President | Rotary Club of Baguio

With distinct honor and utmost humility, I hereby accept the mantle of responsibility as President of the Rotary Club of Baguio for the year 2020-2021.

The Officers, the Board of Directors and I, thank you for your trust and confidence.

We will do our very best to lead the Club, but we cannot do it without you.

I call on each and every member to continue supporting each other, our goals and projects. Let us remember our original reasons for joining Rotary. These may be varied and many – but I know that foremost among those reasons is the desire to pay it forward by helping the less fortunate.

Our diverse personalities, interests and talents are our strength. Let us continue to harness all of that in order to find solutions.

Let us always be on the lookout for, create and open every opportunity towards Doing Good in the World.

Together, we shall continue to adapt to the times, conquer the challenges, aim high and succeed!

God Bless Us All.

Mabuhay ang Rotary Club of Baguio!

*"It is amazing what you can accomplish if you do not care who gets the credit" – Harry S. Truman*

**Baby Kaur**

Immediate Past President | Rotary Club of Baguio

A year has passed since my formal induction as Rotary Club of Baguio President, and what a year it was for each and everyone of us. We had plans, not only for our lives but also for our club and the communities we serve. We have been caught off guard by this pandemic. Some of our plans have been derailed or side-tracked, but we are resilient and flexible. We have adjusted to the needs of the time just as we should.

During the first half of my term as president, we have implemented projects in consonance with Rotary International, District and Club goals. We have had projects with the cluster and our partners in service. It was so wonderful how our Assistant Governor and all presidents of Cluster 1C supported and worked together to accomplish these projects.

As president I have learned so many things. Gained insight on life and faced some challenges. It is not only the pandemic that has challenged us the need to be physically present but we can still be of service to our communities.

Increasing our membership is one persistent challenge from the previous presidents up to this year, and probably until the following term, especially now that physical and social distancing is strictly enforced.

We have met our set goals for TRF and Polio Plus contributions and I would like to thank all the members who have contributed to achieve this.

The most important insight I have gained as a president are the following:

1. A leader can only be one if the members are supportive.
2. The support, cooperation and involvement of members is very important to achieve set goals.

3. To dance to the music of attitudes and moods of everyone.
4. Not to depend on promises of support before your term, instead appreciate members who are there during your term
5. Never hesitate to ask for help or advise when needed because members are just waiting for you to ask them.

We did our best to address the challenges the Rotary Club of Baguio faced and faces but we can only do so much when we all members of the club are present not only at fellowships and socializations but more importantly at project implementation and follow ups.

As I am about to pass the gable of leadership of the club to our new president, Atom Mendalla, I would like to thank my Rotary Club of Baguio Family for the opportunity to be of service. My heartfelt thank you goes out to everyone who believed that I can lead the club.

I would like to thank:

- The Board of Directors, Committee Chairs and our adviser Past President Veeh
- Past President Chris Peralta and Past Dist. Gov. Linda for heading our induction
- The chairs of our 82nd anniversary celebration Past Presidents Veeh and Raffy
- To all Past Presidents for your guidance and pieces of advice
- To all members who joined me in district events
- To EIC Cora for our weekly Canao
- To our scholars who were our club clerks and to Dan for our weekly program power point
- To all members who joined our service projects
- To our partners in service, our Rotaracts and Interacts

I know a simple THANK YOU will never be enough for all the trust and support you have given me and our club.

THANK YOU!

**Jess Sama**

PDG | Rotary Club of Baguio

It is with distinct privilege and pleasure that I extend my warmest greetings to the incoming Officers and Members of the Rotary Club of Baguio on the occasion of your Induction and Turnover Ceremonies. From the time it was chartered, you club has consistently become one of the active and outstanding clubs in our District and has continuously provided help and service to the underprivileged in many areas in your communities.

Every great challenge is an opportunity for renewal and growth. This is why despite this COVID-19 pandemic, we continue to do what we are most capable of, SERVICE ABOVE SELF. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and other social media platforms.

Judging from the club's roster of members with proven track records and respectable experiences, it is almost certain that the Goals and Objectives for this year that we established, will be achieved. Nevertheless, it is incumbent upon the officers to provide the appropriate leadership in order to guarantee the success of every undertaking.

As the year progress, what we, Rotarians, will discover is that the most lasting and rewarding educational experiences come not from specific information provide in speeches or textbooks, but from the values obtained in active engagement in meaningful issues. We achieve for ourselves only as we appreciate the problems and concerns of others – and only as we see our own lives as part of a much greater social purpose.

Let Rotary's magic shine – the magic that lets ordinary people, like you and me, do absolutely amazing things.

With all my heart, I wish you one and all, my very best wishes for another year of loving, of helping and opening more opportunities to serve those in need.

As Rotarians, let us always be inspired by the lives we saved and continue to save, the sufferings we stopped and continue to stop and the hopes we have given and continue to give.

Stay safe and healthy.

JESS SAMA

District Governor

AG Cluster 1-C RY 2020-2021

I am honored to congratulate the Rotary Club of Baguio on its 83rd Induction and turn over ceremonies.

**T**he oldest club in the District, since its founding. It is the epitome and model in making a significant difference in our local and global communities. Your dedication in Rotary has made all the difference. Your club has been a part of helping Rotary do its job in the world better. When we work together to take action, not for ourselves but for the good of others. You have changed the world.

As my personal memories, I was a Rotary spouse for eleven years in your club, which opened my eyes to the real meaning of Rotary, I saw the dedication of club members in doing service works, their fellowship and camaraderie, since then I have followed your footsteps and inspired me, the end result is my dedication to Rotary. Thank you, Rotary Club of Baguio for inspiring me.

I hope and wish that this year and in the coming years ahead, your club will continue to do great things in the world. Together, we see a world where people unite and take action to create lasting change across the globe, in our community and in ourselves.

Congratulations to President Alma Teresa O. Mendalla, all the Club Officer and Members of the Rotary Club of Baguio.

Together we transform the world into a better place.

Thank you.

Your Friend in Rotary

PDG | Rotary Club of Baguio

**W**arm greetings to all fellow Rotarians and Anns as it is celebrating its Induction Ceremony.

Congratulations President Atom Mendalla, all officers and members of Rotary Club of Baguio on our 83rd Induction Ceremony.

Long time vacation already caused by this Pandemic. “Na mi-miss ko na kayo lahat”. I am so worried about your health all of you my co-Rotarians.

We hope that this coming year, we will meet each other again after this Pandemic and I have already prepared my annual donation for RCB every time I am there again.

May I congratulate all officers and members of Rotary Club of Baguio.

Let us stay safe always and follow the department of health protocols. Keep on wearing face mask, washing your hands with alcohol always.

Bye and see you all very soon.

Stay safe everyone.

Thank you so much.

PDG Seichi Morita

**Dr. David Ling Sien Ngan**

President | Rotary Club of Bukit Bintang

Dear President Alma Teresa “Atom” Mendalla & Members of Rotary Club of Baguio,

**T**hank you for your invitation to forward our message for your 11/09/2020, 83rd induction ceremony of President “Atom” and Board of Directors. First of all, i would like to congratulate you all on this special occasion.

Also, on behalf of the Rotary Club of Bukit Bintang (RCBB), i would like to extend our club’s congratulation and compliment on the new dynamic leadership lead by your good self and your board of directors. May you continue to lead your club to ever greater height. This is especially so by remaining active in the community service which is one of the major pillar and service area in order to remain relevant. On top of this, fellowship is the main ingredient that keep us united, and form the join effort to pursue the Rotary dream for all.

Rotary Club of Baguio and RCBB have been enjoying good fellowship and collaboration. We had enjoyed robust friendship between us as the sister club in the past, and will certainly for the years ahead. During the years i have really enjoyed your club’s hospitality and company with a most memorable fellowship with any of our sister club. Many thanks to IPP Baby Khor and her team of members who have supported the year with flying colours. May our friendship continue with our stronger bonding despite all the odd and challenges of Covid-19 pandemic.

Indeed, it is very relevant that our Rotary theme is: “Rotary Open Opportunities”. May we continue to carry the torch and robustly connect to serve forward.

Despite the challenging time of this pandemic, let the Rotary outreach be able to meet the needs of the community in this hours of need. The onus is therefore, on us to continue the effort, in upholding the core value of the Rotary — Service, Fellowship, Integrity, leadership, Diversity and, be of “Service Above Self”.

May you serve forward with joy and a grateful heart. I wish President “Atom” and members of RC Baguio a year of great success with quality fellowship. I wish you all have a memorable induction event. We shall meet soon again.

Dr David Ling Sien Ngan,  
President of Rotary Club of Bukit Bintang,

**Yu Daibong**

Past President | Rotary Club of Wonju

Good morning Pres. Atom and RCB members.

I really want to visit Baguio and see you all but this pandemic, COVID-19, is making it hard for me. We signed as sister clubs on February 2012 so it has already been 8 years of friendship and service.

The first time I visited RCB was on January 2014. Since then, I had already visited you 15 times! I am very grateful for your warm welcome every time i go there. I reminisce all our activities and these memories are inspiring me to be of service with you again.

Our first activities were only through our clubs, RCB and Wonju, partnership. Now, other district 3730 members are joining us. This is because of the great results from your hospitality and effort. I want to have projects with you this year but COVID-19 is a big hindrance

I'm preparing to visit Baguio to discuss the governor's plan in 2021 to 2022 or as soon as things get better. I cant explain details yet but it will be a project between district 3730 and all Rotarians of Baguio. As of now, we need to focus and give more concern on the pandemic.

This time, I plan to support Baguio City by donating sacks of rice. I hope it will help your club, too. This project is by won ju rotary club.

At this moment, we also have lots of confirmed COVID-19 cases so my personal life and business are also affected. On the brighter side, all our 98 members are healthy.

Atom, I am very eager to see you and I hope it will be soon.

I pray for everyone's health and safety.

PP Yu daibong

## Discovering a new partnership

<https://blog.rotary.org/2020/09/09/discovering-a-new-partnership/>

*By Alfred Brothers, governor of District 6540 and a member of the Rotary Club of Anthony Wayne (Fort Wayne), Indiana, USA*

*Al Brothers*

I had heard of Toastmasters, but never got involved with the organization until last year, when Rotary members from our area and I attended the 2019 Rotary International Convention in Hamburg, Germany. There we heard about Rotary's collaboration with Toastmasters.

The two organizations truly complement each other. Toastmasters is a great way for Rotarians to learn and develop enhanced speaking skills. As professionals, communication is our gateway to reaching customers and clients, and promoting our service projects.

When we returned from Hamburg, our International Service director Floyd Lancia invited leaders from the Toastmasters district that covers Indiana to participate in our Zone Institute in October. Scott Brown, a divisional leader from Fort Wayne, and Jean Wolf, a program quality director, answered questions we had about Toastmasters and led a public speaking workshop for district leaders. The workshop took a championship level speech and reverse engineered it to demonstrate how to develop a remarkable presentation. I was impressed by the depth of the programs and the number of Toastmasters clubs in our local area.

Scott invited me to speak at a local training session in Fort Wayne. I received a warm welcome and provided an overview of Rotary, our district and our clubs. I brought members of one of our Rotary clubs who were also Toastmasters members. It was fascinating to hear an engaging and energetic speech by Pres Vasilev, Toastmasters 2013 World Champion of Public Speaking, who is both accomplished and world renowned.

I began using our district newsletter to send information and encouragement to clubs in our district to reach out and invite Toastmasters to speak to their clubs. We are hopeful that Scott can join us during a virtual meeting this year.

While the alliance is still new, clubs are already experiencing the benefits of working with their local Toastmasters club. They are making new connections, which is opening the door to more professional growth opportunities. Members are expanding their networks in new ways. This increased interaction between Toastmasters and Rotary clubs has even led to an increase in Toastmasters members inquiring about joining Rotary. Our district is setting the stage for a great partnership.

Learn more about [Rotary's partnership with Toastmasters](#).

**Editors note:** The following blog post was written before COVID-19. It has been edited with permission to reflect the impact of social distancing and meeting virtually. Please visit the [Rotary](#) and [Toastmasters](#) websites for further info about how these organizations are keeping members safe and connected during the pandemic.

# Rotary International Corner

## No use crying over spilled milk

<https://blog.rotary.org/2020/09/03/no-use-crying-over-spilled-milk/>

*By Martin Cohn, past president of the Rotary Club of Brattleboro, Vermont, USA*

*Martin Cohn holds up containers of Green Mountain Yogurt made from surplus milk.*

In the early days of the COVID-19 pandemic, Vermont dairy farmers were in trouble. With the close of colleges and restaurants, there was too much supply of milk. This excess was headed to be spilled into mudholes. At the same time, the need to help food-insecure families was increasing. How could food that was being wasted reach people who needed food?

That's when I heard about a [project](#) where the Vermont Agency of Agriculture, Food and Markets was coordinating an effort to recover raw milk from being disposed of while creating a new, temporary food supply for Vermont Foodbank. In collaboration with the Vermont Community Foundation, \$60,000 was made available to purchase this milk for the benefit of Vermonters. These efforts were particularly important as Vermont's dairy industry, like all sectors, had been challenged by COVID-19 but remain essential to the state's food supply. However, more money was needed.

When I heard about the need, I sprang into action. I sent out emails to fellow Rotarians and within days an additional \$10,500 was raised. These monies came from eight Rotary clubs, a donation from the District 7870's Youth Exchange, and the District 7850 Foundation. This helped cover the cost of 32,000 gallons of milk, ingredients, and processing to create 48,000 cups of Green Mountain Yogurt, 11,500 gallons of Hood Dairy 2% Milk, and 440 pounds of Ploughgate Creamery butter.

Secretary Anson Tebbetts of the Vermont Agency of Agriculture said, "This is what Vermont is all about. Neighbors helping neighbors. Thank you Rotarians, farmers, and businesses. You and so many are helping those in need." [Media](#) reports identified Rotary as being a good collaborator in finding a solution.

But there is more to the story. The state of New Hampshire had similar issues. The difference this time was that the cost of milk had gone up; making the filling of tankers too expensive. The solution was to have the New Hampshire Foodbank buy dairy products directly from dairy farmers. Calls were made to the NH Agency of Agriculture, the Granite State Dairy Promotion Board, the NH Foodbank, and the NH Charitable Trust. Again, emails and presentations to Rotary clubs resulted in nearly \$18,000, coupled with monies from NH Charitable Foundation, enough money to set the project in motion.

This is another example of Rotary in Action. I am proud to be part of an organization of committed community problem solvers. This project was a success and one that could be replicated anywhere that you can ask, "[Got Milk?](#)"

As I have been presenting this project to Rotary clubs in Vermont and New Hampshire, I was reminded of the time my mother would give me a quarter every Friday to give to my teacher to buy containers of milk for the following week in school. If every Rotarian donated one dollar each week and then gave all the money to their local food bank or pantry, more milk could be purchased for food-insecure folks while helping local dairies. Perhaps this is a project for another day.

### Meeting

Tuesday, 08 September 2020

ATTENDANCE: Dir. Mariver, PP Gerard and EIC Cora

- **Proposal of PE Naas**

To organize an Internet Cafe for those scholars who do not have computer or access to Internet. We will have to find a place with easy access to them.

- **Proposal PP Gerard**

1. Ask to our scholars to participate once on the year to an RCB activity, maybe in cooperation with our Rotaract club, to know a bit about our club.
2. Ask to our scholars to be guest of one or two RCB meeting, to present what is their mind for their future after that they finish High school or college.

- **Proposal EIC Cora**

To conduct a seminar for Webinar / Seminar via Zoom “Design Thinking Process”

- **Proposal Dir. Mariver**

Planning to have scholar to TESDA for single mothers.

Dentistry

# Rotary Club of Baguio

Our Official Club Bulletin has been called The Cañao. “Cañao” (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club’s members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of “A Celebration of Service.”

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club’s straightforwardness. Over-all cardiode-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants—now 3D bevelled) are symbolic of Rotary’s Four-Way Test and the members’ commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

**Service Above Self.**
