PRESIDENT'S CORNER

Chris Faelnar

President, Rotary Club of Baguio

Hello Fellow Rotarians!!! I hope everyone had a Blessed Holy Week!!! I'm sure the Holy Week break was also a good time to take a short vacation, do the usual holy week practices and traditions. For some, maybe it was just a good time to relax and take a rest from their hectic schedules. In my case, I had one scary experience!!! While I was in Davao days before the holy week, I felt some tightness in my chest and carried this unusual feeling for three days until my doctor advised me to run to the ER because I was at risk of having a heart attack!!! True enough, after several tests, I was told that I just had a mild heart attack and had to be hospitalized. Had to go through angiogram to check if my arteries were blocked. Good thing all my major arteries were normal. As per my doctor, since I am diabetic, it might be that some of my smaller arteries are partially blocked thus the mild attack. Anyways after six days in the hospital, got out during Holy Thursday and was told that I am not allowed to work until after the holy week. So it was a bit scary holy week for me but still very thankful that I'm now back to normal but trying to slow down on my schedules and watching what I eat....less good food for now and more medicines!!!

Today's meeting is called My Rotary Day. As recommended by Director Cora, every member attending the meeting is encouraged to bring their laptops, gadgets and smartphones so that everyone will be able to access the My Rotary Website on line. For those members who, up to now, have not registered yet in My Rotary, this will be a great opportunity for them to finally register. This will also be a good opportunity for our Service Directors and Committee Chairs to update the status of their respective projects with respect to their set goals. All members will also be able to learn to navigate My Rotary as well as learn how to use the on line tools available. Many thanks to VP Lani, PE Jun and Dir. Cora who will be facilitating the My Rotary workshop. Hope everyone will enjoy!!!

Unfortunately I will not be able to attend today's meeting since together with PDG Linda, PP Marilyn, IPP Gigi, Sec. Rico, Auditor Atom and RAPP Oyee, we will be attending the DISCON of District 3790 which will be held in Subic. Hopefully we will be able to learn from the plenary sessions and enjoy the fellowship during the event.

Just a reminder to those members who haven't fully paid their dues, please do so. I will be calling you soon to inform you as to how much you still owe the Club. We would like to make sure that by the end of this Rotary Year, our financials are in order. Thanks!!!

We Can Do Well by Doing Good...

Eyes of the World Literacy Project

By PP Gerard Audineau

The Eyes of the World is a project of RCB sponsored by our sister club, RC Bukit Bintang. It is a computer literacy project designed to tutor visually impaired children, specially in the areas where children have difficulty such as English, Math and Science.

On April 10 Dir. Naas was expecting 25 children for our computer training but to our surprise, 39 visually impaired children appeared from all over Northern Luzon.

On April 11, Dir Naas went to buy five extra laptops to have at least the minimum computers required and classes started the next day, April 12, with 39 blind and low vision children.

The children are lodged at the Tiptop facilities we rented, and food is prepared by our cook. Dir. Naas and I had to run to the commercial center to buy additional mattresses for them to sleep on. The eight youngest stay at Tiptop and two teachers are there for their tutorials while the others, travel to the Institute for Inclusive Education in Navy Base where they have their classes in three different rooms.

As the children are coming from the different provinces and have different learning needs the computer trainings are alternated with classes in English, Mathematics and Science which are the areas where the children have a lot of difficulties and are needed in connection with computer literacy. We have in two computer teachers, one math/science teacher and one English teacher.

Attached are some photos I took on April 10 at their arrival from different provinces of Northern Luzon, and on April 12 when they started to work with the computers available and on April 14 when all the schooling was in full swing.

The Rotary Club of Baguio Hymn

(The Force of Goodwill)

Composed by Dennis P. Flores, M.D.

We have been summoned by God's loving call
To follow a great, self-less road
To serve, heart and mind, every trial, stand tall
Unburden a man's heavy load . . .
Trained to examine the gifts of the past
Consider the present we bear
To aim for the best of the future we must
Broaden our minds as we care . . .

Chorus:

We are the force built on Goodwill and Service
Love friend or foe, we embrace this demand
Called to be brace through life's burning furnace
Rotary Club of Baguio, we stand

The Truth, all actions must certainly yield
To all of our mankind, be fair
For Goodwill and Friendships we constantly build
Forever God's Goodness we share . . .

(Repeat Chorus twice)

“Music

speaks what cannot be expressed
soothes the mind and gives it rest
heals the heart and makes it whole
flows from heaven to the soul.”
