PRESIDENT'S CORNER

Lani Fabi

Vice President, Rotary Club of Baguio

It's getting colder and colder in the City of Pines as temperature in Baguio dropped to a new 2017 record low February 15 with 7.3 degrees Celsius. Baguio has been having a particularly chilly week. The chilly weather is caused by the northeast monsoon or hanging Amihan, which brings cold wind from Siberia and China to the Philippines. The weather bureau said temperatures might drop even further this February, and that tourists and residents of the city can expect chilly weather in the city until March. Despite this, our activities continue...

Still on a full schedule this February, I represented Pres. Chris Faelnar to the Welcome Dinner held at Baguio Palace Hotel for the Japanese delegates of the Baguio Scholarship Foundation last February 10, 2017. I was joined in by PDG Linda Winter, PP Gerard Audineau, Dir. Naas Demyttenaere, PP Marilyn Barredo and our very own Rtn. Arnel Cabanisas, Executive Director of Abong Foundation. We were treated to a sumptuous dinner after which we entertained the guests by singing various songs while PP Gerard played his harmonica. Another surprise is a dance number from PDG Linda, PP Marilyn and I to the delight of the crowd. Fellowship gave us the opportunity to mingle with new found friends from Japan. Despite the language barrier, actuations and a few broken English from those I were seated with got me through the night.

Thank You's are in order for Treas. Ali Morales and Dir. Naas Demyttenaere who joined me at the Baguio Scholarship Foundation Turnover of scholarship fund. As reported to President Chris, he is very much delighted and grateful to the 26 RCB members, 1 Rotary Ann and 1 Rotakid who attended the Joint Meeting with RC Summer Capital and RC Baguio, who is this year's host for the BSF visit. This meeting made up for the 1230pm regular meeting of our club and He is mighty proud of our Club for having a good showing of support from members by their attendance.

Kudos is also bestowed upon PP Libby Fernandez who even at short notice marvelously planned the RC Siargao visit to our club. While everyone rested on a Sunday, PP Libby Fernandez who was tapped by Pres. Chris Faelnar busied herself planning the arrival of Rotarians from RC Siargao. She gave assistance to the visitors by providing information on hotels where they can book their accommodations. Special thanks is given to the 19 RCB members namely PP Libby, PP Gerard, PE Jun, IPP Gigi, PP Veeh, PP Alfred, PP Cy, PP Raffy, PP Marilyn, PP Bert, PP Chris, PP Uwe, Sec. Rico, Dir. Naas, Aud. Atom, Rtn. Arnel, Rtn. Marlie, Rtn. Marlie who joined the meeting with me representing Pres. Chris during the Sisterhood signing with Pres. Beth Recto and AG John David Corpin. The 12 delegates of RC Siargao were amazed at the video showcasing our projects held during IPP Gigi's term and we were doubly excited when Sec. Elias Brina presented the Siargao youtube video of places we can visit especially when He invited all members to travel to Siargao. They promised to take care of us and that is something we can all look forward to. Siargao here we come!

Special thanks are also in order for PP Libby and PP Gerard who arranged for an educational tour for our visitors from RC Siargao. As she has posted in Facebook, "a perfect day to spend Valentine's Day sharing great projects for humanity" with photos of their visit to Kabuyao Elementary School, Ben Cab where visitors were treated to lunch, and at Dir. Naas SLU office where Inclusive Education and Computer Training for the Blind and visually impaired are being held. According to PP Libby, they were appreciative of the very warm reception held for them.

Our Feeding Program at Mariano Sabarino and Besong Saddle Elementary School continues until next week with the Cosmetology Training for RCC Dontogan culminating this weekend. Hopefully, our members can still catch any of the schedules while they are still ongoing.

February 18, 2017 is our 21st Golf Fellowship for a Cause. We look forward to the support of all members and PE Jun Bondoc would like to thank all Rotary Anns and RCB members for their hole sponsorship and/or assistance in getting sponsorship and raffle donations. Working together for a good cause is always heartwarming.

Are you ready with your Gatsby attires? February 25 is also fast approaching...let's gear up and celebrate our 79th Charter Anniversary with all the glitter and glamor. For sure it is going to be an awesome celebration!

Then off to the month of March...more activities are in store for us. Let us pile up on layers and wear wind-resistant clothes. Waterproof footwear is a must have during the cold season, while hats, mittens and scarves are also advisable. Let us brave the cold weather but sustain our energy to be Rotarians in Action.

RETROSPECT

RCB & RCBSC Joint Meeting

By: Aud. Atom Mendalla

6PM on Feb. 11 was a cool, drizzly evening to have a meeting. It's a rare occurrence but yes, it does happen – a club meeting other than lunch and away from the usual BCC grounds.

The occasion, a joint meeting with the Rotary Club of Baguio Summer Capital held in honor of our Japanese guests - our generous scholarship fund benefactors from different rotary clubs in Tokyo, and making up the Baguio Scholarship Foundation (BSF).

It was quite literally, an amalgamation of international proportions:

- The venue - the grand ballroom of Venus Parkview Hotel - with a decidedly Venetian theme of intricately designed chandeliers, soft lighting, elegant mini topiaries on crystal and lacey candle holders.
- The people - Japanese guests of honor, a mix of Filipino and other nationalities as the hosts.
- The cuisine - a fusion of Japanese, Italian and contemporary dishes

Like clockwork, the meeting was called to order on time. The invocation, the Philippine and Japanese national anthems and the Philippine Rotary Hymn followed in quick succession.

Pretty soon, the Rotarians and guests were formally introduced, as were the scholars of both clubs.

Reports on the Scholars and Scholarship Funds were formally presented to Mr. Masakazu Ishikawa, Vice Adviser of BSF and Past District Governor.

His succinct but insightful speech was a testament to the long standing friendly relations between the Japanese and Filipino Rotary clubs, and the continued patronage of the BSF.

RCB Summer Capital President Rommel Alcid and RC Baguio VP/PN Lani Fabi expressed gratitude to the Baguio Scholarship Foundation for their untiring support and reiterated the commitment of both clubs to make full and efficient use of the scholarship funds to support well deserving students and creating, dare I say, future Rotarians.

RETROSPECT

Our club was very well represented by 26 members, one Rotary Ann (RAPP Cely Ladilad) and one Rotakid (Lira Jun). Nevertheless, we were vastly outnumbered by the 52-strong Japanese contingent!

While VP/PN Lani ably represented Pres. Chris – we did get asked where he was. His being in Japan, of all places, elicited a few chuckles. I can't exactly pinpoint why, but it was pretty funny.

After an exchange of bannerettes and the gifting of mini bulols to the guests, everyone held hands for a lively rendition of the Rotary Hymn in Japanese.

The joint meeting was adjourned at 8:40 p.m, well before the scheduled 9pm ending.

As a few of the (usual) stragglers lingered on after the event, I couldn't help but reflect on how truly apropos the Rotary Hymn is given the tragic and violent past we (as a country) have had with Japan.

RETROSPECT

It is quite ironic that now, as Rotarians, we are one in pursuing truly honorable endeavors.

I can still hear the words:

..... World understanding shall be our cherished goal

.... And if we, in a way, help obtain Peace in the World – we shall not have lived in vain

Retrospect means to look back. But as I continue to witness Rotarians doing good – I can only look forward with hope and a certainty that Rotarians can and are making the world a much better place to live in!

SISTERHOOD SIGNING WITH RC SIARGAO, RI District 3860
February 13, 2017 at the Baguio Country Club Training Center
By: PP Cy Fagar

Despite the strong earthquake in Surigao last Saturday, a delegation from the Rotary Club of Siargao, RI District 3860, arrived in Baguio today to sign the Memorandum of Understanding between our clubs to formalize our Sisterhood Agreement.

As a backgrounder, I understand that RC Siargao's Charter President, John Corpin, and our IPP, Gigi Maranan, have been communicating with each other about this Matched Club arrangement since last Rotary year. RC Siargao, chartered on March 11, 2015, wanted to learn the secrets of "long life" from our Club.

The programme was supposed to start at 7:00pm at the Baguio Country Club Training Center but our guests were a little late. The program actually started at about 7:30pm. The nine man RC Siargao delegation was headed by their President, Baby Recto. In contrast, 20 members of our club attended the activity. VP Lani and PE Jun headed the RC Baguio group. It is noteworthy to mention that of the 20 RCB members present, 11 are Past Presidents.

The Program was a relatively informal one. PP Libby started it by giving the Invocation. This was followed by the Welcome Remarks of the Chair of our Sister Club Committee, PP Gerard Audineau. After PP Gerard's Welcome Remarks, PE Jun gave a brief history of our Club. Then, Rtn Marlie dela Cruz introduced the members of our Club present.

Next was the introduction of the members of RC Siargao by its president, Baby Recto. After the Introduction by President Baby Recto, Charter President John Corpin followed. He talked about the history of his Club.

The signing of the Memorandum of Agreement was next. VP Lani Fabi signed in behalf of our Club while President Baby Recto signed in behalf of RC Siargao. The secretaries of both clubs, Rico Ferrer and his counterpart Elias Brina, acted as witnesses for the document. After the signing, there was the usual exchange of banners and the presentation of tokens by our Club.

For our guests to know more of our Club, we showed an Audio Visual Presentation after the signing ceremonies. It was a 10 minute clip showing what happened and what we did last Rotary year. The AVP was made by VP Lani and if I may say, an excellent one! After the AVP, Secretary Elias of RCS went to the podium to talk more about Siargao and its beauty. We were told, among other things, that the island of Siargao in Surigao del Norte has 9 municipalities with a population of about 200,000. There are three Rotary Clubs in the area. These clubs are all new clubs with RC Siargao as their mother club.

Expectedly, we were invited to return the gesture and visit Siargao. And judging from what I heard from the members of our Club present, we might as well have an "out of venue meeting" in Siargao. The question now is when are we going?

RCB Tours RC Siargao

By PP Gerard Audineau

Tuesday it was a pleasure to guide our friends of RC Siargao for a tour in the City of Baguio. A big thank you to PP Libby and Dir/ Naas to accompany us during this tour. We started by the visit of Kabuyao Elementary School to show the work going on for the renovation of classrooms and construction of toilet blocks. The teachers of Kabuyao prepared kindly for us good coffee and camote.

After that we went to Ben Cab Museum, but Dir. Naas had lunch obligation. We had a good lunch in the restaurant of Ben Cab Museum, visit of the garden under a nice sun, and visit of the museum just when clouds were coming. After we went to the restaurant of the village to take some photos, but the clouds covered slowly all the sky.

As Dir. Naas was waiting for us in his office to present the work done by the "Institute for Inclusive Education", we took a long way, but shorter in time, true Balacbac, Bakakeng, Kennon and Loakan road, to go there. We passed also thru the Camp John Hay and arrived in SLU building of Navy Base.

Dir. Naas started to present one of the visual impaired computer teacher who made a demonstration with explanations appreciated by our guests. At this time I had to leave them to join Terry at home and Dir. Naas took care of them.

The Rotary Club of Baguio Hymn (The Force of Goodwill)

Composed by Dennis P. Flores, M.D.

We have been summoned by God's loving call
To follow a great, self-less road
To serve, heart and mind, every trial, stand tall
Unburden a man's heavy load . . .
Trained to examine the gifts of the past
Consider the present we bear
To aim for the best of the future we must
Broaden our minds as we care . . .

Chorus:

We are the force built on Goodwill and Service
Love friend or foe, we embrace this demand
Called to be brace through life's burning furnace
Rotary Club of Baguio, we stand

The Truth, all actions must certainly yield
To all of our mankind, be fair
For Goodwill and Friendships we constantly build
Forever God's Goodness we share . . .

(Repeat Chorus twice)
