary of Club of Baguio Constitution. PP Teops has been with Rotary for forty one (41) legal interpretation years.

PAST PRESIDENT MARCOS “BEN” CID

PP Ben Cid joined the Rotary Club of Baguio in January 11, 1969. He became the Club Secretary for Rotary Year 1971-1972. He was Club Treasurer for Rotary Year 1979-1980 and became President of the Club for Rotary Year 1982-1983. His incumbency saw the election of Dr. Carlos “Carling” Santiago Jr. as District Governor for the then new Philippine Rotary District 3790. During his term the club was involved in various athletic activities. As a matter of fact, the Club chaired the annual Alay Lakad Project of the Department of Social Services and Development. PP Cid never stopped serving the Club and now counts dedicated service of forty (40) years.

ROTARIAN ANGIE VISPERAS

Rotarian Angie Visperas was inducted to the Rotary Club of Baguio on December 4, 1971. Since then he has devoted his time and heart to Rotary. For thirty seven (37) years, he has been a constant awardee for his 100% attendance in club meetings and various activities. He become a club treasurer for eight terms, Club Auditor for three terms, Editor in Chief for three and a half terms and a Director for fifteen terms. In the year 2005-2006 he was chosen as one of the International Recognition Awardee for Commitment to Service Award given by R.I President Glenn E. Estess Sr. He is the only member of the Rotary Club of Baguio, who, with his entire family, were privileged to personally visit Rotary International Headquarters at Evanston, Chicago, USA. Rotarian Angie Visperas is super active in Rotary Club of Baguio and always give his support to those who are in need. This year is his thirty eighth (38th) year in Rotary Club of Baguio and because of his unconditional love for service he is still the energetic and creative Raffle Master of Rotary Club of Baguio.

PAST PRESIDENT ROGER NAZ

PP Roger Naz became a member of the Rotary Club of Baguio in October 28, 1978. He became the President of the Club in Rotary Year 1986-1987, with an enthusiasm matched only by the spirit of fellowship and camaraderie demonstrated by the members. The “Friends of Rotary” section in the club bulletin was strengthened with the enlistment of more business advertisers. Community Service Projects were initiated and completed in practically all levels of involvement. Most of which are the club’s tie-up with the Baguio City government projects like the City Camp Lagoon drainage Task Force. Included projects were, the City Urban Planning Council, the Anti-TB project of the Ministry of Health and Unicef, the Alay Mo Buhay Ko Unicef Run – Aid for a cause. The highlight of PP Roger’s administration was the highly successful staging of the ALAY LAKAD ’86 where he served as the over all chairman. Now the “recorder-writer of the Club” PP Roger treasures his thirty one (31) years of service to the community through the Rotary Club of Baguio.

ROTARIAN JOE RAMOS

Rotary life for PP Joe Ramos started in September 17, 1979. The natural “Club Joker” who does not even try to be is also a true worker. During his early years, he gave his time and effort to the many Medical Missions the Club has extended to the communities. Until this present time, Rtn. Joe continues to inspire the new members by his active participation in all the club activities. He shows up and spreads his and eagerness as he fellowships with everyone. He abides by the club rules, knows his time and ever willing to accept assigned tasks. Furthermore, one cannot discount his insights over issues that the Club speakers talk about. He is actually saying, one can be growing and learning forever. Rtn. Joe has been making the members laugh their heart out for the past thirty (30) fun years!.

PAST PRESIDENT DIONY CLARIDAD

PP Diony Claridad began his Rotary life in December 20, 1980. He became the Club President for the Rotary Year 1988-1989. During his incumbency, he resolved on pursuing club projects especially the Polio-Plus Program. A feather on the cap of President Diony was the hosting of the District Assembly towards the end of his term. PP Diony is one Rotarian who accepts responsibilities no matter what. He is best described as the “strike anywhere doctor” because he makes it a point to participate in the Club’s Medical Missions whether it be in the city or in the flung areas. On the lighter side, PP Diony finds joy in entertaining the members with his romantic songs, funny jokes and sharing his beautiful home for out-of-venue activities of the club. PP Diony always accepts assignments with a smile and with sure positive results. PP Diony’s commitment to Rotary has remained steadfast for the past twenty nine (29) service years.

PAST PRESIDENT ANGELING PALMA

PP Angeling Palma joined Rotary in the year 1976 in Cameroon, Africa where he then became the President. After retirement, he came home to the Philippines knowing that this is the best place to spend his golden years. While here, PP Angeling strongly felt that Rotary was his life. His prayers were answered and he was led to the Rotary Club of Baguio and was inducted during the time of PP Doming Valencia in November 4, 1995. Since then, PP Angeling served the club with enthusiasm and ardor. He enjoys sports participation especially if the event is his favorite, golf. He is a member of the Noisemakers Club and always a very amiable Rotarian. PP Angeling has spent years in Rotary.

PAST PRESIDENT JODY ALBANZA

PP Jody Alabanza was inducted three (3) times in the Rotary Club of Baguio. The first was in March 3, 1962 where he served until 1975 when he left the Club to take his masteral degree course in the United States. His last induction to the Club was in October 23, 1999 and since then has remained an active member. He once served as Club secretary. One of his contributions to the club is very intricate yet powerful design of the front page of the “Canao”, Rotary Club’s weekly publication. As the planning man, he is so much known for his innovative projects not only in the club but for the City of Baguio as well. A funny, yet lovable gentleman, PP Jody is the President of the Noisemakers Club and also one of “Centennial Man” of the Rotary Club of Baguio. PP Jody counts twenty five (25) years of service in Rotary.

Rotary Anns - President's Message

It is an honor and privilege to convey our felicitations to the Rotary Club of Baguio on the occasion of its 71st Anniversary Celebration.

We at the Rotary Club of Baguio Anns Club are proud of the numerous milestones and accomplishments of the Rotary Club of Baguio over the years. As such, we have to give due acknowledgement to those who were in the Rotary Club of Baguio before us, for their effort and hardships in maintaining and increasing the membership of the club and in seeing it that the plans and objectives of the different avenues of services are attained and well done.

Likewise, we would like to commend the present officers and members of the board and the different directions of the different service areas of Rotary Club of Baguio for a job well done; and for all members and Anns, for their untiring and unselfish support to the different activities of the club in order to sustain the Rotary International Motto of "Service Above Self" to the service committee.

Again, we say "Happy Anniversary Rotary Club of Baguio! " May your tribe increase and Mabuhay Kayong Lahat!!!

Sincerely,

(SGD.) ARACELI G. LADILAD

Rotary Anns President

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service.

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Four-Way Test of Rotary

Of all the things we think, say or do:

- 1** Is it the **TRUTH**?
- 2** Is it **FAIR** to all concerned?
- 3** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4** Will it be **BENEFICIAL** to all concerned?
