IPP Arnel Cabanisas
Immediate Past President

Good afternoon, fellow members, Rotary spouses, Rota kids, friends of Rotary, and guests. Today's meeting is more on fellowship, singing and more fun.

Last Saturday, Past President Chris Faelnar, IPP Arnel and myself attended Governor Ann's induction at the Travellers Hotel in Subic. The next day, Sunday, was a productive meeting with D3730 Gov Yu Daibong, DS Yoon Tae Jong, Gov Ann Lorenzana and Gov JP Cadaing. We can say that our Club's Proposed Global Grant on the Water System Rehabilitation has passed the initial stage as presented to the Governors with committed DDFs from our District and from our international partners. However, our club has to share USD 1,600.00 to this worthwhile project. In the evening was again a fellowship dinner hosted by Gov Yu at the K Flavors attended by our club's Grant Committee's PP Gerard, PP Chris F, PP Bert and me.

The next day, Monday 25 July 2022, was also a very fruitful day of several service projects done by and or through our very own Rotary Club of Baguio and attended by a good number of members. Governor Yu was the earliest next to me at the City Hall at around 7:15 AM. While we were at the city hall grounds, I happen to bump with Gaby Keith, a friend in college. He invited us to the mayor's office. While waiting at the corridor, we got the chance to meet the Paralympic Athletes of Baguio who will be representing the Philippines in Indonesia for the Archery competition. They were introduced to Gov Yu, after which was a photo op with him and the said group. Was it a coincidence or was it fate? As Gov Yu also committed to give them what they requested for, a computer set for their organization. Again, an opportunity for the RC Baguio to be of service.

Since we learned that the mayor is officiating a wedding, we then opted to go back to the city hall grounds. During the ceremonies, the Rotary Club of Baguio was one of the recipients of the City Government's recognized organization for its fight against the covid pandemic.

Our first service project for the day was the turning over of 3 wheelchairs donated by Hon. Rowena Guanzon and the P3PWD PL in partnership with us the Rotary Club of Baguio, to the City of Baguio through the city's Persons with Disabilities Affairs Office (PDAO) headed by Dr. Samuel Aquino.

After which, we went to the 3 different schools for the assessment of the school facilities done by Gov Yu, DS Yoon, Joseph Kim and 7 RCBaguio Members. Initially, what we knew was just a computer and projector donations to said schools for the enhancement of their respective school teachers' skills. However, what is good with the assessment, you get to see other problems, that we might be able to help them with. We hope the repairs Gov Yu had noted will be considered together with his donations.

Tuesday, 27 July, is another meeting hosted by Gov Yu, for him to meet with the Presidents of Cluster 1C. He offered other clubs who have no Korean sister clubs to consider having one. He proudly said that his, is our sister club wherein better friendships has been nurtured for 10 long years now and beyond, with service projects along the way. He also requested for a cluster project to be held on 23 Feb 2023 for him to join.

PRESIDENT'S MESSAGE

Wednesday, 28 July, we in the Northern Luzon experienced the terrifying earthquake which made people run out of their respective workspaces and homes. It saddens us because of its devastating effects. This is another time for us to be compassionate especially to those who were deeply affected.

TO : **Gov. TO : **All The Members of the Rotary Club of Baguio** for your continuous support to our Rotary journey this RY 2022 - 2023

TO : **VP Joe** – for presiding over last week's meeting.

TO : **PP Chris F, IPP Arnel, PP Bert, PP Gerard, PP Libby, PP Mia, Gov Linda, PP Baby, PP Marilyn, PP Raffy, PP Lani, PP Anet, Dir Lorena, Dir Susan and Dir Glen** for attending this week's RC Baguio's various service activities.

TO : **PP Raffy**, for re creating our RC Baguio Website

TO : **Dir Glen** for initiating our partnership with the Baguio Benguet Bankers Association's Fun Run.

And again, to the dynamic Team Pasikat for hosting our July 2022 vibrant meetings.

Let me end my corner as we, **IMAGINE...** if all Members of the Rotary Club of Baguio show kindness in our own little ways. **IMAGINE...** if all Members of the Rotary Club of Baguio attend our Service Projects... **IMAGINE PEACE and HARMONY** in our organization as we **ALL JOIN HANDS** for the betterment of our Club, and the community(ies) we serve...

IN RETROSPECT

PP Marilyn Barredo

Past President / Treasurer
Rotary Club of Baguio

arrived around 12:15 in a very lively Training Center. RCB Members we're in a good mood enjoying the Fellowship and ready to have a RCB meeting.

The meeting started promptly at 12:30 presided by VP Joe Ursua...Pres Ali together with PP Chris Faelnar and IPP Arnel were on their way to Subic to attend Gov Ann Lorenzana's induction and to meet with Gov Yu DaiBong to discuss the Global Grant.

Program Coordinator, Dir Glen, continued onto the Invocation led by PP Libby. Afterwards, Everyone sang the Pambansang Awit, Rotary Hymn, and the 4Way Test.

Dir Lou Introduced the guest, who was the son of PP Veeh and then the Members at the Head Table. Joining VP Joe were: Program Coordinator Dir Glen, PDG/PP Linda (will introduce our Featured Rotarian) and PP Chris Peralta, my cousin, the Featured Rotarian.

Rtn Modz who was assigned for Entertainment was not able to attend due to a work related event....but he sent a video clipping from America's Got Talent...two contestants were featured.

Raffle was assigned to Dir Lorena but also had some commitments that PP Libby and Dir Lou were the Raffle Queens. Prizes were bundles of Dragon fruits (which everyone liked), Cartons of Juices, Cartons of Low-fat Milk and Toblerone chocolates. Practically everyone in the meeting won..there were several who won multiple times and maybe only two were unlucky. Big winner was PP Alfred - after winning five times, waved about three more wins.For this he bought Ice cream for everyone to enjoy. Thank you PP Alfred (more wins for ice cream). The Raffle made 2,425.00 Pesos. There was a discrepancy of 50 Pesos from the list vs cash due transferring from a list into the official list.

Moving on to Members Time:

PN Cora announced PP Raffy's creation of our RCB Website. Many thanks PP Raffy.

Gov Linda solved the 50 Pesos Raffle discrepancy .. it was her entries..she gave 100 Pesos but only listed her name twice.

Dir Glen expressed his surprised/concerned that PP Raffy questioned if he is still a RCB Member. "PP Raffy, I am here and still a Member of the Rotary Club of Baguio".

PP Raffy explained that he was just kidding...kinda breaking the ice sort of speak.

For President's Time, Presiding VP Joe firstly, applauded PP/EIC Libby for the Canao...VP Joe enjoyed the read. He

sadly conveyed our Condolences to the family of Jen Winter and husband Andrew for the passing of Andrew's Mom. He then announced the following activities happening on Monday: Starting in the early morning after the City's Flag Ceremony, RCB will turn over three Pediatric Wheelchairs to the City through the generosity of Honorable Rowena Guanzon and the Recipients will be in the hands of PP Mia. Upon completion, off to the distribution of 28 computer laptops to three elementary schools namely Yagyagan Elementary School, Tagadi NHA Elementary School and Gilbert Semon Elementary School. The Computer Laptops were donated by South Korea Rotary District 3730 through Gov Yu DaiBong. All Members are invited.

On Monday, Together with Gov Yu DaiBong, some Members of RCB visited the mentioned three Elementary Schools to assess their educational needs. The Computers, etc. may be distributed in February during Gov Yu DaiBong's next visit.

Gov Linda introduced our Featured Rotarian, PP Chris Peralta. PP Chris is known to all and has been a member of RCB for 21 years. He coordinated our hundreds of Medical Missions. Truly a dedicated Rotarian and a good friend.

PP Chris Peralta acknowledged the hundreds of Medical Missions he coordinated and enjoyed the fellowship and service to the Communities. He presented his life in pictures; introduction of his Families (RAPP Maya, Lloyd,Ryan, His Dad, Mom, brothers and big sister); In the beginning their parents moved the family a lot due to the nature of my Uncle Pat's job as an Air Traffic Controller under the United Nation; He walked us through his many travels from Oklahoma City, New Zealand (with me), Austria, Prague, Germany, Singapore, Africa, Fiji Island and many more. He enjoyed his job in Fiji as the Island's only Doctor in command of the hospital and it's staff. He stayed for nine months in short of his two year contract to go back home and take care of his family. Sadly, his parents and big sister passed. He also enjoyed his times with his colleagues in serving the different regional communities and having get-togethers for fellowship. PP Chris feels good about his life and accomplishments.

Thank you for Sharing - our Featured Rotarian, PP Chris Peralta.

Program Coordinator, Dir Glen, skipped the Open Forum and continued on to singing the RCB Hymn and Pilipinas Kong Mahal.

VP Joe thanked everyone's attendance, bid us all a great weekend and adjourned the meeting at 2:30PM.

Creating positive change: Rotary's Empowering Girls initiative

By Elizabeth Usovicz, Rotary International Director,
chair of Rotary's Empowering Girls Task Force

Pace Universal is a school for girls in Piyali Junction, outside of Kolkata, India, funded in part by Rotary clubs and The Rotary Foundation. Rotary's Empowering Girls initiative encourages projects like this one to empower girls to be able to make choices and create positive change.

What does it mean to be empowered? For girls throughout the world, empowerment is the ability to make choices and create positive change in their own lives, as well as in their families and communities.

Empowered girls become empowered women. Reaching out to the girls of our world is the heart and purpose of Rotary's Empowering Girls Initiative. Our stories of supporting girls are interwoven with their stories of empowerment, like the story of Atupele, a girl in Malawi.

I first became aware of Atupele when she was in primary school through my volunteer work with a local organization serving at-risk children in rural villages. Atupele was orphaned by AIDS as an infant. With Rotary club funding and assistance from Malawi Children's Village, Atupele was raised by her grandmother.

Atupele was smart and determined. She wanted to go to secondary school, but had no money for tuition, uniforms or books. Rotary club funding and donor support provided Atupele with a scholarship. When she passed the entrance exams for nursing school, donor funding subsidized her studies.

In her first year at nursing school, Atupele suffered

gender violence and became pregnant. Forced to return to her village, Atupele's hopes of becoming a nurse faded.

Atupele gave birth to a daughter. Unfortunately, her baby did not survive. Throughout those dark times, Atupele never gave up her dream of becoming a nurse. With sheer determination, encouragement from Malawi Children's Village and Rotary support, Atupele returned to school and completed her nursing studies. Today, in her own words, "I am working as a pediatric nursing officer. I do the following: delivering babies, prenatal and postnatal care and clinic, as well as adult nursing."

Atupele's journey has not been easy, and she continues to face challenges as a healthcare professional in a country where the ratio of care is one nurse for more than 2,000 patients. Despite significant barriers, Atupele has persevered. She has created positive change in her own life, and is a valued member of her family and community.

This is why our club, district and Rotary Acton Group projects to empower girls are so important, and why these stories matter. Now in its second year, Rotary's Empowering Girls Initiative has launched thousands of projects and activities, from gender-based violence awareness and prevention in South Africa and South America, to vocational skills training and micro-lending programs in India, to menstrual health and hygiene education, products and gender-specific bathrooms in schools worldwide.

What can your club do? Support the girls of our world and partner with a [Rotary Action Group](#) or community organizations on an Empowering Girls project. Tell your stories on social media and in your community. List your activities in the [Empowering Girls campaign on Rotary Showcase](#). Coming in August 2022, find more information and resources on the [Rotary Presidential Initiatives page](#).

In the Chichewa language of Malawi, Atupele means "gift." The most valuable gifts we can offer to girls is a voice in their own futures, the opportunity to choose for themselves and the ability to create positive change in their own lives, families and communities.

Past Presidents of the Rotary Club of Baguio – KUDOS!

PP / EIC Libby Fernandez

Past President / Editor-in-Chief
Rotary Club of Baguio

Others might be surprised that the Rotary Club of Baguio is comprised mostly of Past Presidents. As of today, there has been no recycling of the said office. As they commonly say, "You become President of the Club just once! Do your best!" True.

With the Rotary Club of Baguio, it is definitely wrong to think that one's active and committed Rotary years end after one's Presidency. As if that is the ultimate goal for some. I would not even believe that a "rest for while" or "I've done my part" are valid reasons for dropping the reins of responsibility. This is not so in our Club. Most of the Club's Past Presidents never stop the motion of their Rotary lives taking in more tasks if necessary. As a matter of fact, they always and promptly appear on activities, attend regular meetings and bring joy and life to the Club. Yes, membership par excellence!

And so President Ali Morales states, "Oh it's really tough to be a President!" I say "True! But look how lucky you are, you have all the Past Presidents behind you!" It cannot be denied that the all the Past Presidents of our Club underwent baptism of fire, unending critiques, damn if you do, damn if you don't thing, stress and all that reflected only toughness, commitment and service to others. Never did anyone turn cold along the way. Maybe battered, but with a winning finish!

Rotary Club of Baguio Past Presidents cannot be taken for granted. They remain to be the most respected, relied on and truly honored Rotarians. They have no qualms about the "past president" attitude. When they speak, perform and deliver, one can clearly discern the character of a True Blue Rotarian. Rotary has become so much a part of their lives and will give their "bests" and their "most!" Don't ask for less, you will be disappointed.

And so President Ali and our future Presidents, do not fear, face the challenge and enjoy the ride. The sail is rough but you just don't throw away the trust and opportunity given you. You must know, the Past Presidents are watching... and will guide you...and be fair with you.

Always know, with the Rotary Club of Baguio, everything is about the Club, its noble cause and goals. Who sits as President is never an issue!

MEMBER'S PAGE

The SERGEANT-AT-ARMS

PP Veeh Balajo

Past President
Rotary Club of Baguio

Let's Talk About

ROTARY PROTOCOL & DECORUM

over a cup of coffee

In the RI Manual of Procedure, it states that: "The officers of a club are the President ... and a sergeant-at-arms who may or may not be member of the board as the bylaws of the club shall provide.."

In my early days in the Rotary Club of Baguio, I clearly remember that we had a sergeant-at-arms (SAA) for the longest time, in the person of Rtn. Teddy Almonia. Another vivid memory of one of our sergeant-at-arms was PP Helmut Schlaaff, who even wore a beautiful sash, which he donned every meeting.

Do we need one in our present setting in the Rotary Club of Baguio?

The functions of the sergeant-at-arms are as follows:

- help maintain an orderly dignified & effective Rotary club meeting, one that will make a right kind of impression on club visitors & guests
- should be constantly on the alert to **prevent any occurrence that might detract from dignity & prestige associated with Rotary clubs**
- handle physical preparations for, and the mechanical part of, a meeting, and unobtrusively to guide its general conduct

Thus, with the sergeant-at-arms around, the club president is free to concentrate on conducting the meeting & the operational aspects are carried out with ease.

The SAA's first responsibility is to request from the Club President, the Chairmen of the Attendance, Fellowship, and Program Committees what, in general, they will expect each week. In coordination with them, SAA will take charge of the mechanics of club meetings throughout the year.

Prior to each club meeting, SAA should:

- consult with the Program committee chairperson regarding equipment requirements...
- consult with the President for any special requirement...

Typical assignments (Best practices from other rotary clubs):

The sergeant-at-arms must follow one cardinal rule:

- **Always arrive at the meeting place at least 15 or 20 minutes ahead of time to ensure that every thing is ready:**

- Are the tables and chairs properly arranged?
- Is the gavel, gong, and banners and other regalia on hand?
- Is the Club's Charter on display?
- Is the sound system operating at the correct level?
- Are the lighting, temperature, and ventilation correctly regulated?
- Are the necessary gadgets prepared for showing audiovisuals?
- Have the program participants arrived and prepared for their parts in the program?

Other Assignments

- **Be at the door.** Stand at the door of the meeting place five minutes before the meeting begins. Welcome visitors if no one has been assigned to do this. See that all the members are inside the room by meeting time.
- **Name badges (if any):** Be sure that all members are wearing their name badges. These are especially helpful to visitors and new members.
- **5 Minute warning:** It is always important to start on time.
- See to it that:
 - : members are seated promptly & without confusion;
 - : if feasible, there are no vacant places between members;
 - : no cliques are sitting together;
 - : all guests are taken care of properly.
- Make sure the food is served promptly.
- Handle late arrivals & early departures.
- Maintain order throughout the duration of the meeting

THE RCB SCENARIO TODAY

In our set up today, which started last Rotary year, we are divided into teams which will take care of all the needs of the meetings per month, from program

organization/mechanics, meeting agenda, assignment of program participants, invitation of guest speakers, etc., all in consultation with, and approved by, the club president.

Our Pres. Ali suggests that the tasks of the sergeant-at-arms be assumed by the team in charge of the month.

Thus, may I suggest that the functions of the sergeant-at-arms be handled by the team leader of each group, or whoever he/she will designate in his/her absence. This may already be the NOW NORMAL handling of our weekly meetings for many years to come. We may need to introduce some innovations in the future as the need arises, for a smooth, orderly and enjoyable flow of our weekly meetings, observing the proper Rotary Protocol and Decorum, guided by Rotary's Code of Conduct and the Four Way Test.

We do encourage and welcome suggestions, comments from our esteemed members for the betterment of our club meetings management.

THE CAÑAO EMBLEM

Our Official Club Bulletin has been called The Cañao. "Cañao" (pronounced as kan-yau) is actually the local term for the dance during native feasts or celebrations in the highlands of the Cordilleras- in Northern Luzon of the Philippines.

This is depicted in our Cañao emblem which shows a number of human figures in deep concentration—absorbed in ritual dance.

The attention, focus, commitment and unity of the club's members is represented by the dancing figures—in celebration or expectation of a bountiful harvest; much as we actually do—in anticipation of the joy derived from public service to the community—always coupled with fellowship. Hence, the sub-title of "A Celebration of Service."

Rotary Club of Baguio

THE RCB LOGO

The Rotary Club of Baguio (RCB) was chartered on 21 February 1938. The 4,587th member of Rotary International and the oldest club organized North of Manila; the 6th chartered Rotary Club in the entire Philippines.

Our over-simplified club logo (red) is a composite of the letters r, c & B; this is symbolic of the club's straightforwardness. Over-all cardioid-heart shape connotes that our members serve from the heart. The four basic elements (four quadrants— now 3D bevelled) are symbolic of Rotary's Four-Way Test and the members' commitment to it. Our charter year of 1938 is used as the mid-focal point of the logo, to emphasize our early beginnings and continuing dedication to

Service Above Self.
