PRESIDENT'S CORNER

Lani Fabi

Vice President, Rotary Club of Baguio

When the President is away, the Vice President is at play. It is an opportunity to temporarily take over the steering wheel of the Club in behalf of President Chris Faelnar who is currently in the US to visit his brother for his 50th birthday. I hope I can do justice to this task.

This week started off with a highly spirited activity by celebrating World Polio Day on October 24 via a motorcade spearheaded by AG Karl Gabaen for Cluster 1C. The sun shone brightly as our members arrived at Baguio Convention Center. We had a very good representation. We had the biggest delegation among the Cluster clubs. The RCB Rotarians who attended with vehicles in tow were: PE Jun Bondoc, Sec. Rico Ferrer, Dir. Nancy Alabanza, Dir. Jun Cardona, Rtn. Marlie Dela Cruz, Rtn. Mariver Agayas, Rtn. Lorena Cachola and RK Jacobnel, Rtn. Cecille Apostol and her spouse, RC Sunrise PE Larry Apostol and yours truly. It was just unfortunate that Rtn. Tonton Papa Tan and Rtn. Carlo Gallardo who were bringing up their Jeepito early morning of October 24 to join the motorcade encountered busted tires with the trailer carrying Jeepito thrice (replacement tires newly bought also blew up) This happened in Urdaneta and Sison. They bought the supposedly brand new tires at RC Tire Shop in Urdaneta. The tires they bought were old and brittle and heated up easily. Let us be careful where we purchase our tires so we won't be shortchanged and worse, be involved in an accident because of it. Complaint must be filed against this fly-by-night tire shop. Thank you to all our Rotarians especially to IPP Gigi Maranan and Sec. Rico Ferrer who continually monitored the status of Rtn. Tonton and Rtn. Carlo. We know how much they would have wanted to join the motorcade but safety first! We are very glad that they arrived in Baguio safely.

Abanao Square graciously agreed to run our End Polio video last October 25-26, 2016 to make up for the technical glitch they encountered on October 24 for the World Polio Day celebration. The LED display is very strategic and hopefully, we were able to achieve our goal to promote awareness about this crippling disease and how Rotary is very much involved in the eradication of Polio. Relative to this, President Chris would like to solicit your support for the TRF and the Polio Fund donations especially for the committed amounts by our fellow Rotarians. Please note that the RI Exchange Rate for November is 1USD:48PHP. Hence, you might want to take advantage of the rate for October while it is still 1USD:46PHP, and make your TRF contributions now. The TRF Banquet to be held on November 12 is fast approaching and Governor Raul Peralta encourages everyone to make donations so they can be included as Honorees during the Banquet.

October 27, 2016's TRF Grant Seminar was conducted by our very own PDG Linda Winter. Attendees are PP Uwe Koehler, PE Jun Bondoc, Dir. Naas Demyttenaere and I. I Hope that the things we learned in the seminar can be echoed and applied so that we will be able to secure more noteworthy Matching Grant Projects for the club.

October 28-30, 2016 is RYLA 2016. It's being held at Anne Raquel's Resort, Olongapo City. We sent 22 delegates to this District youth service activity. 11 were sponsored by our club (3 Interacts from Pines City National High School, 3 Interacts from Saint Louis Pacdal and 5 from Baguio City High School). Additional 11 delegates (6 from Baguio City High School and 5 from SLU Laboratory) paid for their own Registration fees. We would have sent 9 more but RYLA Coordinator PP Boyet Cristobal refused additional delegates due to venue capacity. Dir. Baby Kaur, our New Generations Chair, arranged for their transportation and we are glad that Rtn. Wilma Tadije, Interact Chair for Baguio City High School agreed to accompany our delegates. We look forward to their feedback and stories regarding this exciting annual event.

We have upcoming Community Service Activities namely: The Rescheduled Bakun Medical Mission. The proposed November 19-20, 2016 schedule is still to be confirmed by Aboitiz Coordinator Mr. Manny Yapyapan. 170 slippers and Vitamins donated by RC South Triangle are still to be delivered to Lamut Elementary School and schedule is likewise being arranged. Everyone will be apprised of the final date for these two activities so our members can find time to join us in these worthwhile projects.

We have another interesting topic that will be discussed today by our Guest Honor and Speaker Ms. Ellen Paras. She will talk on "Sprinkles and its use in Feeding Program". Considering that our club conducts annual feeding programs in various schools, it may be something interesting that we can incorporate in our program as micronutrient sprinkles address multiple nutrients deficiencies in school age children. Let us listen and be enlightened.

Ms. Ellen Chiong Paras earned her Degree in Nutrition and Dietetics from the Philippine Normal University. She is a licensed Nutritionist-Dietitian and a licensed Teacher. As the Nutritionist of Medethix, Inc., she handles all the corporate social responsibility projects under the Salian Foundation. Since 2010, the Salian Foundation has been spearheading the scholarship program, giving scholarships to more than three hundred (300) students, to date. Just recently, the foundation embarked on a feeding program, providing nutrition to more than one thousand (1000) children in impoverished areas in the Philippines.

RETROSPECT

The Saturday That Was *by Dir Jun Cardona*

I was almost late when I reached Baguio Country Club (BCC) at 12:25 noon. But when I entered the room, I noticed very few had arrived. The presidential table was still empty and only 2 tables were occupied. One of the tables was occupied by PP Bert, PP Alfred and Dir. Naas. Occupying the other table was the Guest of Honor, her daughter and her one year old grandchild. I joined their table since she is my colleague in Benguet State University. The attendance improved when the late comers arrived.

After almost 5 minutes of chatting with the GHS, PP Uwe, the assigned program coordinator of the day took the podium and mentioned that it was already time to start the program. The time was past 12:30 PM. Immediately, VP Lani, who was the presiding officer in behalf of Pres Chris who was on travel abroad, banged the gavel and called the meeting to order. The invocation started the program. It was led by Dir Naas. The invocation was followed by the singing of the national anthem. Then, the Rotarians formed a circle holding hands and sang the rotary Hymn. The recital of the Four-Way Test followed.

PP Gerrard and Rtn. Jody were the two entertainers of the day, entertaining us for almost 15 minutes. As their opening song, both of them sang "You Are My Sunshine", the favorite song of Rtn Jody. The song "Goodbye" followed sung by Rtn Jody alone. The rest of the entertainment was solely done by PP Gerrard by playing his harmonica. He finished one but was asked to perform some more. Obliging, he played four more songs.

RETROSPECT

The introduction of visiting Rotarians and guests was assigned to Rtn Reymund. The introduction of dignitaries at the head table was done first. They were six. Sitting on the left end was PP Gerrard and PP Uwe on the right end of the presidential table. PP Helmut was sitting beside PP Gerrard and sitting beside PP Uwe was Dir Joe Ursua. The GHS was sitting beside Dir. Joe. At the center table was VP Lani. The visitors present were the daughter and grandchild of our GHS. They were Tata and Toto. The presence of RAPP Cely Ladilad and RAPP Louise Schlaaff were likewise acknowledged.

Dir Nancy led the drawing of raffles. She was assisted by Dir Baby. There were more than ten winners with a variety of prizes which were grouped into 3 levels according to price; expensive, more expensive and most expensive. The first numbers raffled were the expensive prizes followed by more expensive prizes. The most expensive were the last numbers raffled. The first four numbers raffled were all PP's. They were PP Ben, PP Alfred, PP Mia and PP Gerrard. Other winners were Rtn Reymund, Rtn Marlie, Dir Baby, Dir Joe, Rtn Cacil, PP Cy, Rtn Carlo, and Sec Rico. The three luckiest for winning two times were PP Cy, PP Gerrard, and PP Mia.

RETROSPECT

PP Helmut delivered his finest moments by praising all the Rotarians for their good achievement accompanied by a fine of P100 each. Since the meeting was attended by at least thirty Rotarians, the club accumulated about P3,000 more or less. He did it by naming the Rotarians chronologically with Rn Mariver Agayas as the first down to PDG Linda Winter as the last.

VP Lani was the first to take the microphone during the member's time and announced the coming motorcade for the celebration World Polio Day. She encouraged everyone to join the motorcade which will be on October 24, 2016. The meeting place is at the Baguio Convention Center. Dir Baby followed. She was seeking the financial assistance of every one from the club for the transportation expenses for our RYLA delegates to Zambales on October 28-30, 2016. The club needs about P17, 000.00.

During President's Time, VP Lani in behalf of Pres Chris, invited the members to attend the TRF Grant Management Seminar. It will be at the Venus hotel, Baguio City on October 27, 2016. The speaker is our very own PDG Linda Winter. All were encouraged to join the said seminar most especially the new comers. The Kapihan for End Polio two weeks ago was also cited by VP Lani. She thanked PP Benny Sunga, PP Veeh Balajo, PP Diony Claridad, PP Marilyn Barredo, PE Jun Bondoc, Sec. Rico, IPP Gigi, Dir. Nancy Alabanza, Rtn. Arnel Cabanisas, Rtn. Joe Ursua, Rtn. Marlie dela Cruz and Rtn Reymund for being present. VP Lani likewise mentioned that the medical mission which was previously scheduled for Oct. 22 to 23 in Bakun was moved to November 19 to 20, 2016. The Presidents time ended with the announcement of the birthday of PP Diony which was October 21. PP Diony was asked to come forward while everybody sang the happy birthday song and every one had the chance to express their birthday greetings personally to the celebrant.

RETROSPECT

PP Joe introduced the GHS. The GHS was Dr. Gilda Victoria Bucu-Jacalan. According to Dir. Joe, the speaker is a seasoned writer and editor in many English/Communication related endeavor being English as her major area of specialization. She hails from Pampanga but has lived in the Cordilleras for almost 30 years. The Benguet State University (BSU) was her second employer starting in 1984 after she served at the PCARRD, a research coordinating and funding agency and a DOST-attached agency at Los Banos Laguna. At present she is the director of the Publication Office of BSU.

The GHS spoke on the topic titled, "Enhancing Service Through Effective Writing". The speaker touches on the importance of format/structures in writing. Other considerations were mentioned and gave emphasis also on the patience of every one in checking on the grammars and spelling. As requested, the speaker likewise gave a lecture on the common mistakes committed by most writers like conjunction and the use of pronouns. As the topic was very interesting the speaker had no choice but to answer very challenging questions from PP Mia, Dir. Joe, Sec Rico, Rtn Tonton, Dir Naas and Rtn Jody.

Dir. Baby gave the response for the GHS. She first highlighted the topic discussed by the GHS and thanked her for an enlightening talk. VP Lani read the content of the token and hand over afterwards. Immediately after, PP Uwe asked everyone to stand to sing the RCB Hymn followed by the singing of Pilipinas Kung Mahal. The meeting was formally ended at 2:55 PM after banging the gavel by VP Lani and proclaimed the adjournment of the meeting.

Rotary Club of Baguio Supports Cluster 1C World Polio Day Celebration

By: VP Lani Fabi

World Polio Day
24 October 2016

27 children have been paralysed for life by polio in 2016 to date in Afghanistan, Pakistan and Nigeria.

We won't stop until that number is **ZERO**

#EndPolio
#WorldPolioDay

World Health Organization

The poster features a grid of 27 human icons: 24 blue icons in the top two rows, and 3 orange icons in the bottom row, representing the 27 children paralyzed by polio in 2016. The World Health Organization logo is at the bottom right.

Every October 24 is marked as 'World Polio Day' by the World Health Organization (WHO) and its allied agencies in the fight against the disease.

Africa's most populous nation, Nigeria, still remains the only African country that still has record of the polio virus reported within its territory. The other two countries with the virus are Pakistan and Afghanistan.

The WHO has affirmed that despite a 99.9% reduction of polio spread between 1988 and 2016, they were committed to ensuring that polio is totally wiped off the planet.

According to the UN, 27 children have been paralyzed for life by polio in 2016.

To show worldwide support and continually promote awareness on the global eradication initiative to End Polio, Cluster 1C under the helm of AG Karl Gabaen, spearheaded the October 24 motorcade event to celebrate World Polio Day. This was actively participated in by Rotarians from various Rotary Clubs in Baguio and La Trinidad. Baguio Convention Center was the assembly place for everyone. Rotary Club of Baguio

delegates namely PE Jun Bondoc, Sec. Rico Ferrer, Director Nancy Alabanza, Director Jun Cardona, Rotarians Marlie Dela Cruz, Mariver Agayas, Cecile Apostol and Spouse PE Larry Apostol, Lorena Cachola with Rotakid Jacobnel and yours truly were all so excited and early at the meeting place.

Cluster Secretary Mike Limbo distributed tarps and shirts to the participating clubs. Red and white balloons were given to everyone who had their vehicles. Rotarians from RCB in their usual high spirits and smiling faces enjoyed helping each other out in putting the tarps and balloons on the vehicles. Everyone had a blast taking turns to take photos of each other after each one had changed into the red End Polio shirts for the event. Seems the red color enhanced the glow on everyone's faces as every time a camera was being set up, all Rotarians run to pose and made sure they were captured in the frame. Our 'selfie' queen Rtn. Cecille was the most enthusiastic photographer as she made sure that photos were taken here and there and everywhere.

We had an awesome time together with other Rotarians from other clubs. AG Karl Gabaen was profusely giving thanks because we had the most number of delegates and further saying that RCB seems to be having fun as evidenced by our smiles, laughter and never ending picture taking.

One of the enjoyable highlights is individual posing of RCB lady Rotarians inside Director Nancy Alabanza's car up its sunroof. Akin to a beauty titlist posing...sort of Ms. This Close...well close enough.

“Now More Than Ever : Stop Polio Forever”

When every car had their gears ready, it was time to move. We had police officers in motorcycles who led us and off we went. It was coincidental that we had 24 vehicles that joined the motorcade. Each car honked while passing along the roads to seek attention from the bystanders and people inside the other vehicles. Our route covered from Baguio Convention Center – North Drive Leonard Wood Road – Session Road – Bonifacio Road – SLU Rotunda – Harrison Road – UP Drive and back to Baguio Convention Center.

Some people may not be familiar with the End Polio Advocacy since polio disease is no longer a threat in our country considering that we were the first country to have been benefitted with the polio vaccine in 1979. However, it is still a worldwide concern to totally eradicate polio around the world. Participation in the motorcade is one small way to show that we are in unison with other clubs around the world to continually promote awareness and show our relentless support for the end polio campaign. Upon our return to Baguio Convention Center, more snapshots ensued and all attendees were invited by AG Karl Gabaen to have lunch at Good Taste Restaurant. We had a sumptuous lunch and a great fellowship with co-Rotarians as we sang happy birthday to AG Karl Gabaen. Heyday Monday coupled with a happy tummy. It was an enjoyable day of Rotary Serving Humanity to continually promote awareness that we are close to Ending Polio.

Facts about the Canao

By Rtn. Angie Visperas

(Written on August 28, 2008 for the Canao under PP Bert Talco's term)

Did you know?

- ☒ That the original name of the Club Bulletin was THE BAGUIO CANAO and the first editor was the late "P.W." Percy Warner Tinan (from an extent August 1938 copy published in the Canao in 1978 under the term of PP Jerry Salvosa).
- ☒ That the original cover of the Canao was designed by Rtn. Jody Alabanza in 1964. Innovations were introduced later.
- ☒ That the inclusion of candid pictorials was introduced by PP Galo Reyes when he was EIC.
- ☒ That the book binding of the Canao was introduced by Editor/Secretary Noel "Ozzie" Osborn in 1968. Earlier, book bound Canao was done individually and published in mimeographed an lino-typed form.
- ☒ That the first Editor after WWII was the late Rtn. Benjamin "Ben" Salvosa (father of PP Jerry Salvoa), followed by PP "Abe" Abellera.
- ☒ That in the early years, Canao publication was done every fortnight until 1968, when the late Rtn./EIC "Carding" Paraan made it weekly, printing the Canao in mimeographed form. This way, being a newspaperman himself, the news or articles were fresh.

The Engineer and the Doctor

An Engineer was unemployed for a long time. He could not find a job so he opened a medical clinic and puts a sign up outside: "Get your treatment for \$500, if not treated get back \$1,000." One Doctor thinks this is a good opportunity to earn \$1,000 and goes to his clinic.

Doctor: "I have lost taste in my mouth."

Engineer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."

Doctor: "This is Gasoline!" **Engineer:**

"Congratulations! You've got your taste back. That will be \$500."

The Doctor gets annoyed and goes back after a couple of days later to recover his money. **Doctor:** "I have lost my memory, I cannot remember anything."

Engineer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."

Doctor: "But that is Gasoline!" **Engineer:**

"Congratulations! You've got your memory back. That will be \$500."

The Doctor leaves angrily and comes back after several more days. **Doctor:** "My eyesight has become weak."

Engineer: "Well, I don't have any medicine for this. Take this \$1,000."

Doctor: "But this is \$500..."

Engineer: "Congratulations! You got your vision back! That will be \$500."

Thoughts of a Neophyte Rotarian

Rtn. Gigi Ozaeta-Maranan

(Written in June 28, 2008, three months after being inducted into the club.)

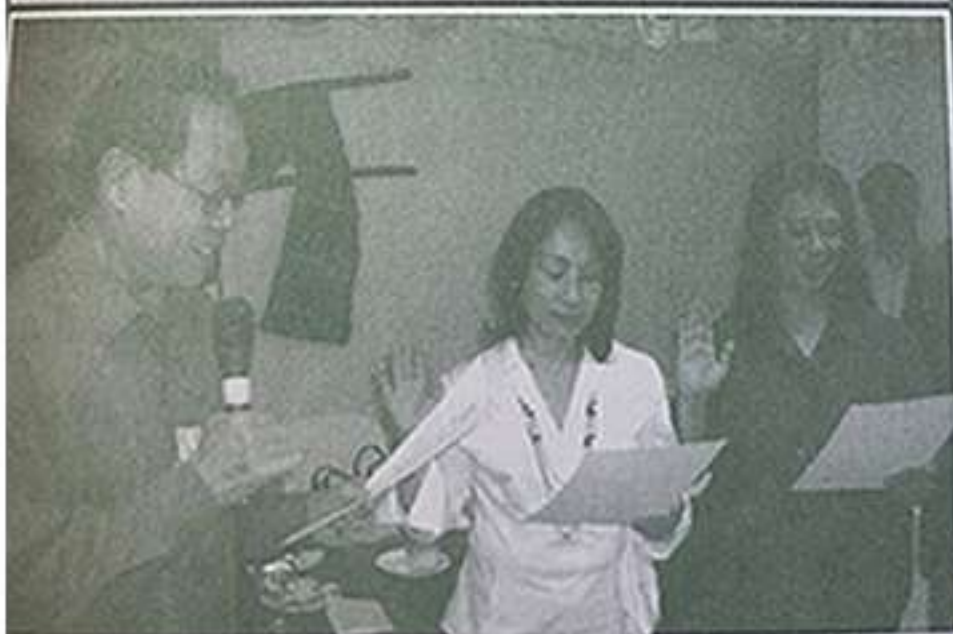

After three years of invitations, I was finally inducted into the Rotary Club of Baguio on March 15, 2008. Why did I join Rotary? Because President Raffy Chan is one person who is hard to say "no" to. He can be quite persistent and persevering. I guess this is what makes him such an Outstanding Club President and, rightfully so.

But, most importantly, something inside me was pushing me to join and I always listen to my instincts. To say that I want to be of service to my community may sound like a cliché but it is also true. Honestly, my main reason is a selfish one. I joined because I knew that I would be experiencing the joy and self-satisfaction of being able to be of service to others and know that, in my own small way, I can make a difference.

I am glad I chose to join the Rotary Club of Baguio, the mother club, out all the other 7 clubs of Cluster 1C. The members are very friendly and their enthusiasm is infectious. I still haven't had the chance to actually participate in any community service yet but just being able to be of help in the meetings and other club activities makes me feel I belong. At this point, I am still feeling my way around the club. For one thing, the acronyms used are still quite confusing to me. I still have to get used to the "PPs", the "IPPs", the "PEs" and what-have-you's attached to the names which, of course, I still have to remember (not to mention the names of the Anns as well). I'm sure regular interaction with everyone will make it easy enough.

Our inductees at the head table. Pres. Raffy won't let them out of his sight.

PP Ben Cid inducted our new members, Gigi Maranan and Cynthia Tabora...welcome to RCB!

Rtn. Gigi, your smile says a lot about your excitement for inviting your brother as our GHS.

I also need to get used to meeting protocol. It's not like any meeting I've ever attended? Who sits at the head table (it's not called the Presidential table)? How does one introduce the dignitaries at the head table? There seems to be a system here. How is the Finest Moments done? And why is it done? I guess I'll learn all of this if I religiously attend the meetings every Saturday.

Rtn. Gigi Maranan on the spotlight during the Entertainment.

I still have a lot to learn about Rotary and the club. To a newbie like me, it is a little bit overwhelming but I embrace it with confidence and eagerness. I have begun to look forward to Saturday meetings despite the fact that the events I handle fall on weekends. I committed to this club, therefore, I can never be "too busy" when I am needed. It's just a matter of time management.

I enjoy the camaraderie and funny bantering of the members. This is the club where, I realize, people's differences are respected and accepted. Rotary finds the best in each member; differences are set aside and everyone works together for the best interest to achieve a common goal. This is my kind of club.

As the Rotary Hymn goes, "with the Four-Way Test I'll pursue my quest and, if I, in a way, help obtain peace in the world, then I won't have lived in vain." This is why I joined Rotary. I am proud to be a Rotarian. Thank you President Raffy for being persistent enough in inviting me.

HUGOT OF THE WEEK

A quiet man is a thinking man...

A quiet woman is usually mad!

The Rotary Club of Baguio Hymn

(The Force of Goodwill)

Composed by Dennis P. Flores, M.D.

We have been summoned by God's loving call
 To follow a great, self-less road
 To serve, heart and mind, every trial, stand tall
 Unburden a man's heavy load . . .
 Trained to examine the gifts of the past
 Consider the present we bear
 To aim for the best of the future we must
 Broaden our minds as we care . . .

Chorus:

We are the force built on Goodwill and Service
 Love friend or foe, we embrace this demand
 Called to be brace through life's burning furnace
 Rotary Club of Baguio, we stand

The Truth, all actions must certainly yield
 To all of our mankind, be fair
 For Goodwill and Friendships we constantly build
 Forever God's Goodness we share . . .

(Repeat Chorus twice)
