Immediate Past President

**PP/PAG Gigi Maranan**  
Adviser

Happy Chinese New Year, my fellow Rotarians and Rotary family! We are now in February 2022!

Thank you to everyone who attended last week's virtual meeting and our gratitude to our featured Rotarian, PP Gerard Audineau, and to PP Veeh Balajo, who hosted the interview. Kudos to Team V9 Squad for successfully hosting the January meetings.

We are back to our blended meetings and our host for this month of February is Team BRIA. For now, face-to-face attendance at Abong will be limited so please contact Team BRIA (headed by PP Baby Kaur) should you wish to be physically present in today's meeting. By the way, PP Baby and PP Marilyn are also busy preparing for our Anniversary Celebration on 26 February 2022 but we need your support and commitment as club members so please contribute in whatever way you can.

The Mid-Year Review scheduled for today, 05 February 2022, has been moved to 19 February 2022 (Saturday). There seems to have been some challenges with the travel restrictions and protocols to enter Pangasinan so an alternative venue is being arranged. The Candidates Forum, however, will push through at the Hilton Hotel, Clark, Angeles City. Safe travels to PAG/PP Gigi Maranan who is attending the activity today.

In "better" times pre-Covid-19, February had always been my busiest month. My schedule was full with the back-to-back activities of Baguio's Panagbenga, Abong, Chinese New Year and Rotary events. Although most of the activities are now done virtually, it feels different and I can relate to the people's yearning for face-to face events. Thankfully, the restrictions on social gatherings have been lifted once again. It's almost two (2) years into the pandemic and I am grateful that our RCB members are still here, doing their very best to adjust and adapt to any changes brought about by the government restrictions and safety protocols. Thank you for your patience, commitment and support, my fellow Rotarians!

Have a great week, everyone, and let's remember to keep safe and stay safe! God bless!

*"There is a big difference between interest and commitment.  
When you are interested in doing something,  
you do it only when it's convenient.  
When you're committed to something,  
you accept no excuses; only results!"  
- Kenneth Blanchard*

# CLUB SPEAKER'S PROFILE

## Marlene Baltazar De Castro

Executive Assistant II  
LGU Baguio

### Biography

I am entering in a new arena, and that is a level up in my sense of being and purpose. I have asked myself 'what's my next best'. I have proven my other best as a mother, as a community worker and being with the government. I asked myself, 'what's next?' and it looks like may ibang agos. I am hoping that I would be given the opportunity to work it out at the legislative arena and if I am there, I think I will enjoy because this is now a level up reaching out and being of service to the City of Baguio.

### Work Experience

**Executive Assistant II**  
Office of the City Mayor (2019-2021)

**Executive Director**  
Baguio for Young Adults (1987-2021)

**Program Analyst**  
Benguet Foundation (JVOFI) (1986)

**Science Research Specialist**  
Highland Agriculture Development Project (HADP),  
Department of Agriculture (1986-1987)

**Settlement Officer / Regional Planning Officer I**  
Ministry of Human Settlement Area Coordinating  
Center (MHS-ACC1) (1983-1985)

**Project Officer I**  
Human Settlements Regulatory Commission (1979-  
1983)

**Instructor I**  
Don Mariano Marcos Memorial State University (1978-  
1979)

### Education

**Master in Social Development**  
Benguet State University

**Master in Public Administration**  
UP Baguio

  - D. **ENTERTAINMENT** by Rtn. Vangie was in-charge and pre-

# SECRETARY'S REPORT

## Highlights of the Meeting

sented 2 beautiful songs from her nephews who will soon launch their talents and original composition of sweet songs soon.

- E. During **MEMBER'S TIME**: None
- F. During **PRESIDENT'S TIME**: Pres. Arnel greeted the members via ZOOM, he also mentioned that in the day's meeting attendance is 17 on-line.

He also reported / announced the following:

- i. Greeted RTN. VANGIE for being in RCB for 9 years.
  - ii. He also announced that the Candidates Forum/MID YEAR was moved from 22 January to 5 February 2022. The registration fee will be Php 800 per pax and it will be held in Dagupan.
  - iii. The TRF/MASQUERADE will be on 12 March hosted by cluster 3A. The registration fee is 2000 per pax and payments are accepted until 2 March 2022.
  - iv. Vocational Awards will be held during the 84th Anniversary on 28 February 2022.
- G. **FEATURED ROTARIAN: PP GERARD AUDINEAU**

PP Veeh introduced the featured Rotarian for the Month, she said that RCB is blessed to have him as member and an active president during his term, the valorous of V9- squad. PP Veeh interviewed PP Gerard so members will know him better and to share his experiences and achievements in Rotary Club of Baguio.

PP Veeh mentioned that PP Gerard has a twin sister which was interesting and so she asked him to tell more about himself. PP Gerard started sharing information about his place of birth which was in Turis, Turisla. He showed a cute baby picture when he was 1 year old which was also the year when RCB was born.

Life as a teenager. His family moved to France and had a happy and fun life.

Life as a college student. He finished his course Civil Engineering in INSA although his first choice was Architecture. His twin sister made it anyway because both of them were good in design. He also pursued his MBA in IAE Paris to support his skills needed in his job.

PP Gerard also shared his military service as Civil Engineer in Africa and showed projects he was able to accomplish there like the Periphery Avenue Underground Train in Paris, Expressway, Mining and the works in Nice International Airport. He also narrated his life for 24.5 years in Nigeria and showed amazing projects and how he was convinced to stay in Nigeria for a long period of time.

Life with family. PP Gerard has 5 grand kids and he chose Philippines because of love. His choice of city had a lot of things to consider such as school, hospital, people and the like and Baguio was his first choice after travelling around the country with his family.

Life in RCB. He was originally a member of Lion's Club until he was invited by our former member of the club, PP Helmut Schlaaf, an offer he cannot resist but did not regret as he has the best times of his life until now in RCB. He shared his memories when he was still the RCB President and remembering the theme "LEAD THE WAY", his inspira-

tion to accomplish great projects at that time.

PP Veeh also mentioned PP Gerard's good heart as a friend, the time when she was fighting the big C and was in the hospital recovering from an operation, the first Rotarian to visit her was PP Gerard.

PP Gerard has 10 MATCHING GRANT projects and they were all great projects for the community such as the matching grant 64541 granting computers, monitors and other gadgets for Batuan, Asin Rd Elementary School, the Sitio Luding water distribution, donation of Braille Embosser for the Institute of Inclusive Education in Saint Louis University, project with Phases Learning School and others. He is thankful to PDG Nicdao for helping and supporting the club for all the grants that was used for these great projects.

He enjoyed the fellowship in the club and he knows that even some of the members cannot understand his English, still exerts his effort to make friends with everyone in the club. Meeting face to face made him happier nowadays.

Legacy of PP Gerard. He said that his time and energy were spent for RCB and he wanted to be remembered as a HAP-PPY person and dedicated to the club for as long as he lives.

### Questions and Answers

- i. PP Bert mentioned that during his term as president, PP Gerard was the secretary of the club and congratulated PP Gerard for being the MATCHING GRANT GURU of RCB. He also informed the club that at age 60 he was the only member with him who visited the source of water in Sitio Luding back in 2009
- ii. PDG Linda cited that PP Gerard was the most outstanding President during his term in the district.

### RESPONSE by PP Lito

PP Lito expressed his appreciation to PP Gerard and that he deserved to be featured in the club. The club acknowledged the great contributions to the club and blessed to receive all the matching grants thru his efforts and dedication.

President Arnel awarded the certificate of appreciation to PP Gerard for being the FEATURED ROTARIAN for the month of January 2022.

### H. ADJOURNMENT

PP Veeh acknowledged the members of the V9-squad for leading the January program and featured each one as follows:

PP Gerard – VALOROUS  
PP Veeh – VIGILANT (team leader)  
Rtn. Vangie – VIRTUOUS  
PP Lani – VIBRANT  
PP Chris F – VALIANT  
IPP Atom – VIVEN  
PP Lito – VIRTUOSO  
IDir. Susan – VENUS

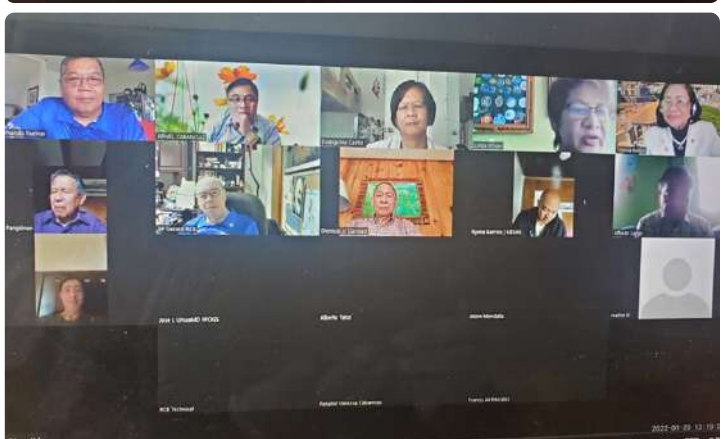

After the singing of Pilipinas Kong Mahal and RCB Hymn, President Arnel once again thanked team V9- SQUAD and the members who joined the day's meeting.

**MEETING ADJOURNED: 2:30 PM**

# FEATURED EVENTS

## Rotaract Team Meeting with Sto Tomas NHS' Teachers

03 February 2022

Starting at 8:30AM to 3:30PM, the Rotaract Team, together with RCB President Arnel Cabanisas conducted a seminar with Sto Tomas National High School teachers and principal on the use of Zoom, Canva, Kahoot and Google Meet.

# ROTARY INTERNATIONAL PAGE

## RI President Message for February 2022

**Shekhar Mehta**

**President**  
Rotary International

**A**t the start of the Rotary year, I challenged every club to plan and host at least one practical and action-oriented Rotary Day of Service. The event should address a challenge your community is facing that fits into one or more of Rotary's areas of focus and should bring together volunteers from within and outside of Rotary.

Rotary Days of Service can motivate Rotary, Rotaract, and Interact clubs to plan innovative and impactful projects. They can showcase your work as people of action and introduce prospective members to your club.

I've been inspired by your response so far, and I want to share with you just one project that has captured my imagination.

India is home to an estimated 74 million people with diabetes, a disease that is a leading cause of death. Furthermore, about 50 percent of those people remain undiagnosed.

Rotary, together with the Research Society for the Study of Diabetes in India, saw the urgent need to diagnose, track, and treat people who have diabetes. Working together and with other organizations, we hosted a nationwide blood glucose testing camp on 29 September, which is World Heart Day.

The camp was spread across more than 10,000 sites in India, with more than 2,000 Rotary and Rotaract clubs participating in the effort. More than 1 million blood-sugar tests were conducted in a day, an accomplishment recognized by the Asia Book of Records. But more important than breaking a record is the fact that tens of thousands of people learned that they may be living with diabetes. They can now be treated for the condition, and they also have been made aware that they should take extra measures to shield themselves from COVID-19 and scores of other diseases that are caused or worsened by diabetes.

This month, on 23 February, the anniversary of Rotary, let us celebrate with more service days, showcasing Rotary's work in our areas of focus. I look forward to hearing about your Rotary Days of Service. Please share your projects on Rotary Showcase, or browse that webpage to find inspiration and project partners. In particular, I encourage you to execute projects that focus on empowering girls, as they have been disproportionately affected by the pandemic. The Empowering Girls initiative is resonating very well with members of Rotary as well as with non-Rotarians. The governments and NGOs in various countries are appreciating this meaningful effort. Let us keep focusing on it.

I am also happy that the Each One, Bring One ethos is bringing fruitful results. Let us ensure that all club members introduce at least one person to Rotary, and that we then all work to engage new members and keep them in our clubs.

In whatever we do, remember that we must push ourselves to grow more, do more as we *Serve to Change Lives*.

## EIC Cora Ocampo

Rotary Club of Baguio

## The Importance of a Positive Peace Mentality

<https://www.peaceinnovation.com/blog/the-importance-of-a-positive-peace-mentality>

### Introduction

For decades, self-help resources have been telling us to adapt a positive mindset, to look on the bright side and filter out the negative. For the same amount of time, we have been trying to figure out what that means. What is positivity? How does one simply “think positive”? And, why is it easier said than done?

In this post, we'll discuss what it means to have a positive peace mindset, how you can get there, and how this mentality will benefit you, and those around you in the long run.

### What is positive peace?

Positive Peace is essentially the creation of peace through positive actions and interactions. A simpler way to understand this concept is by discussing its opposite: Negative Peace. According to Norwegian sociologist, Johan Galtung, Negative Peace is the attempt to create peace through an absence of violence. While the concept of negative peace is still an attempt to achieve peace, it can often be more difficult to achieve peace in this way, rather than by having actions, interactions, societies and institutions that promote and advocate for peace.

An example of positive peace would be aiming to create a more inclusive and supportive workplace through education and value restructuring, which in turn results in a more peaceful workplace. On the other hand, negative peace in this scenario would be trying to remove toxic people or values from that workplace in an attempt to make it more peaceful. Notice how the former method aims to proactively restructure for a sustainable positive outcome, while the latter is in response to conflict or negativity, and seeks to neutralize the situation, leading to a more temporary outcome.

### How to Create and Sustain a Positive Peace Mindset

Now that we have a better understanding of positive peace, how can we make it a mindset? Since positive peace is the attempt to create peace through positive action, a mindset of such would include thinking thoughts and doing actions that will contribute to peace within yourself and through your interactions with others. Contrary to popular belief, you should not avoid negative thoughts - that would create a negative peace mindset, which will not lead to long term impact.

According to [Positivepsychology.com](http://Positivepsychology.com), some characteristics of a positive (peace) mindset are optimism, acceptance, resilience, gratitude, mindfulness and integrity. It's quite possible that when people try to adopt a positive mindset, they try implementing only one or a few of these characteristics exclusively, which can lead to an unsustainable mindset. Rather, you should attempt to implement as many of these characteristics as possible, especially mindfulness, acceptance and resilience - which will be important in negative situations and shortcomings.

Stanford University Behavioral Scientist, Dr. BJ Fogg, explains that real, sustainable positive change must come from tiny, feasible habits that you can do everyday. Fogg explains that most of the time, you already know how to do the thing you are aiming for; you just need to be able to make it an automatic thing that you can do habitually to sustain your change.

Some simple tiny habits you can do for a positive peace mindset are:

- Telling yourself a few words of affirmation upon waking up in the morning
- Practicing mindfulness through a minute of deep breathing
- Accepting tiny things that you have no control over
- Break down daunting tasks to set small, attainable goals for yourself each day or week
- Keeping track of your accomplishments, no matter how small
- Journaling at least once per week to jot down thoughts, goals, blocks, things you are grateful for, etc.

Once you are able to create tiny, positive thinking habits that require little thought and energy, this change to your mindset will become easier and more sustainable.

### Benefits of Adopting a Positive Peace Mentality

First and foremost, adopting a positive peace mindset will overall improve and clear your headspace. Working on your mindset will also help you improve your coping skills and overall mental and physical health, as well as your critical thinking skills

Where the positive peace mentality really comes into effect is beyond yourself; in order to affect sustainable positive peace in our societies and in the world, we must use our positive peace thinking to be creative and solve problems in our everyday life. With the clarity that comes with this mentality, you will be able to productively and positively communicate your ideas with others, which allows for things such as: higher job satisfaction, productivity, efficiency and better interpersonal relationships. Ultimately, the hope is that this clearer, positive peace headspace will lead to the cultivation of structures and changes that result in positive peace in your workplace, society, or beyond.

### Conclusion

Adopting a positive mentality has been a goal for many individuals for as long as humans have faced adversities. In order to successfully hold such a mindset and be able to see benefits from it, we must understand what positive peace is and it's goal. Then, through tiny, positive habits in our everyday life, we can create a sustainable positive headspace that will benefit us and those around us, to ultimately create positive peace in your environment and beyond.

Past President  
Rotary Club of Baguio

## HTTPS

Just sharing info that might be of help to secure our online banking.

What is the difference between http and https? Some of you may be aware of this difference, but it is worth sharing for many that are not.

The main difference between http:// and https:// is all about keeping you secure.

HTTP stands for Hyper Text Transfer Protocol. The S (big surprise) stands for "Secure". If you visit a Website or web page, and look at the address in the web browser, it is likely begin with the following: http://.

This means that the website is talking to your browser using the regular unsecured language. In other words, it is possible for someone to "eavesdrop" on your computer's conversa-

tion with the Website. If you fill out a form on the website, someone might see the information you send to that site.

This is why you never ever enter your credit card number in an Http website! But if the web address begins with https://, that means your computer is talking to the website in a Secure code that no one can eavesdrop on.

Now, you understand why this is so important, right?

If a website ever asks you to enter your Credit/Debit card Information, you should automatically look to see if the web address begins with https://.

If it doesn't, you should NEVER enter sensitive Information such as a credit/debit card number.

PLS PASS IT ON (You may save someone a lot of grief).

## THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

# Rotary Club of Baguio

## THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to
